- 10. Adjournment

Landowners' Meeting

**INSTRUCTIONS RELATING TO LANDOWNERS' MEETING OF
SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT
FOR THE ELECTION OF SUPERVISORS**

DATE OF LANDOWNERS' MEETING: **Tuesday, July 26, 2022**

TIME: **1:30 PM**

LOCATION: **The Hampton Inn--Lakeland, 4420 North Socrum Loop Road, Lakeland, FL 33809**

Pursuant to Chapter 190, Florida Statutes, and after a Community Development District ("**District**") has been established and the landowners have held their initial election, there shall be a subsequent landowners' meeting for the purpose of electing members of the Board of Supervisors ("**Board**") every two years until the District qualifies to have its board members elected by the qualified electors of the District. The following instructions on how all landowners may participate in the election are intended to comply with Section 190.006(2)(b), Florida Statutes.

A landowner may vote in person at the landowners' meeting, or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the District, for each position on the Board that is open for election for the upcoming term. A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one vote with respect thereto. Please note that a particular parcel of real property is entitled to only one vote for each eligible acre of land or fraction thereof; therefore, two or more people who own real property in common, that is one acre or less, are together entitled to only one vote for that real property.

At the landowners' meeting, the first step is to elect a chair for the meeting, who may be any person present at the meeting. The landowners shall also elect a secretary for the meeting who may be any person present at the meeting. The secretary shall be responsible for the minutes of the meeting. The chair shall conduct the nominations and the voting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions. Candidates must be nominated and then shall be elected by a vote of the landowners. Nominees may be elected only to a position on the Board that is open for election for the upcoming term.

Five (5) seats on the Board will be up for election by landowners. The two candidates receiving the highest number of votes shall be elected for a term of four (4) years. The three candidates receiving the next highest number of votes shall be elected for a term of two (2) years. The term of office for each successful candidate shall commence upon election.

A proxy is available upon request. To be valid, each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized.

Board of Supervisors Meeting

SECTION III

SECTION B

RESOLUTION 2022-34

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT CANVASSING AND CERTIFYING THE RESULTS OF THE LANDOWNERS' ELECTION OF SUPERVISORS HELD PURSUANT TO SECTION 190.006(2), *FLORIDA STATUTES*, AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Schaller Preserve Community Development District (“**District**”) is a local unit of special-purpose government created and existing pursuant to Chapter 190, *Florida Statutes*, being situated entirely within unincorporated Polk County, Florida; and

WHEREAS, pursuant to Section 190.006(2), *Florida Statutes*, a landowners meeting is required to be held within 90 days of the District’s creation and every two (2) years following the creation of the District for the purpose of electing supervisors of the District; and

WHEREAS, such landowners meeting was held at which the below recited persons were duly elected by virtue of the votes cast in their favor; and

WHEREAS, the Board of Supervisors of the District, by means of this Resolution, desire to canvas the votes and declare and certify the results of said election.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT:

1. **ELECTION RESULTS.** The following persons are found, certified, and declared to have been duly elected as Supervisors of and for the District, having been elected by the votes cast in their favor as shown:

_____	Seat 1	Votes _____
_____	Seat 2	Votes _____
_____	Seat 3	Votes _____
_____	Seat 4	Votes _____
_____	Seat 5	Votes _____

2. **TERMS.** In accordance with Section 190.006(2), *Florida Statutes*, and by virtue of the number of votes cast for the Supervisors, the above-named persons are declared to have been elected for the following term of office:

_____	4 Year Term
_____	4 Year Term
_____	2 Year Term
_____	2 Year Term
_____	2 Year Term

3. **EFFECTIVE DATE.** This Resolution shall become effective immediately upon its adoption.

PASSED AND ADOPTED this 26th day of July, 2022.

Chairperson, Board of Supervisors

MINUTES

**MINUTES OF MEETING
SCHALLER PRESERVE
COMMUNITY DEVELOPMENT DISTRICT**

The Organizational meeting of the Board of Supervisors of the Schaller Preserve Community Development District was held on Tuesday, **May 24, 2022** at 1:50 p.m. at The Hampton Inn Lakeland, 4420 N. Socrum Loop Road, Lakeland, Florida.

Present and constituting a quorum were:

Scott Shapiro	Supervisor; Elected as Chairman
Mike Seney	Supervisor; Elected as Vice-Chairman
Andy Mason	Supervisor; Elected as Assistant Secretary
Debbie Mason	Supervisor; Elected as Assistant Secretary

Also, present were:

Jill Burns	District Manager, GMS
Jennifer Kilinski	KE Law
Jake Whealdon	KE Law
Ashton Bligh <i>by Zoom</i>	Greenberg Taurig
Rodney Gadd <i>by Zoom</i>	Gadd & Associates

The following is a summary of the discussions and actions taken at the May 24, 2022 Schaller Preserve Community Development District's Organizational Board of Supervisor's Meeting.

FIRST ORDER OF BUSINESS

Introduction

A. Call to Order

Ms. Burns called the meeting to order at 1:50 p.m. Four Supervisors were in attendance at the meeting constituting a quorum.

B. Public Comment Period

There were no members of the public present.

C. Oath of Office

Ms. Burns conducted the oath of office to the new Supervisors.

SECOND ORDER OF BUSINESS

Organizational Matters

A. Confirmation of Notice of Meeting

Ms. Burns noted the meeting notice had been documented properly as required by statutes.

B. Information on Community Development Districts and Public Official Responsibilities and Florida Statutes Chapter 190

Ms. Burns noted the Supervisors were familiar with the Sunshine law.

C. Election of Officers

1. Resolution 2022-01 Appointing Officers

Ms. Burns reviewed the process for officers and the Board decided to have Mr. Scott Shapiro as Chair, Mr. Mike Seney as Vice Chair, Mr. Andy Mason, and Ms. Debbie Mason and Ms. Michele Shapiro as Assistant Secretaries. She noted GMS staff of George Flint as Assistant Secretary and herself as Secretary.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-01 Appointing Officers with Mr. Shapiro as Chair and Mr. Seney as Vice Chair, Mr. Mason, and Ms. Mason and Ms. Shapiro as Assistant Secretaries, and GMS staff of George Flint as an Assistant Secretary and Ms. Burns as Secretary, was approved.

2. Resolution 2022-02 Appointing Treasurer and Assistant Treasurer

Ms. Burns suggested GMS staff as George Flint, Katie Costa, as Treasurer and Assistant Treasurer.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-02 Appointing Treasurer as Mr. Flint and Katie Costa as Assistant Treasurer, was approved.

THIRD ORDER OF BUSINESS

Retention of District Staff

A. Consideration of Contract for District Management Services

Ms. Burns noted that the District Manager will be GMS.

1. Resolution 2022-03 Appointing District Manager

Ms. Burns notes the agreement form is included with fees for GMS. The change is from \$35,000 to \$37,500.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-03 Appointing District Manager as GMS, was approved.

B. Consideration of Contract for District Counsel Services

Ms. Burns noted that KE Law Group will be District Counsel

2. Resolution 2022-04 Appointing District Counsel

Ms. Burns noted fees were included in the packet. It was noted that the firm had a couple of different paralegals.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-04 Appointing District Counsel as KE Law Group, was approved.

C. Resolution 2022-05 Selection of Registered Agent and Office

Ms. Burns stated that this would name herself and the office in Orlando as the registered agent and office.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-05 Selection of Registered Agent as Jill Burns and her Office in Orlando as the Registered Office, was approved.

D. Resolution 2022-06 Appointing Interim District Engineer

Ms. Burns noted the interim engineer would be Gadd and Associates.

E. Consideration of Interim District Engineering Agreement

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-06 Appointing Interim District Engineer as Gadd and Associates, was approved.

F. Request Authorization to Issue RFQ for Engineering Services

Ms. Burns stated he needed a motion to issue the RFQ for engineering services. She suggested June 30th as the due date.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Authorization to Issue RFQ for Engineering Services, was approved.

FOURTH ORDER OF BUSINESS

Designation of Meetings and Hearing Dates

A. Consideration of Resolution 2022-07 Designation of Regular Monthly Meeting Date, Time, and Location for Fiscal Year 2022

Ms. Burns suggested the 4th Tuesday of the month at 1:30 p.m. The meeting will be at the same location.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-07 Designation of Regular Monthly Meeting Date, Time, and Location for Fiscal Year 2022 as the 4th Tuesday of the Month at 1:30 p.m. at the same location, was approved.

B. Consideration of Resolution 2022-08 Designation of Landowner's Meeting Date, Time, and Location

Ms. Burns suggested July 26, 2022 at 1:30 p.m. at the same location.

On MOTION by Ms. Mason, seconded by Mr. Shapiro, with all in favor, Resolution 2022-08 Designation of Landowner's Meeting Date, Time, and Location for July 26, 2022 at 1:30 p.m. at the same location, was approved.

C. Designation of Date of Public Hearing to Adopt Rules of Procedure in accordance with Section 120.54, Florida Statutes

1. Consideration of Resolution 2022-09 Setting a Public Hearing to Consider the Proposed Rules of the District

A. Rules of Procedure

Ms. Burns suggested this be held in conjunction with the July 26, 2022 meeting at 1:30 p.m.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-09 Setting a Public Hearing to Consider the

Proposed Rules of the District for July 26, 2022 at 1:30 p.m. at the same location, was approved.

D. Designation of Dates of Public Hearing on the Budget for Fiscal Year 2022 and 2023

1. Consideration of Resolution 2022-10 Setting the Public Hearing and Approving the Proposed Fiscal Year 2021/2022 and 2022/2023 Budget

Ms. Burns proposed they set the date for July 26, 2022 at 1:30p.m. at the same location. She added the budget is included for the Board review. Ms. Burns noted this budget is from May through September and there are pro-rated expenses for administration. For 2023 it is a full year of Administrative expenses.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-10 Setting the Public Hearing and Approving the Proposed Fiscal Year 2021/2022 and 2022/2023 Budget for July 26, 2022 at 1:30 p.m. at the same location, was approved.

2. Approval of the Fiscal Year 2021/2022 and 2022/2023 Developer Funding Agreement

Ms. Burns noted this will fund this year's budget is included in the packet.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, the Fiscal Year 2021/2022 and 2022/2023 Budget Funding Agreement, was approved.

E. Resolution 2022-11 Setting Date of Public Hearing Expressing the District's Intent to Utilize the Uniform Method of Levying, Collecting and Enforcing Non-Ad Valorem Assessments in accordance with Section 197.3632, Florida Statutes

Ms. Burns suggested July 26, 2022 at 1:30 p.m. at the same location for this meeting.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-11 Setting Date of Public Hearing Expressing the District's Intent to Utilize the Uniform Method of Levying, Collecting and Enforcing Non-Ad Valorem Assessment in Accordance with Section 197.3632, Florida Statutes for July 26, 2022 at 1:30 p.m. at the same location, was approved.

A. Resolution 2022-12 Designating a Qualified Public Depository

Ms. Burns proposed using Truist (formerly Sun Trust) as the District's qualified public depository.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-12 Designating a Qualified Public Depository as Truist, was approved.

B. Resolution 2022-13 Authorization of Bank Account Signatories

Ms. Burns noted the approved signatories would be the Treasurer and Assistant Treasurer elected today as Jill Burns, Katie Costa, and George Flint.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-13 Authorization of Bank Account Signatories as the Treasurer and Assistant Treasurer (George Flint, Jill Burns and Katie Costa), were approved.

C. Consideration of Resolution 2022-14 Relating to Defense of Board Members

Ms. Burns explained the resolution. She noted this sets forth a process if there is a lawsuit filed against a Board member. She noted as long as the Board member was working within the scope of their responsibilities, they would be covered legally.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-14 Relating to Defense of Board Members, was approved.

D. Consideration of Resolution 2022-15 Authorizing District Counsel to Record in the Property Records of Polk County the "Notice of Establishment" in accordance with Chapter 190.0485, Florida Statutes

1. Notice of Establishment

Ms. Burns noted this is to ratify the action already noticed.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-15 Ratifying District Counsel Recording the "Notice of Establishment" in the Property Records of Polk County in Accordance with Chapter 190.0486, Florida Statutes, was ratified.

E. Consideration of Resolution 2022-16 Adopting Investment Guidelines

Ms. Burns noted this would be in accordance with the guidelines established by the state of Florida.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-16 Adopting Investment Guidelines, was approved.

F. Consideration of Resolution 2022-17 Authorizing Execution of Public Depositor Report

Ms. Burns noted this authorizes the District Manager or Treasurer to authorize that report and send it to the Treasurer.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-17 Authorizing Execution of Public Depositor Report, was approved.

G. Consideration of Resolution 2022-18 Designating a Policy for Public Comment

Ms. Burns stated that this establishes the policy for comments in a meeting.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-18 Designating a Policy for Public Comment, was approved.

H. Consideration of Resolution 2022-19 Adopting a Travel and Reimbursement Policy

Ms. Burns noted this is for travel reimbursement for Supervisors on District business and is in line with Florida statutes.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-19 Adopting a Travel and Reimbursement Policy, was approved.

I. Consideration of Resolution 2022-20 Adopting Prompt Payment Policy

Ms. Burns noted that this is in accordance with Florida statutes and included in the packet.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-20 Adopting a Prompt Payment Policy, was approved.

J. Consideration of Resolution 2022-21 Adopting a Records Retention Policy

Ms. Burns noted this policy is in accordance with Florida statutes and has two options included in the packet. She suggested the Board choose option 1. There was Board discussion on destruction of records and what would be destroyed and the timeline.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-21 Adopting a Records Retention Policy Option 1, was approved.

K. Consideration of Compensation to Board Members

Ms. Burns stated this is for Board members attending CDD meetings to be compensated at \$200 a meeting for a maximum of 24 meetings per year. Board members Mike Seney, Mr. Andy Mason and Ms. Debbie Mason agreed to compensation. Mr. Shapiro will not receive compensation. This is accordance with Florida statute and no vote was needed.

L. Resolution 2022-22 Selecting District Records Office Within Polk County

Ms. Burns proposed this be set as Mr. Rodney Gadd's office as the District Office at 4685 East County Road, 540A, Lakewood, Florida, 33813

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-22 Selecting District Records Office Within Polk County as Mr. Gadd's Office at 4685 East County Road, 540A, Lakewood, Florida 33813, was approved.

M. Resolution 2022-23 Designating the Primary Administrative Office and Principal Headquarters of the District

Ms. Burns proposed this be the GMS offices in Orlando, Florida at 219 E. Livingston Street, and the principal headquarters would be 4685 East County Road, 540A, Lakewood, Florida 33813.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-23 Designating the Primary Administrative Office as 219 E. Livingston, Orlando, Florida, and Principal Headquarters of the District as 4685 East County Road, 540A, Lakewood, Florida 33813., was approved.

N. Consideration of Website Services Agreement

Ms. Burns stated the agreement is in the package and is required by statute. This is with ReAlign Web Design and the set-up fee will be \$1,750. Ms. Burns suggested approval of the one-time set up fee.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, the Website Services Agreement One Time Web Creation, was approved.

O. Authorization to Prepare Public Facilities Report in Accordance with Chapter 189.08 Florida Statutes to Coincide with Special District Filing Date of August 1st for Polk County

Ms. Burns noted this is filed on an annual basis and this approves staff to file the report.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Authorization to Prepare Public Facilities Report in Accordance with Chapter 189.08 Florida Statutes to Coincide with Special District Filing Date of August 1st for Polk County, was approved.

SIXTH ORDER OF BUSINESS

Capital Improvements

A. Appointment of Financing Team

Ms. Burns noted this appoints a financing team.

1. Consideration of Resolution 2022-24 Appointing Bond Counsel

Ms. Burns noted this would be for Greenberg Traurig as Bond Counsel and the agreement is in the packet. Ms. Bligh was present via phone. Ms. Bligh clarified the current fee for the Board.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-24, Appointing Bond Counsel as Greenberg Traurig, was approved.

2. Consideration of Resolution 2022-25 Appointing an Investment Banker

Ms. Burns noted FMS Bond Specialist would be the investment banker.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-25, Appointing an Investment Banker as FMS Bond Specialist, was approved.

3. Assessment Administrator

Ms. Burns noted this would be with GMS and has been previously approved.

4. Trustee

Ms. Burns noted this proposal in the packet is with US Bank. The annual Trustee fee is \$3,750.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Appointed the Trustee as US Bank, was approved.

B. Approval of Financing Team Funding Agreement

Ms. Burns explained that under the terms of this agreement any funds provided as part of this agreement would be reimbursed under the future bond issuance.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, the Financing Team Funding Agreement, was approved.

SEVENTH ORDER OF BUSINESS

Financing Matters

A. Consideration of Engineer's Report

The District Engineer gave an overview of his report. Mr. Gadd noted the typical improvements anticipated and the anticipated dates. He noted the exhibits were included in the report.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, the Engineer's Report, was approved.

B. Consideration of Assessment Methodology

Ms. Burns reviewed the Master Assessment Methodology report. She explained this allocates debt to the properties based on the special benefits from the District's capital improvement plan. She noted this will be supplemented with one or more supplemental reports to reflect the actual terms and conditions at the time of each issuance of series of bonds. She summarized the tables included in the report. She noted there are 415 single family lots, 210 in Phase 1 and 205 in Phase 2. All lots have the same ERU of 1. She noted the estimate at \$16,058,446. The bond sizing is \$20,880,000. The par debt per unit is at \$50,313 for each of the 415 lots. The gross annual debt assessment is \$3,745. The par debt per acre reflects 1 property owner owning all acres.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, the Assessment Methodology, was approved.

C. Consideration of Resolution 2022-26 Authorizing the Issuance of Bonds and Authorizing the Commencement of Validation Proceedings

Ms. Bligh presented the resolution noting there was a not-to-exceed amount of \$20,000,000. She noted Chapter 190 stated all bonds must be secured by a Trust Agreement. She reviewed all sections. Ms. Bligh noted a slip page will be provided to the District once the ordinance date is confirmed from the county. Ms. Burns pointed out that the bond sizing methodology is \$20,880,000 and the not to exceed amount needed to be bumped to \$21,000,000. Ms. Bligh noted she will provide that change.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-26 Authorizing the Issuance of Bonds and Authorizing the Commencement of Validation Proceedings, was approved as amended.

D. Consideration of Resolution 2022-27, Declaring Special Assessments and Approval of Assessment Methodology

Ms. Burns noted that the assessments are included in the packet. The cost estimates are included with updated amounts.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-27, Declaring Special Assessment and Approval of Assessment Methodology, was approved.

E. Consideration of Resolution 2022-28 Setting a Public Hearing for Special Assessments

Ms. Burns suggested July 26, 2022 at 1:30 p.m. at the same location. Mailed notices will be completed.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-28, Setting a Public Hearing for Special Assessments for July 26, 2022 at 1:30 p.m., was approved.

EIGHTH ORDER OF BUSINESS

Other Business

A. Consideration of Resolution 2022-29 Authorizing the Disbursement of Funds

Ms. Burns presented the resolution.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-29 Authorizing the Disbursement of Funds, was approved.

B. Consideration of Resolution 2022-30 Granting the Chairperson and Vice Chairperson the Authority to Execute Plats and Documents Related to the Development of the District's Improvements

Ms. Burns stated Osceola County is one that requires this in order for the plats to be recorded.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-30 Granting the Chairperson and Vice Chairperson Authority to Execute Plats and Documents Related to the Development of the District's Improvements, was approved.

C. Consideration of Resolution 2022-31 Direct Purchase Resolution

Ms. Burns noted this allows the District to directly purchase construction materials since they are tax exempt. She added this is in the packet and names the District Engineer or the District manager as the purchasing agent.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-31 Direct Purchase Resolution, was approved.

D. Consideration of Resolution 2022-32 Authorizing the Use of Electronic Documents

Ms. Burns presented the resolution and noted it allows DocuSign for most items.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-32 Authorizing the Use of Electronic Documents, was approved.

E. Consideration of Resolution 2022-33 Adopting an Internal Controls Policy

Ms. Burns presented the resolution. This is a requirement for detecting fraud and/or waste.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Resolution 2022-33 Adopting an Internal Controls Policy, was approved.

F. Staff Reports

i. Attorney

Mr. Whealdon stated he did not have anything further.

ii. Manager

Ms. Burns noted the next Board meeting would be July 26, 2022.

G. Supervisors Requests

There being none, the next item followed.

H. Approval of Funding Request No. 1

Ms. Burns noted this request was in the package for review. This is an initial startup cost for ads, public hearings and insurance.

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, Funding Request No. 1, was approved.

NINTH ORDER OF BUSINESS

Adjournment

On MOTION by Mr. Shapiro, seconded by Mr. Seney, with all in favor, the meeting was adjourned.

**ENGINEER'S REPORT
SCHALLER PRESERVE
COMMUNITY DEVELOPMENT DISTRICT**

I. INTRODUCTION

The Schaller Preserve Community Development District (the “District” or “CDD”) is generally located on the north side of Saddle Creek Rd., approximately three miles east of its intersection with Combee Rd., within Lakeland, Florida (the “City”). The District currently contains approximately 203.0 acres and is expected to consist of approximately 415 single family lots, recreation/amenity areas, and associated public infrastructure.

The CDD was established by City Ordinance No. 2022-037 which was approved by the City Commission on May 17, 2022. The District will own and operate the onsite public roadways and stormwater management facilities, as well as the landscape, irrigation, signage, and recreational facilities within the development.

Public improvements and facilities financed, acquired, and/or constructed by the District will be designed and constructed to conform to regulatory criteria from the City of Auburndale Water & Sewer Utilities, Polk County, Florida (the “County”), Southwest Florida Water Management District (SWFWMD), and other applicable agencies with regulatory jurisdiction over the development, defined below. Any public improvements or facilities acquired by the District will be at the lesser of actual cost of construction or fair market value. An overall estimate of probable cost of the public improvements is provided in Exhibit 7 of this report.

This “Engineer’s Report for Capital Improvements” or “Report” reflects the present intentions of the District and the landowners. It should be noted that the location of proposed facilities and improvements may be adjusted during the final design, permitting, and implementation phases. It should also be noted that these modifications are not expected to diminish the benefits received by the developable land within the District. The District reserves the right to make reasonable adjustments to this Report to meet applicable regulatory requirements of agencies with jurisdiction over the development, while maintaining comparable levels of benefit to the developable lands

served by the improvements. Changes and modifications are expected as changes in regulatory criteria are implemented.

Implementation of any proposed facilities or improvements outlined in this Report requires approval from the District's Board of Supervisors. Estimated costs outlined in this Report are based on best available information, which includes but is not limited to previous experience with similar projects. Actual costs could be different than estimates because final engineering and specific field conditions may affect construction costs.

All roadway improvements including sidewalks in the right-of-way and storm drainage collection systems (from the curb inlets to their connection to the stormwater ponds) within the development, with the exception of all improvements to be included within the Saddle Creek Rd. right-of-way, will be maintained by the District. Water distribution, wastewater collection systems (gravity lines, force mains, and non-private lift stations), and all improvements within Saddle Creek right-of-way will, upon completion, be dedicated to the City of Auburndale/Polk County for ownership and maintenance.

II. PURPOSE AND SCOPE

The purpose of this Report is to provide engineering support to fund improvements in the District. This Report will identify the proposed public infrastructure to be constructed or acquired by the District along with an opinion of probable cost.

Contained within this Report is a brief description of the public infrastructure to be constructed or acquired by the District. The District will finance, construct, acquire, operate, and maintain all or specific portions of the proposed public infrastructure. An assessment methodology consultant has been retained by the District, who will develop the assessment and financing methodology to be applied using this Report.

The predominant portion of this Report provides descriptions of the proposed public infrastructure improvements, determination of estimated probable construction costs, and the corresponding benefits associated with the implementation of the described improvements. Detailed site construction plans and specifications have not yet been completed and permitted for the improvements described herein. The engineer has considered, and in specific instances has relied upon, the information and documentation

prepared or supplied by others, and information that may have been provided by public entities, public employees, the landowner, site construction contractors, other engineering professionals, land surveyors, and the District Board of Supervisors, including its staff and consultants.

III. THE DEVELOPMENT

The development will consist of 415 single family homes and associated infrastructure. The development is a planned residential community located east of Combee Rd. and north of Saddle Creek within the City. The property has a Polk County land use designation of RS (Residential Suburban) and will have a zoning of SPD (Suburban Planned Development). The development is anticipated to be constructed in two phases.

IV. THE CAPITAL IMPROVEMENTS

The Capital Improvement Plan, (the "CIP"), consists of public infrastructure necessary to support residential development. The primary portions of the CIP will entail stormwater pond construction, roadways built to an "urban" typical section, water and sewer facilities and off-site improvements (including turn lanes / intersection improvements and extension of water and sewer mains to serve the development).

There will also be stormwater structures and conveyance culverts within the CIP which will outfall into the on-site retention ponds. These structures and pond areas comprise the overall stormwater facilities of the CIP. Installation of the water distribution and wastewater collection system will occur as needed. Below ground installation of telecommunications and cable TV will occur but will not be funded by the District.

As a part of the recreational component of the CIP, a public park/amenity center will be constructed within the development. The public park/amenity center will have connectivity via sidewalks to each portion of the District. The public park/amenity center will be accessed by the public roadways and sidewalks.

V. CAPITAL IMPROVEMENT PLAN COMPONENTS

The Capital Improvement Plan includes the following:

Stormwater Management Facilities

Stormwater management facilities consisting of storm conveyance systems and retention ponds are contained within the District boundaries. Stormwater will runoff via roadway curb and gutter to storm inlets. Storm culverts convey the runoff into the proposed retention ponds for water quality treatment and attenuation. The proposed stormwater systems will utilize a combination of wet and dry retention for biological pollutant assimilation to achieve water quality treatment. The design criteria for the District's stormwater management systems is regulated by the City, the County, and the SWFWMD. There are existing jurisdictional wetlands within the District.

Federal Emergency Management Agency Flood Insurance Rate Map (FEMA FIRM) Panel No. 12105C0530G demonstrates that the property is located within Flood Zone X and AE. Based on this information and the site topography, floodplain compensation may be required.

During the construction of stormwater management facilities, utilities and roadway improvements, the District or its contractors will be required to adhere to a *Stormwater Pollution Prevention Plan* (SWPPP) as required by Florida Department of Environmental Protection (FDEP) as delegated by the Environmental Protection Agency (EPA). The SWPPP will be prepared to depict for the contractor the proposed locations of required erosion control measures and staked turbidity barriers specifically along the down gradient side of any proposed construction activity. The site contractor will be required to provide the necessary reporting on various forms associated with erosion control, its maintenance and any rainfall events that occur during construction activity

Public Roadways

The "internal" proposed public roadway sections are to be 40' rights-of-way with 20' of asphalt and Miami curb and gutter on both sides. The proposed roadway section will consist of stabilized subgrade, lime rock/crushed concrete base, and asphalt wearing surface. The proposed curb is to be 2' wide and placed along the edge of the proposed roadway section for purposes of protecting the integrity of the pavement and also to provide stormwater runoff conveyance to the proposed stormwater inlets.

Water and Wastewater Facilities

A potable water system inclusive of water main, gate valves, fire hydrants and appurtenances will be installed for the development. The water service provider will be the City of Auburndale Utilities. These facilities will be installed within the proposed public rights-of-way within the District and within existing public right-of-ways adjacent to the District. This water will provide potable (domestic) and fire protection services which will serve the lands within the District.

A domestic wastewater collection system inclusive of gravity sanitary sewer mains and sewer laterals will be installed. The gravity sanitary sewer mains will be 8" diameter PVC. The gravity sanitary sewer lines will be placed inside of the proposed public rights-of-way, under the proposed paved roadways. Branching off from these sewer lines will be laterals to serve the individual lots. A lift station or lift stations will transport wastewater flow from the lift stations, via an anticipated 6" force main to connect to the existing system along Saddle Creek Rd.

Off-Site Improvements

The District will provide funding for the anticipated turn lane(s) and offsite roadway improvements necessary at the development entrance. Anticipated improvements include a left and right turn lane at the project's entrance. Upon completion of these improvements, inspection/certifications will be obtained from the SWFWMD; the Polk County Health Department (water distribution system), Florida Department of Environmental Protection (FDEP) (wastewater collection) and the City/County.

Amenities and Parks

The District will provide funding for an Amenity Center to include the following: parking area, amenity building with restrooms, pool, and walking trails. All paths, parks, etc. discussed in this paragraph are available to the general public.

Electric and Lighting

The electric distribution system serving the development is currently planned to be underground. The District presently intends to fund and construct the electric conduit, transformer/cabinet pads, and electric manholes required by TECO/City of Lakeland

Electric to underground such systems on public right of way. Electric facilities funded by the District will be owned and maintained by the District, with TECO/City of Lakeland Electric providing underground electrical service to the development. The CDD presently intends to purchase and install the street lighting along the internal roadways within the CDD. These lights are presently anticipated to be owned, operated, and maintained by the District. Alternatively, the District may fund and install the necessary electrical conduit and enter into an agreement with TECO/City of Lakeland Electric for the street lights.

Entry Feature, Landscaping, and Irrigation

Landscaping, irrigation, entry features and walls at the entrances and along the outside boundary of the development will be provided by the District. The irrigation system will utilize potable water or wells. Landscaping for the roadways will consist of sod, annual flowers, shrubs, ground cover and trees for the internal roadways within the development. These items will be funded, owned and maintained by the CDD.

Miscellaneous

The stormwater improvements, landscaping and irrigation, recreational improvements, street lighting, and certain permits and professional fees as described in this report, are being financed by the District with the intention for benefiting all of the developable real property within the District. The construction and maintenance of the proposed public improvements will benefit the development for the intended use as a single-family planned development.

VI. PERMITTING

Construction permits for all phases are required and include the SWFWMD Environmental Resource Permit (ERP), Polk County Health Department, Florida Department of Environmental Protection (FDEP), Polk County Level II, and City of Auburndale water and sewer construction plan approval.

Following is a summary of required permits obtained and pending for the construction of the public infrastructure improvements for the District:

Permits / Approvals	Approval / Expected Date
Zoning Approval	September 2021
SWFWMD ERP	September 2022
Construction Permits (City)	September 2022
Polk County Health Department Water	September 2022
FDEP Sewer	September 2022
FDEP NOI	October 2022

VII. RECOMMENDATION

As previously described within this Report, the public infrastructure as described is necessary for the development and functional operation as required by Polk County and other applicable local governments/regulatory agencies. The site planning, engineering design, and construction plans for the infrastructure are to be in accordance with the applicable requirements of Polk County, City of Auburndale, and the SWFWMD. It should be noted that the infrastructure will provide its intended use and function so long as the construction and installation is in substantial conformance with the design construction plans and regulatory permits.

Items utilized in the *Opinion of Probable Costs* for this report are based upon anticipated improvements to be necessary for this development to meet the most current SWFWMD, Polk County, and the City of Auburndale regulations.

VIII. REPORT MODIFICATION

During development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans. However, if such deviations and/or revisions do not change the overall primary objective of the plan for such improvements, then the costs differences would not materially affect the proposed cost estimates.

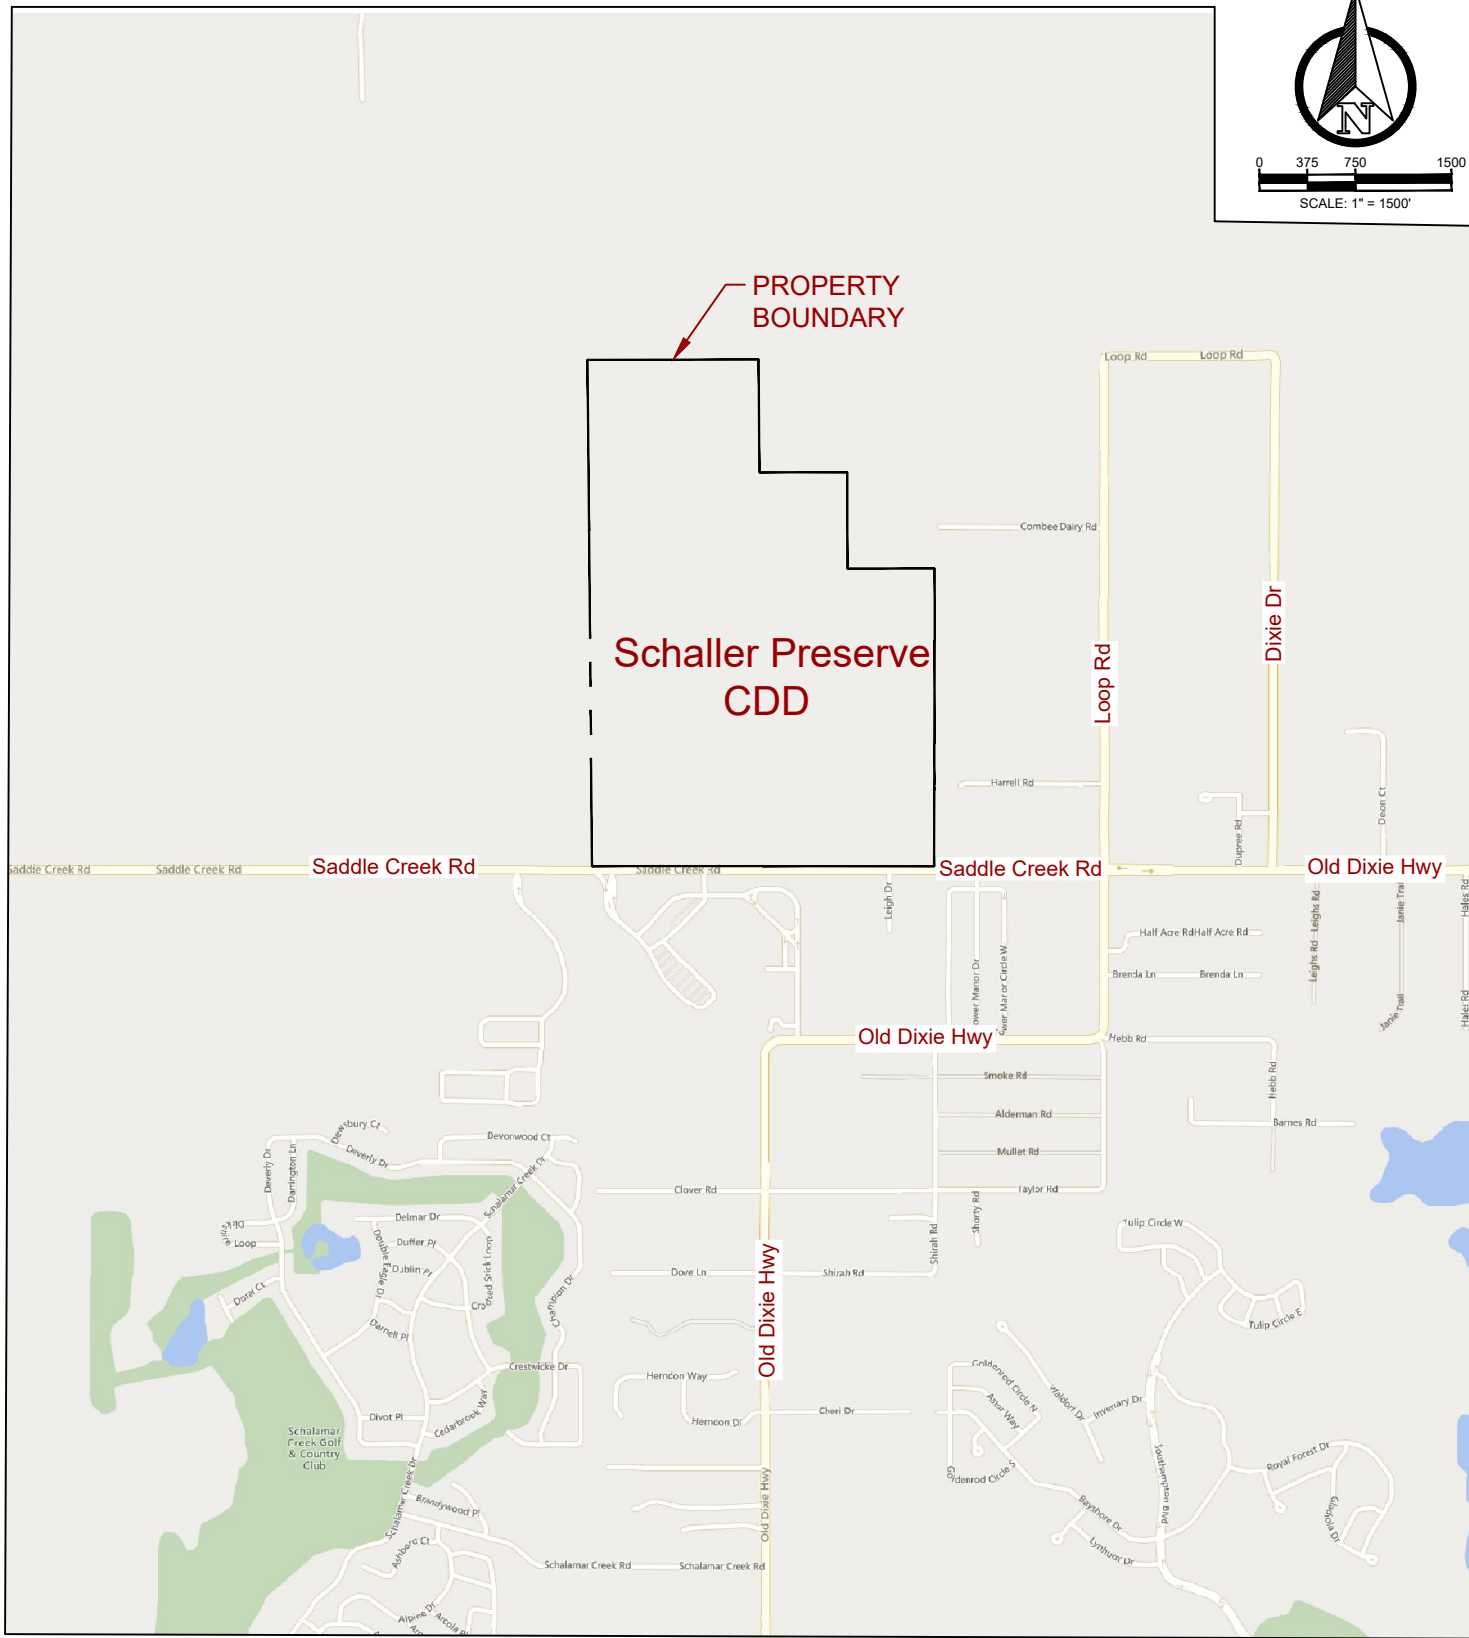

IX. CONCLUSION

It is our professional opinion that the public infrastructure costs for the CIP provided in this Report are reasonable to complete the construction of the public infrastructure improvements. Furthermore, the public infrastructure improvements will benefit and add

value to lands within the District at least equal to the costs of such improvements.

The *Opinion of Probable Costs* of the public infrastructure improvements is only an estimate and is not a guaranteed maximum price. The estimated costs are based upon unit prices currently experienced on an ongoing and similar basis for work in the County. However, labor market, future costs of equipment, materials, changes to the regulatory permitting agencies activities, and the actual construction processes employed by the chosen site contractor are beyond the engineer's control. Due to this inherent opportunity for changes (upward or downward) in the construction costs, the total, final construction cost may be more or less than this estimate.

Based upon the presumption that the CIP construction continues in a timely manner, it is our professional opinion that the proposed public infrastructure improvements when constructed and built in substantial conformance with the approved plans and specifications, can be completed and used for their intended function. Be advised that we have utilized historical costs and direct unit costs from site contractors and consultants in the County, which we believe to be necessary in order to facilitate accuracy associated with the *Opinion of Probable Costs*. Based upon the information above, it is our professional opinion that the acquisition and construction costs of the proposed CIP can be completed at the cost as stated.

SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT
SUMMARY OF OPINION OF PROBABLE COSTS

<u>Number of Lots</u>	<u>210</u>	<u>205</u>	<u>415</u>
<u>Infrastructure</u> ⁽¹⁾	<u>Phase 1 (2022-2024)</u>	<u>Phase 2 (2022-2026)</u>	<u>Total</u>
Offsite Improvements ^{(6) (7)}	\$ 945,000	\$ 922,500	\$ 1,867,500
Stormwater Management ⁽²⁾⁽³⁾⁽⁵⁾⁽⁷⁾	\$ 2,625,000	\$ 1,947,450	\$ 4,572,450
Utilities (Water, Sewer, Re-use & Street Lighting) ⁽⁵⁾⁽⁷⁾⁽⁹⁾	\$ 1,995,000	\$ 1,948,100	\$ 3,943,100
Roadway ⁽⁴⁾⁽⁷⁾	\$ 1,155,000	\$ 1,127,100	\$ 2,282,100
Entry Feature & Signage ⁽⁷⁾⁽⁸⁾	\$ 315,000	\$ 205,000	\$ 520,000
Park and Recreational Facilities ⁽⁷⁾	\$ 945,000	\$ 307,196	\$ 1,252,196
Contingency	\$ 945,000	\$ 676,100	\$ 1,621,100
TOTAL	\$ 8,925,000	\$ 7,133,446	\$ 16,058,446

Notes:

1. Infrastructure consists of public roadway improvements, stormwater management facilities, master sanitary sewer and utilities, entry feature, landscaping and signage, and parks and recreational facilities.
2. Excludes grading of each lot both for initial pad construction and in conjunction with home construction, which will be provided by developer or homebuilder.
3. Includes stormwater pond excavation. Costs do not include transportation to or placement of fill on private property.
4. Includes sub-grade, base, asphalt paving, curbing, and civil/site engineering
5. Includes subdivision infrastructure and civil/site engineering.
6. Offsite Improvements include turn lanes/intersection improvements and extension of offsite utilities.
7. Estimates are based on 2022 costs with common costs allocated to each phase.
8. Includes entry features, signage, hardscape, landscape, irrigation and walls.
9. CDD will enter into a Lighting Agreement with Lakeland Electric for the street light poles and lighting service. Only undergrounding of wire in public right-of-way and on District land is included.
10. Estimates based on Master Infrastructure to support development of 415 lots.

GMS-CF, LLC does not represent the Schaller Preserve Community Development District as a Municipal Advisor or Securities Broker nor is GMS-CF, LLC registered to provide such services as described in Section 15B of the Securities and Exchange Act of 1934, as amended. Similarly, GMS-CF, LLC does not provide the Schaller Preserve Community Development District with financial advisory services or offer investment advice in any form.

1.0 Introduction

The Schaller Preserve Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes (the “District”), as amended. The District plans to issue up to \$20,880,000 of tax exempt bonds in one or more series (the “Bonds”) for the purpose of financing certain infrastructure improvements within the District, more specifically described in the Master Engineer’s Report dated May 24, 2022 prepared by Gadd & Associates, LLC as may be amended and supplemented from time to time (the “Engineer’s Report”). The District anticipates the construction of public infrastructure improvements consisting of improvements that benefit property owners within the District.

1.1 Purpose

This Master Assessment Methodology Report (the “Assessment Report”) provides for an assessment methodology for allocating the debt to be incurred by the District to benefiting properties within the District. This Assessment Report allocates the debt to properties based on the special benefits each receives from the District’s capital improvement plan (“CIP”). This Assessment Report will be supplemented with one or more supplemental methodology reports to reflect the actual terms and conditions at the time of the issuance of each series of Bonds. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non ad valorem special assessments on the benefited lands within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

1.2 Background

The District currently includes approximately 203 acres within the City of Auburndale, Polk County, Florida. The development program currently envisions approximately 415 residential units (herein the “Development”). The proposed Development program is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District in the CIP will provide facilities that benefit certain property within the District. The CIP is delineated in the Engineer’s Report. Specifically, the District will construct and/or acquire certain

offsite improvements, stormwater management, utilities (water, sewer, re-use & lighting), roadway, entry & signage, parks & recreational facilities, and contingency. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the CIP.
2. The District Engineer determines the assessable acres that benefit from the District's CIP.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct CIP.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the assessable property, different in kind and degree than general benefits, for properties outside its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the District. The implementation of the CIP enables properties within its boundaries to be developed. Without the District's CIP, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within the District would be prohibited by law.

There is no doubt that the general public and property owners outside the District will benefit from the provision of the District's CIP. However, these benefits will be incidental to the District's CIP, which is designed solely to meet the needs of property within the District. Properties outside the District boundaries do not depend upon the District's CIP. The property owners within the District are therefore receiving special benefits not received by those outside the District's boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of special assessments that meet these two requirements for valid special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's CIP that is necessary to support full development of property will cost approximately \$16,058,446. The District's Underwriter projects that financing costs required to fund the infrastructure improvements, including project costs, the cost of issuance of the Bonds, the funding of debt service reserves and capitalized interest, will be approximately \$20,880,000. Additionally, funding required to complete the CIP which is not financed with Bonds will be funded by the Developer or a related entity. Without the CIP, the property would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District is planning to issue up to \$20,880,000 in Bonds, in one or more series to fund the District's CIP, provide for capitalized interest, a debt service reserve account and cost of issuance. It is the purpose of this Assessment Report to allocate the \$20,880,000 in debt to the properties benefiting from the CIP.

Table 1 identifies the proposed land uses as identified by the Developer and current landowners of the land within the District. The District has relied on the Engineer's Report to develop the costs of the CIP needed to support the Development, these construction costs are outlined in Table 2. The improvements needed to support the Development are described in detail in the Engineer's Report and are estimated to cost \$16,058,446. Based on the estimated costs, the size of the Bond issue under current market conditions needed to generate funds to pay for the CIP and related costs was determined by the District's Underwriter to total approximately \$20,880,000. Table 3 shows the breakdown of the bond sizing.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan is completed. The CIP funded by District Bonds benefits all developable acres within the District.

The initial assessments will be levied on an equal basis to all acres within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the District are benefiting from the improvements.

Once platting, the assignment of development rights, or the recording of declaration of condominium, (“Assigned Properties”) has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive. The Unassigned Properties, defined as property that has not been platted, assigned development rights or subjected to a declaration of condominium, will continue to be assessed on a per acre basis (“Unassigned Properties”). Eventually the development plan will be completed and the debt relating to the Bonds will be allocated to the planned 415 residential units within the District, which are the beneficiaries of the CIP, as depicted in Table 5 and Table 6. If there are changes to the development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

2.3 Allocation of Benefit

The CIP consists of offsite improvements, stormwater management, utilities (water, sewer, re-use & lighting), roadway, entry & signage, parks & recreational facilities, and contingency. There is one residential product types within the planned development. The single family home has been set as the base unit and has been assigned one equivalent residential unit (“ERU”). Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed CIP will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management, utilities (water, sewer, re-use & lighting), roadway, entry & signage, parks & recreational facilities, and contingency. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the improvements in fact actually provided.

For the provision of CIP, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable, but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's CIP have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold as planned, and the entire proposed CIP is developed or acquired and financed by the District.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no adjustment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

4.0 Assessment Roll

The District will initially distribute the liens across the property within the District boundaries on a gross acreage basis. As Assigned Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Table 6 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land in the District prior to the time final Assigned Properties become known. At this time the debt associated with the District's CIP will be distributed evenly across the acres within the District. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Assessment Report. The current assessment roll is depicted in Table 7.

DESCRIPTION: PARCEL 1 TENOROC DEVELOPMENT (by GeoPoint Surveying, Inc)

A parcel of land lying in Section 1, Township 28 South, Range 24 East and Section 6, Township 28 South, Range 25 East, Polk County, Florida, and being more particularly described as follows:

BEGIN at the Northeast corner of said Section 1, also being the Northwest corner of said Section 6; thence along the East line of said Section 1, also being the West line of said Section 6, S 00°42'51" W, a distance of 874.00 feet; thence leaving said Section line, N 89°42'46" E, a distance of 655.99 feet; thence S 00°17'14" E, a distance of 750.10 feet; thence N 89°42'46" E, a distance of 661.31 feet to the East line of the West 1/4 of Said Section 6; thence along said East line of the West 1/4, S 00°14'05" W, a distance of 1050.93 feet; thence S 00°11'48" W, a distance of 1282.25 feet to the North right-of-way line of Saddle Creek Road (70' Public right-of-way) as recorded in Map Book 2, Page 82 of the Public Records of Polk County, Florida; thence along said North right-of-way line, S 89°59'34" W, a distance of 2649.77 feet; thence leaving said North right-of-way line, along the West line of the East 1/4 of said Section 1, N 00°01'50" E, a distance of 3946.93 feet to the North line of said Section 1; thence along the North line of said Section 1, N 89°49'50" E, a distance of 1346.23 feet to the **POINT OF BEGINNING**.

Containing 203.000 acres,

SECTION 3

RESOLUTION 2022-36

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT AUTHORIZING DISTRICT PROJECTS FOR CONSTRUCTION AND/OR ACQUISITION OF INFRASTRUCTURE IMPROVEMENTS; EQUALIZING, APPROVING, CONFIRMING, AND LEVYING SPECIAL ASSESSMENTS ON PROPERTY SPECIALLY BENEFITED BY SUCH PROJECTS TO PAY THE COST THEREOF; PROVIDING FOR THE PAYMENT AND THE COLLECTION OF SUCH SPECIAL ASSESSMENTS BY THE METHODS PROVIDED FOR BY CHAPTERS 170, 190, AND 197, FLORIDA STATUTES; CONFIRMING THE DISTRICT'S INTENTION TO ISSUE SPECIAL ASSESSMENT BONDS; MAKING PROVISIONS FOR TRANSFERS OF REAL PROPERTY TO GOVERNMENTAL BODIES; PROVIDING FOR THE RECORDING OF AN ASSESSMENT NOTICE; PROVIDING FOR SEVERABILITY, CONFLICTS AND AN EFFECTIVE DATE.

WHEREAS, the Schaller Preserve Community Development District (the "District") previously indicated its intention to construct certain types of infrastructure improvements and to finance such infrastructure improvements through the issuance of bonds, which bonds would be repaid by the imposition of special assessments on benefited property within the District; and

WHEREAS, the District Board of Supervisors (the "Board") noticed and conducted a public hearing pursuant to Chapters 170, 190, and 197, *Florida Statutes*, relating to the imposition, levy, collection and enforcement of such assessments.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT AS FOLLOWS:

SECTION 1. AUTHORITY FOR THIS RESOLUTION. This Resolution is adopted pursuant to Chapters 170, 190, and 197, *Florida Statutes*, including without limitation, Section 170.08, *Florida Statutes*.

SECTION 2. FINDINGS. The Board hereby finds and determines as follows:

(a) The District is a local unit of special-purpose government organized and existing under and pursuant to Chapter 190, *Florida Statutes*, as amended.

(b) The District is authorized by Chapter 190, *Florida Statutes*, to finance, fund, plan, establish, acquire, install, equip, operate, extend, construct, or reconstruct stormwater management facilities; roadways; water and wastewater facilities; off-site improvements; electrical utilities (street lighting); entry features and signage; parks and amenities; and other infrastructure projects and services necessitated by the development of, and serving lands within, the District, or as may be authorized by Chapter 190, *Florida Statutes*, together the "Improvements."

(c) The District is authorized by Chapter 190, *Florida Statutes*, to levy and impose special assessments to pay all, or any part of, the cost of such infrastructure projects and services and to issue

special assessment bonds payable from such special assessments as provided in Chapters 170, 190, and 197, *Florida Statutes*.

(d) It is necessary to the public health, safety and welfare and in the best interests of the District that (i) the District provide the capital improvements (“Capital Improvements”), the nature and location of which is described in the *Engineer’s Report for Capital Improvements*, dated May 24, 2022 (the “Engineer’s Report”) (attached as **Exhibit A** hereto and incorporated herein by this reference), and which the plans and specifications are on file at the office of the District Manager c/o Governmental Management Services-CF, LLC, 219 East Livingston Street, Orlando, FL 32801 (“District Records Offices”); (ii) the cost of such Capital Improvements be assessed against the lands specially benefited by such Capital Improvements; and (iii) the District issue bonds to provide funds for such purposes pending the receipt of such special assessments.

(e) The provision of said Capital Improvements, the levying of such Assessments (hereinafter defined) and the sale and issuance of such bonds serves a proper, essential, and valid public purpose and is in the best interests of the District, its landowners, and residents.

(f) In order to provide funds with which to pay all or a portion of the costs of the Capital Improvements which are to be assessed against the benefitted properties, pending the collection of such Assessments, it is necessary for the District from time to time to sell and issue its Special Assessment Bonds, in one or more series (the “Bonds”).

(g) By Resolution 2022-27, the Board determined to provide the Capital Improvements and to defray the costs thereof by making Assessments on benefitted property and expressed an intention to issue Bonds, notes or other specific financing mechanisms to provide all or a portion of the funds needed for the Capital Improvements prior to the collection of such Assessments. Resolution 2022-27 was adopted in compliance with the requirements of Section 170.03, *Florida Statutes*, and prior to the time it was adopted, the requirements of Section 170.04, *Florida Statutes*, had been met.

(h) As directed by Resolution 2022-27, said Resolution 2022-27 was published as required by Section 170.05, *Florida Statutes*, and a copy of the publisher’s affidavit of publication is on file with the Secretary of the Board.

(i) As directed by Resolution 2022-27, a preliminary assessment roll was adopted and filed with the Board as required by Section 170.06, *Florida Statutes*.

(j) As required by Section 170.07, *Florida Statutes*, upon completion of the preliminary assessment roll, the Board adopted Resolution 2022-28, fixing the time and place of a public hearing at which owners of the property to be assessed and other persons interested therein may appear before the Board and be heard as to (1) the propriety and advisability of making the infrastructure improvements, (2) the cost thereof, (3) the manner of payment therefore, and (4) the amount thereof to be assessed against each specially benefited property or parcel and provided for publication of notice of such public hearing and individual mailed notice in accordance with Chapters 170, 190, and 197, *Florida Statutes*.

(k) Notice of such public hearing was given by publication and also by mail as required by Section 170.07, *Florida Statutes*. Affidavits as to such publications and mailings are on file in the office of the Secretary of the Board.

(l) On May 24, 2022, at the time and place specified in Resolution 2022-28 and the notice referred to in paragraph (k) above, the Board met as an Equalization Board, conducted such public hearing, and heard and considered all complaints and testimony as to the matters described in paragraph (j) above.

The Board has made such modifications in the preliminary assessment roll as it deems necessary, just and right in the making of the final assessment roll.

(m) Having considered the estimated costs of the Capital Improvements, estimates of financing costs and all complaints and evidence presented at such public hearing, the Board further finds and determines:

- i. that the estimated costs of the Capital Improvements is as specified in the Engineer's Report, which Engineer's Report is hereby adopted and approved, and that the amount of such costs is reasonable and proper; and
- ii. it is reasonable, proper, just and right to assess the cost of such Capital Improvements against the properties specially benefited thereby using the method determined by the Board set forth in the *Master Assessment Methodology for Schaller Preserve Community Development District*, dated May 24, 2022 (the "Assessment Report," attached hereto as **Exhibit B** and incorporated herein by this reference), for the Bonds, which results in the special assessments set forth on the final assessment roll included within such Exhibit B (the "Assessments"); and
- iii. the Assessment Report is hereby approved, adopted and confirmed. The District ratifies its use in connection with the issuance of the Bonds;
- iv. it is hereby declared that the Capital Improvements will constitute a special benefit to all parcels of real property listed on said final assessment roll and that the benefit, in the case of each such parcel, will be equal to or in excess of the Assessments thereon when allocated as set forth in Exhibit B;
- v. that the costs of the Capital Improvements are fairly and reasonably apportioned to the properties specifically benefitted as set forth in Exhibit B;
- vi. it is in the best interests of the District that the Assessments be paid and collected as herein provided; and
- vii. it is reasonable, proper, just and right for the District to utilize the true-up mechanisms and calculations contained in the Assessment Report in order to ensure that all parcels of real property benefiting from the Capital Improvements are assessed accordingly and that sufficient assessment receipts are being generated in order to pay the corresponding bond debt-service when due;

SECTION 3. AUTHORIZATION OF DISTRICT PROJECT. That construction of Capital Improvements initially described in Resolution No. 2022-27, and more specifically identified and described in Exhibit A attached hereto, is hereby authorized and approved and the proper officers, employees and/or agents of the District are hereby authorized and directed to take such further action as may be necessary or desirable to cause the same to be made.

SECTION 4. ESTIMATED COST OF IMPROVEMENTS. The total estimated costs of the Capital Improvements and the costs to be paid by Assessments on all specially benefited property are set forth in Exhibits A and B, respectively, hereto.

SECTION 5. EQUALIZATION, APPROVAL, CONFIRMATION AND LEVY OF SPECIAL ASSESSMENTS. The Assessments on the parcels specially benefited by the Capital Improvements, all as

specified in the final assessment roll set forth in Exhibit B, attached hereto, are hereby equalized, approved, confirmed and levied. Immediately following the adoption of this Resolution, these Assessments, as reflected in Exhibit B attached hereto, shall be recorded by the Secretary of the Board of the District in a special book, to be known as the "Improvement Lien Book." The Assessment or assessments against each respective parcel shown on such final assessment roll and interest, costs and penalties thereon, as hereafter provided, shall be and shall remain a legal, valid and binding first lien on such parcel until paid and such lien shall be coequal with the lien of all state, county, district, municipal or other governmental taxes and superior in dignity to all other liens, titles, and claims. Prior to the issuance of any Bonds, including refunding bonds, the District may, by subsequent resolution, adjust the acreage assigned to particular parcel identification numbers listed on the final assessment roll to reflect accurate apportionment of acreage within the District amongst individual parcel identification numbers. The District may make any other such acreage and boundary adjustments to parcels listed on the final assessment roll as may be necessary in the best interests of the District as determined by the Board by subsequent resolution. Any such adjustment in the assessment roll shall be consistent with the requirements of law. In the event the issuance of Bonds, including refunding bonds, by the District would result in a decrease of the Assessments, then the District shall by subsequent resolution, adopted within sixty (60) days of the sale of such Bonds at a publicly noticed meeting and without the need for further public hearing, evidence such a decrease and amend the final assessment roll as shown in the Improvement Lien Book to reflect such a decrease.

SECTION 6. FINALIZATION OF SPECIAL ASSESSMENTS. When the entire Capital Improvements project has both been constructed or otherwise provided to the satisfaction of the Board, the Board shall adopt a resolution accepting the same and determining the actual costs (including financing costs) thereof, as required by Sections 170.08 and 170.09, *Florida Statutes*. Pursuant to the provisions of Section 170.08, *Florida Statutes*, regarding completion of a project funded by a particular series of bonds, the District shall credit to each Assessment the difference, if any, between the Assessment as hereby made, approved and confirmed and the proportionate part of the actual costs of the Capital Improvements, as finally determined upon completion thereof, but in no event shall the final amount of any such special assessment exceed the amount of benefits originally assessed hereunder. In making such credits, no credit shall be given for bond financing costs, capitalized interest, funded reserves or bond discounts. Such credits, if any, shall be entered in the Improvement Lien Book.

SECTION 7. PAYMENT OF SPECIAL ASSESSMENTS AND METHOD OF COLLECTION.

(a) The Assessments may be paid in not more than thirty (30) substantially equal consecutive annual installments of principal and interest. The Assessments may be paid in full without interest at any time within thirty (30) days after the completion of the Capital Improvements and the adoption by the Board of a resolution accepting the Capital Improvements, unless such option has been waived by the owner of the land subject to the Assessments; provided, however, that the Board shall at any time make such adjustments by resolution, at a noticed meeting of the Board, to that payment schedule as may be necessary and in the best interests of the District to account for changes in long and short term debt as actually issued by the District. All impact fee credits received and/or value received for impact fee credits shall be applied against the Capital Improvements costs and/or the outstanding indebtedness of any debt issuance that funded the improvement giving rise to the credits which application may be addressed by such resolutions. At any time subsequent to thirty (30) days after the Capital Improvements have been completed and a resolution accepting the Capital Improvements has been adopted by the Board, the Assessments may be prepaid in full including interest amounts to the next succeeding interest payment date or to the second succeeding interest payment date if such prepayment is made within forty-five (45) calendar days before an interest payment date. The owner of property subject to Assessments may prepay the entire remaining balance of the Assessments at any time, or a portion of the remaining balance of the Assessment one time if there is also paid, in addition to the prepaid principal balance of the Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date,

or, if prepaid during the forty-five day (45) period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of Assessments does not entitle the property owner to any discounts for early payment.

(b) The District may elect to use the method of collecting Assessments authorized by Sections 197.3632 and 197.3635, *Florida Statutes* (the “Uniform Method”). The District has heretofore taken or will use its best efforts to take as timely required, any necessary actions to comply with the provisions of said Sections 197.3632 and 197.3635, *Florida Statutes*. Such Assessments may be subject to all of the collection provisions of Chapter 197, *Florida Statutes*. Notwithstanding the above, in the event the Uniform Method of collecting its special or non-ad valorem assessments is not available to the District in any year, or if determined by the District to be in its best interest, the Assessments may be collected as is otherwise permitted by law. The District may, in its sole discretion, collect Assessments by directly assessing landowner(s) and enforcing said collection in any manner authorized by law.

(c) For the period the District uses the Uniform Method, the District shall enter into an agreement with the Tax Collector of Polk County who may notify each owner of a lot or parcel within the District of the amount of the special assessment, including interest thereon, in the manner provided in Section 197.3635, *Florida Statutes*.

SECTION 8. APPLICATION OF TRUE-UP PAYMENTS.

(a) Pursuant to the Assessment Report, attached hereto as Exhibit B, there may be required from time to time certain true-up payments. As parcels of land or lots are platted, the Assessments securing the Bonds shall be allocated as set forth in the Assessment Report. In furtherance thereof, at such time as parcels or land or lots are platted, it shall be an express condition of the lien established by this Resolution that any and all initial plats of any portion of the lands within the District, as the District’s boundaries may be amended from time to time, shall be presented to the District Manager for review, approval and calculation of the percentage of acres and numbers of units which will be, after the plat, considered to be developed. No further action by the Board of Supervisors shall be required. The District’s review shall be limited solely to this function and the enforcement of the lien established by this Resolution. The District Manager shall cause the Assessments to be reallocated to the units being platted and the remaining property in accordance with Exhibit B, cause such reallocation to be recorded in the District’s Improvement Lien Book, and shall perform the true-up calculations described in Exhibit B, which process is incorporated herein as if fully set forth (the “True-Up Methodology”). Any resulting true-up payment shall become due and payable that tax year by the landowner(s) of record of the remaining unplatted property, in addition to the regular assessment installment payable with respect to such remaining unplatted acres.

(b) The District will take all necessary steps to ensure that true-up payments are made in a timely fashion to ensure its debt service obligations are met. The District shall record all true-up payments in its Improvement Lien Book.

(c) The foregoing is based on the District’s understanding with landowner and/or developer that it intends to develop the unit numbers and types shown in Exhibit B, on the net developable acres and is intended to provide a formula to ensure that the appropriate ratio of the Assessments to gross acres is maintained if fewer units are developed. However, no action by the District prohibits more than the maximum units shown in Exhibit B from being developed. In no event shall the District collect Assessments pursuant to this Resolution in excess of the total debt service related to the Capital Improvements, including all costs of financing and interest. The District recognizes that such events as regulatory requirements and market conditions may affect the timing and scope of the development in the District. If the strict application of the True-Up Methodology to any assessment reallocation pursuant to this paragraph would result in Assessments collected in excess of the District’s total debt service obligation

for the Capital Improvements, the Board shall by resolution take appropriate action to equitably reallocate the Assessments. Further, upon the District's review of the final plat for the developable acres, any unallocated Assessments shall become due and payable and must be paid prior to the District's approval of that plat.

(d) The application of the monies received from true-up payments or Assessments to the actual debt service obligations of the District, whether long term or short term, shall be set forth in the supplemental assessment resolution adopted for each series of Bonds actually issued. Such subsequent resolution shall be adopted at a noticed meeting of the District, and shall set forth the actual amounts financed, costs of issuance, expected costs of collection, and the total amount of the assessments pledged to that issue, which amount shall be consistent with the lien imposed by this Resolution. Each such supplemental resolution shall also address the allocation of any impact fee credits expected to be received from the provision of the project funded by the corresponding series of Bonds issued or to be issued.

SECTION 9. GOVERNMENT PROPERTY; TRANSFERS OF PROPERTY TO UNITS OF LOCAL, STATE, AND FEDERAL GOVERNMENT. Property owned by units of local, state, and federal government shall not be subject to the Assessments without specific consent thereto. If at any time, any real property on which Assessments are imposed by this Resolution is sold or otherwise transferred to a unit of local, state, or federal government (without consent of such governmental unit to the imposition of Assessments thereon), all future unpaid Assessments for such tax parcel shall become due and payable immediately prior to such transfer without any further action of the District.

SECTION 10. ASSESSMENT NOTICE. The District's Secretary is hereby directed to record a general Notice of Assessments in the Official Records of Polk County, Florida, which shall be updated from time to time in a manner consistent with changes in the boundaries of the District.

SECTION 11. SEVERABILITY. If any section or part of a section of this Resolution be declared invalid or unconstitutional, the validity, force and effect of any other section or part of a section of this Resolution shall not thereby be affected or impaired unless it clearly appears that such other section or part of a section of this Resolution is wholly or necessarily dependent upon the section or part of a section so held to be invalid or unconstitutional.

SECTION 12. CONFLICTS. All resolutions or parts thereof in conflict herewith are, to the extent of such conflict, superseded and repealed.

SECTION 13. EFFECTIVE DATE. This Resolution shall become effective upon its adoption.

APPROVED AND ADOPTED this 26th day of July 2022.

**ENGINEER'S REPORT
SCHALLER PRESERVE
COMMUNITY DEVELOPMENT DISTRICT**

I. INTRODUCTION

The Schaller Preserve Community Development District (the “District” or “CDD”) is generally located on the north side of Saddle Creek Rd., approximately three miles east of its intersection with Combee Rd., within Lakeland, Florida (the “City”). The District currently contains approximately 203.0 acres and is expected to consist of approximately 415 single family lots, recreation/amenity areas, and associated public infrastructure.

The CDD was established by City Ordinance No. 2022-037 which was approved by the City Commission on May 17, 2022. The District will own and operate the onsite public roadways and stormwater management facilities, as well as the landscape, irrigation, signage, and recreational facilities within the development.

Public improvements and facilities financed, acquired, and/or constructed by the District will be designed and constructed to conform to regulatory criteria from the City of Auburndale Water & Sewer Utilities, Polk County, Florida (the “County”), Southwest Florida Water Management District (SWFWMD), and other applicable agencies with regulatory jurisdiction over the development, defined below. Any public improvements or facilities acquired by the District will be at the lesser of actual cost of construction or fair market value. An overall estimate of probable cost of the public improvements is provided in Exhibit 7 of this report.

This “Engineer’s Report for Capital Improvements” or “Report” reflects the present intentions of the District and the landowners. It should be noted that the location of proposed facilities and improvements may be adjusted during the final design, permitting, and implementation phases. It should also be noted that these modifications are not expected to diminish the benefits received by the developable land within the District. The District reserves the right to make reasonable adjustments to this Report to meet applicable regulatory requirements of agencies with jurisdiction over the development, while maintaining comparable levels of benefit to the developable lands

served by the improvements. Changes and modifications are expected as changes in regulatory criteria are implemented.

Implementation of any proposed facilities or improvements outlined in this Report requires approval from the District's Board of Supervisors. Estimated costs outlined in this Report are based on best available information, which includes but is not limited to previous experience with similar projects. Actual costs could be different than estimates because final engineering and specific field conditions may affect construction costs.

All roadway improvements including sidewalks in the right-of-way and storm drainage collection systems (from the curb inlets to their connection to the stormwater ponds) within the development, with the exception of all improvements to be included within the Saddle Creek Rd. right-of-way, will be maintained by the District. Water distribution, wastewater collection systems (gravity lines, force mains, and non-private lift stations), and all improvements within Saddle Creek right-of-way will, upon completion, be dedicated to the City of Auburndale/Polk County for ownership and maintenance.

II. PURPOSE AND SCOPE

The purpose of this Report is to provide engineering support to fund improvements in the District. This Report will identify the proposed public infrastructure to be constructed or acquired by the District along with an opinion of probable cost.

Contained within this Report is a brief description of the public infrastructure to be constructed or acquired by the District. The District will finance, construct, acquire, operate, and maintain all or specific portions of the proposed public infrastructure. An assessment methodology consultant has been retained by the District, who will develop the assessment and financing methodology to be applied using this Report.

The predominant portion of this Report provides descriptions of the proposed public infrastructure improvements, determination of estimated probable construction costs, and the corresponding benefits associated with the implementation of the described improvements. Detailed site construction plans and specifications have not yet been completed and permitted for the improvements described herein. The engineer has considered, and in specific instances has relied upon, the information and documentation

prepared or supplied by others, and information that may have been provided by public entities, public employees, the landowner, site construction contractors, other engineering professionals, land surveyors, and the District Board of Supervisors, including its staff and consultants.

III. THE DEVELOPMENT

The development will consist of 415 single family homes and associated infrastructure. The development is a planned residential community located east of Combee Rd. and north of Saddle Creek within the City. The property has a Polk County land use designation of RS (Residential Suburban) and will have a zoning of SPD (Suburban Planned Development). The development is anticipated to be constructed in two phases.

IV. THE CAPITAL IMPROVEMENTS

The Capital Improvement Plan, (the "CIP"), consists of public infrastructure necessary to support residential development. The primary portions of the CIP will entail stormwater pond construction, roadways built to an "urban" typical section, water and sewer facilities and off-site improvements (including turn lanes / intersection improvements and extension of water and sewer mains to serve the development).

There will also be stormwater structures and conveyance culverts within the CIP which will outfall into the on-site retention ponds. These structures and pond areas comprise the overall stormwater facilities of the CIP. Installation of the water distribution and wastewater collection system will occur as needed. Below ground installation of telecommunications and cable TV will occur but will not be funded by the District.

As a part of the recreational component of the CIP, a public park/amenity center will be constructed within the development. The public park/amenity center will have connectivity via sidewalks to each portion of the District. The public park/amenity center will be accessed by the public roadways and sidewalks.

V. CAPITAL IMPROVEMENT PLAN COMPONENTS

The Capital Improvement Plan includes the following:

Stormwater Management Facilities

Stormwater management facilities consisting of storm conveyance systems and retention ponds are contained within the District boundaries. Stormwater will runoff via roadway curb and gutter to storm inlets. Storm culverts convey the runoff into the proposed retention ponds for water quality treatment and attenuation. The proposed stormwater systems will utilize a combination of wet and dry retention for biological pollutant assimilation to achieve water quality treatment. The design criteria for the District's stormwater management systems is regulated by the City, the County, and the SWFWMD. There are existing jurisdictional wetlands within the District.

Federal Emergency Management Agency Flood Insurance Rate Map (FEMA FIRM) Panel No. 12105C0530G demonstrates that the property is located within Flood Zone X and AE. Based on this information and the site topography, floodplain compensation may be required.

During the construction of stormwater management facilities, utilities and roadway improvements, the District or its contractors will be required to adhere to a *Stormwater Pollution Prevention Plan* (SWPPP) as required by Florida Department of Environmental Protection (FDEP) as delegated by the Environmental Protection Agency (EPA). The SWPPP will be prepared to depict for the contractor the proposed locations of required erosion control measures and staked turbidity barriers specifically along the down gradient side of any proposed construction activity. The site contractor will be required to provide the necessary reporting on various forms associated with erosion control, its maintenance and any rainfall events that occur during construction activity

Public Roadways

The "internal" proposed public roadway sections are to be 40' rights-of-way with 20' of asphalt and Miami curb and gutter on both sides. The proposed roadway section will consist of stabilized subgrade, lime rock/crushed concrete base, and asphalt wearing surface. The proposed curb is to be 2' wide and placed along the edge of the proposed roadway section for purposes of protecting the integrity of the pavement and also to provide stormwater runoff conveyance to the proposed stormwater inlets.

Water and Wastewater Facilities

A potable water system inclusive of water main, gate valves, fire hydrants and appurtenances will be installed for the development. The water service provider will be the City of Auburndale Utilities. These facilities will be installed within the proposed public rights-of-way within the District and within existing public right-of-ways adjacent to the District. This water will provide potable (domestic) and fire protection services which will serve the lands within the District.

A domestic wastewater collection system inclusive of gravity sanitary sewer mains and sewer laterals will be installed. The gravity sanitary sewer mains will be 8" diameter PVC. The gravity sanitary sewer lines will be placed inside of the proposed public rights-of-way, under the proposed paved roadways. Branching off from these sewer lines will be laterals to serve the individual lots. A lift station or lift stations will transport wastewater flow from the lift stations, via an anticipated 6" force main to connect to the existing system along Saddle Creek Rd.

Off-Site Improvements

The District will provide funding for the anticipated turn lane(s) and offsite roadway improvements necessary at the development entrance. Anticipated improvements include a left and right turn lane at the project's entrance. Upon completion of these improvements, inspection/certifications will be obtained from the SWFWMD; the Polk County Health Department (water distribution system), Florida Department of Environmental Protection (FDEP) (wastewater collection) and the City/County.

Amenities and Parks

The District will provide funding for an Amenity Center to include the following: parking area, amenity building with restrooms, pool, and walking trails. All paths, parks, etc. discussed in this paragraph are available to the general public.

Electric and Lighting

The electric distribution system serving the development is currently planned to be underground. The District presently intends to fund and construct the electric conduit, transformer/cabinet pads, and electric manholes required by TECO/City of Lakeland

Electric to underground such systems on public right of way. Electric facilities funded by the District will be owned and maintained by the District, with TECO/City of Lakeland Electric providing underground electrical service to the development. The CDD presently intends to purchase and install the street lighting along the internal roadways within the CDD. These lights are presently anticipated to be owned, operated, and maintained by the District. Alternatively, the District may fund and install the necessary electrical conduit and enter into an agreement with TECO/City of Lakeland Electric for the street lights.

Entry Feature, Landscaping, and Irrigation

Landscaping, irrigation, entry features and walls at the entrances and along the outside boundary of the development will be provided by the District. The irrigation system will utilize potable water or wells. Landscaping for the roadways will consist of sod, annual flowers, shrubs, ground cover and trees for the internal roadways within the development. These items will be funded, owned and maintained by the CDD.

Miscellaneous

The stormwater improvements, landscaping and irrigation, recreational improvements, street lighting, and certain permits and professional fees as described in this report, are being financed by the District with the intention for benefiting all of the developable real property within the District. The construction and maintenance of the proposed public improvements will benefit the development for the intended use as a single-family planned development.

VI. PERMITTING

Construction permits for all phases are required and include the SWFWMD Environmental Resource Permit (ERP), Polk County Health Department, Florida Department of Environmental Protection (FDEP), Polk County Level II, and City of Auburndale water and sewer construction plan approval.

Following is a summary of required permits obtained and pending for the construction of the public infrastructure improvements for the District:

Permits / Approvals	Approval / Expected Date
Zoning Approval	September 2021
SWFWMD ERP	September 2022
Construction Permits (City)	September 2022
Polk County Health Department Water	September 2022
FDEP Sewer	September 2022
FDEP NOI	October 2022

VII. RECOMMENDATION

As previously described within this Report, the public infrastructure as described is necessary for the development and functional operation as required by Polk County and other applicable local governments/regulatory agencies. The site planning, engineering design, and construction plans for the infrastructure are to be in accordance with the applicable requirements of Polk County, City of Auburndale, and the SWFWMD. It should be noted that the infrastructure will provide its intended use and function so long as the construction and installation is in substantial conformance with the design construction plans and regulatory permits.

Items utilized in the *Opinion of Probable Costs* for this report are based upon anticipated improvements to be necessary for this development to meet the most current SWFWMD, Polk County, and the City of Auburndale regulations.

VIII. REPORT MODIFICATION

During development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans. However, if such deviations and/or revisions do not change the overall primary objective of the plan for such improvements, then the costs differences would not materially affect the proposed cost estimates.

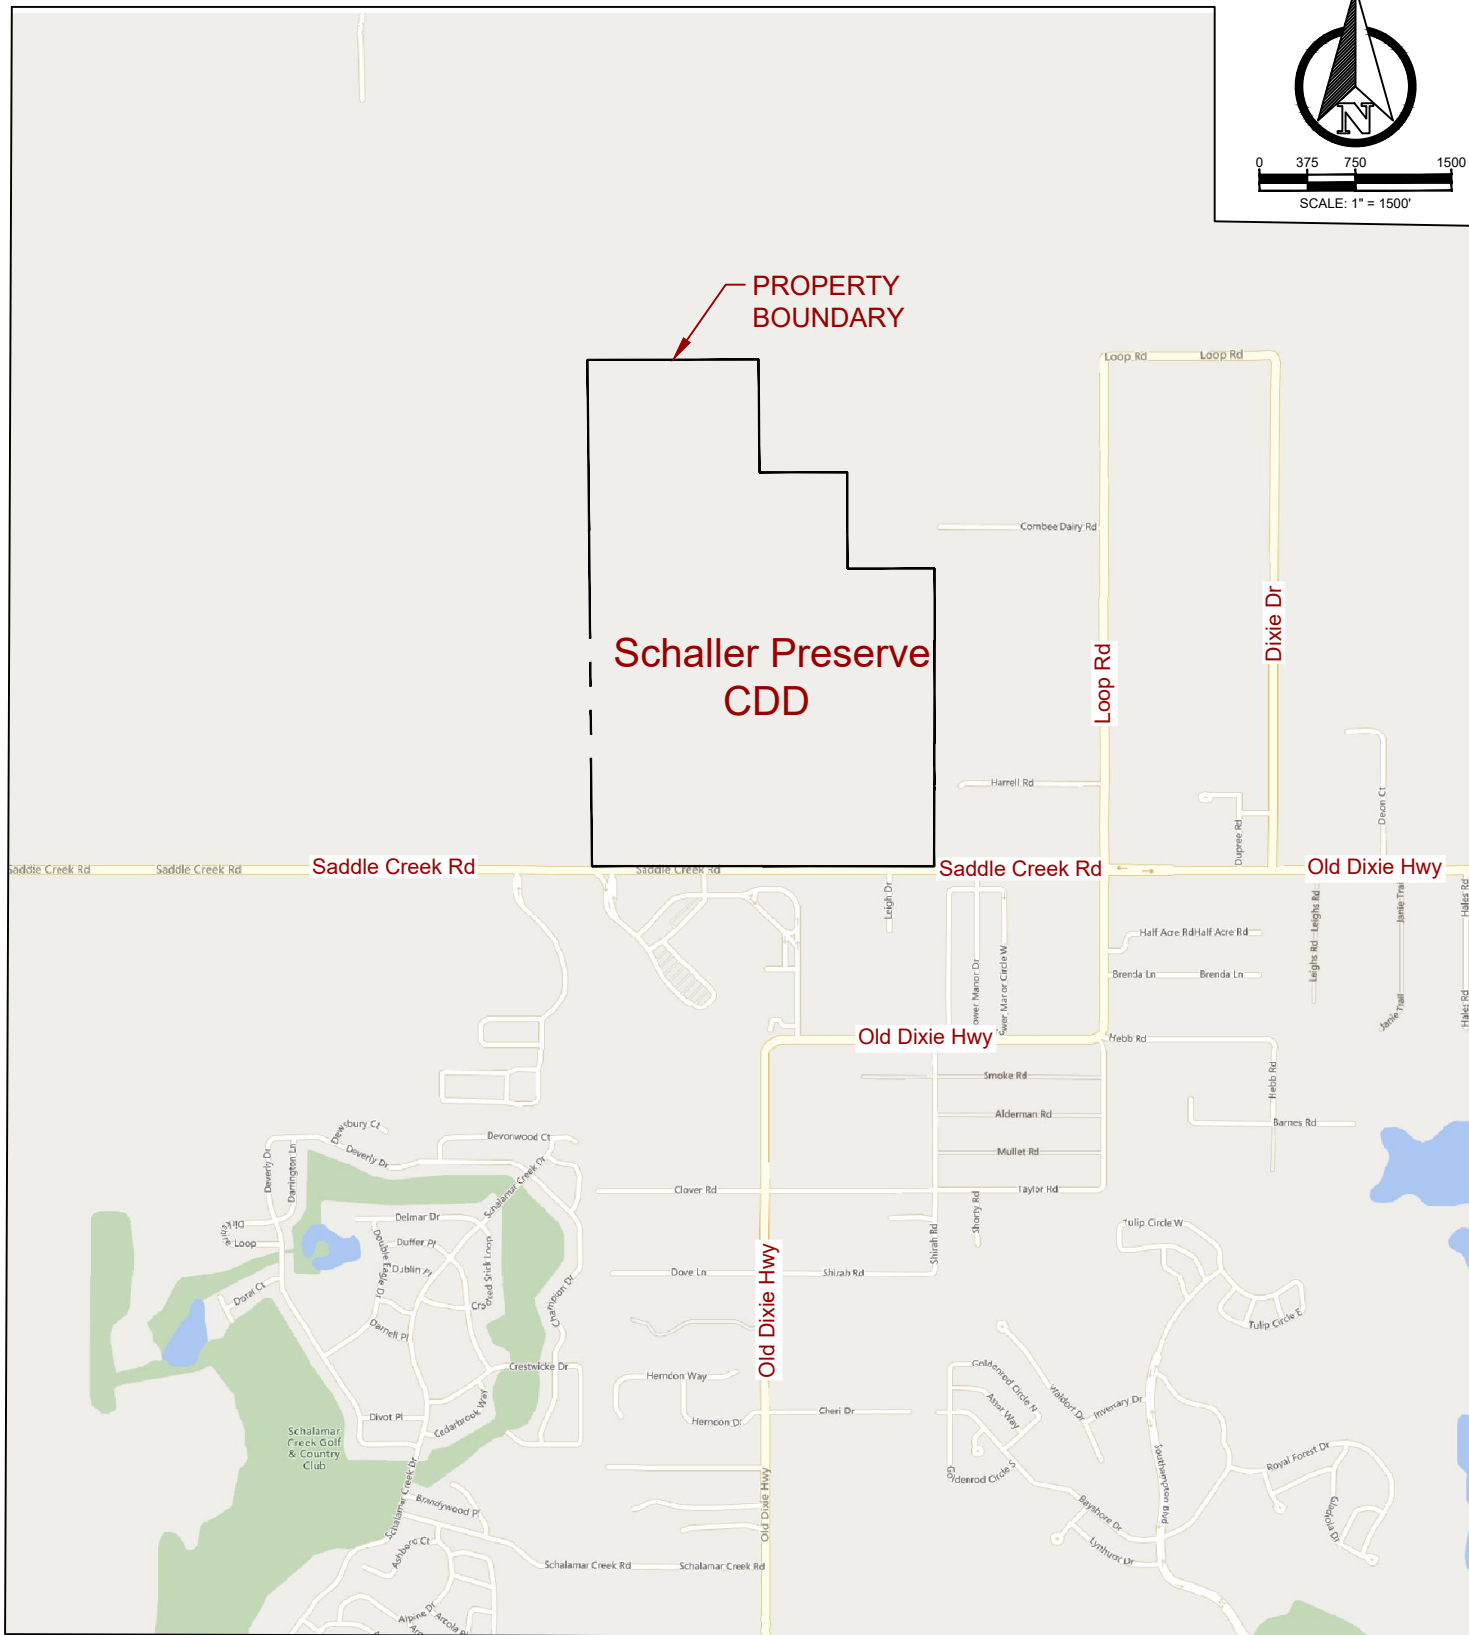

IX. CONCLUSION

It is our professional opinion that the public infrastructure costs for the CIP provided in this Report are reasonable to complete the construction of the public infrastructure improvements. Furthermore, the public infrastructure improvements will benefit and add

value to lands within the District at least equal to the costs of such improvements.

The *Opinion of Probable Costs* of the public infrastructure improvements is only an estimate and is not a guaranteed maximum price. The estimated costs are based upon unit prices currently experienced on an ongoing and similar basis for work in the County. However, labor market, future costs of equipment, materials, changes to the regulatory permitting agencies activities, and the actual construction processes employed by the chosen site contractor are beyond the engineer's control. Due to this inherent opportunity for changes (upward or downward) in the construction costs, the total, final construction cost may be more or less than this estimate.

Based upon the presumption that the CIP construction continues in a timely manner, it is our professional opinion that the proposed public infrastructure improvements when constructed and built in substantial conformance with the approved plans and specifications, can be completed and used for their intended function. Be advised that we have utilized historical costs and direct unit costs from site contractors and consultants in the County, which we believe to be necessary in order to facilitate accuracy associated with the *Opinion of Probable Costs*. Based upon the information above, it is our professional opinion that the acquisition and construction costs of the proposed CIP can be completed at the cost as stated.

SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT
SUMMARY OF OPINION OF PROBABLE COSTS

Number of Lots	<u>210</u>	<u>205</u>	<u>415</u>
Infrastructure ⁽¹⁾	Phase 1 (2022-2024)	Phase 2 (2022-2026)	Total
Offsite Improvements ^{(6) (7)}	\$ 945,000	\$ 922,500	\$ 1,867,500
Stormwater Management ⁽²⁾⁽³⁾⁽⁵⁾⁽⁷⁾	\$ 2,625,000	\$ 1,947,450	\$ 4,572,450
Utilities (Water, Sewer, Re-use & Street Lighting) ⁽⁵⁾⁽⁷⁾⁽⁹⁾	\$ 1,995,000	\$ 1,948,100	\$ 3,943,100
Roadway ⁽⁴⁾⁽⁷⁾	\$ 1,155,000	\$ 1,127,100	\$ 2,282,100
Entry Feature & Signage ⁽⁷⁾⁽⁸⁾	\$ 315,000	\$ 205,000	\$ 520,000
Park and Recreational Facilities ⁽⁷⁾	\$ 945,000	\$ 307,196	\$ 1,252,196
Contingency	\$ 945,000	\$ 676,100	\$ 1,621,100
TOTAL	\$ 8,925,000	\$ 7,133,446	\$ 16,058,446

Notes:

1. Infrastructure consists of public roadway improvements, stormwater management facilities, master sanitary sewer and utilities, entry feature, landscaping and signage, and parks and recreational facilities.
2. Excludes grading of each lot both for initial pad construction and in conjunction with home construction, which will be provided by developer or homebuilder.
3. Includes stormwater pond excavation. Costs do not include transportation to or placement of fill on private property.
4. Includes sub-grade, base, asphalt paving, curbing, and civil/site engineering
5. Includes subdivision infrastructure and civil/site engineering.
6. Offsite Improvements include turn lanes/intersection improvements and extension of offsite utilities.
7. Estimates are based on 2022 costs with common costs allocated to each phase.
8. Includes entry features, signage, hardscape, landscape, irrigation and walls.
9. CDD will enter into a Lighting Agreement with Lakeland Electric for the street light poles and lighting service. Only undergrounding of wire in public right-of-way and on District land is included.
10. Estimates based on Master Infrastructure to support development of 415 lots.

GMS-CF, LLC does not represent the Schaller Preserve Community Development District as a Municipal Advisor or Securities Broker nor is GMS-CF, LLC registered to provide such services as described in Section 15B of the Securities and Exchange Act of 1934, as amended. Similarly, GMS-CF, LLC does not provide the Schaller Preserve Community Development District with financial advisory services or offer investment advice in any form.

1.0 Introduction

The Schaller Preserve Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes (the “District”), as amended. The District plans to issue up to \$20,880,000 of tax exempt bonds in one or more series (the “Bonds”) for the purpose of financing certain infrastructure improvements within the District, more specifically described in the Master Engineer’s Report dated May 24, 2022 prepared by Gadd & Associates, LLC as may be amended and supplemented from time to time (the “Engineer’s Report”). The District anticipates the construction of public infrastructure improvements consisting of improvements that benefit property owners within the District.

1.1 Purpose

This Master Assessment Methodology Report (the “Assessment Report”) provides for an assessment methodology for allocating the debt to be incurred by the District to benefiting properties within the District. This Assessment Report allocates the debt to properties based on the special benefits each receives from the District’s capital improvement plan (“CIP”). This Assessment Report will be supplemented with one or more supplemental methodology reports to reflect the actual terms and conditions at the time of the issuance of each series of Bonds. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non ad valorem special assessments on the benefited lands within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

1.2 Background

The District currently includes approximately 203 acres within the City of Auburndale, Polk County, Florida. The development program currently envisions approximately 415 residential units (herein the “Development”). The proposed Development program is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District in the CIP will provide facilities that benefit certain property within the District. The CIP is delineated in the Engineer’s Report. Specifically, the District will construct and/or acquire certain

offsite improvements, stormwater management, utilities (water, sewer, re-use & lighting), roadway, entry & signage, parks & recreational facilities, and contingency. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the CIP.
2. The District Engineer determines the assessable acres that benefit from the District's CIP.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct CIP.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the assessable property, different in kind and degree than general benefits, for properties outside its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the District. The implementation of the CIP enables properties within its boundaries to be developed. Without the District's CIP, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within the District would be prohibited by law.

There is no doubt that the general public and property owners outside the District will benefit from the provision of the District's CIP. However, these benefits will be incidental to the District's CIP, which is designed solely to meet the needs of property within the District. Properties outside the District boundaries do not depend upon the District's CIP. The property owners within the District are therefore receiving special benefits not received by those outside the District's boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of special assessments that meet these two requirements for valid special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's CIP that is necessary to support full development of property will cost approximately \$16,058,446. The District's Underwriter projects that financing costs required to fund the infrastructure improvements, including project costs, the cost of issuance of the Bonds, the funding of debt service reserves and capitalized interest, will be approximately \$20,880,000. Additionally, funding required to complete the CIP which is not financed with Bonds will be funded by the Developer or a related entity. Without the CIP, the property would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District is planning to issue up to \$20,880,000 in Bonds, in one or more series to fund the District's CIP, provide for capitalized interest, a debt service reserve account and cost of issuance. It is the purpose of this Assessment Report to allocate the \$20,880,000 in debt to the properties benefiting from the CIP.

Table 1 identifies the proposed land uses as identified by the Developer and current landowners of the land within the District. The District has relied on the Engineer's Report to develop the costs of the CIP needed to support the Development, these construction costs are outlined in Table 2. The improvements needed to support the Development are described in detail in the Engineer's Report and are estimated to cost \$16,058,446. Based on the estimated costs, the size of the Bond issue under current market conditions needed to generate funds to pay for the CIP and related costs was determined by the District's Underwriter to total approximately \$20,880,000. Table 3 shows the breakdown of the bond sizing.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan is completed. The CIP funded by District Bonds benefits all developable acres within the District.

The initial assessments will be levied on an equal basis to all acres within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the District are benefiting from the improvements.

Once platting, the assignment of development rights, or the recording of declaration of condominium, (“Assigned Properties”) has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive. The Unassigned Properties, defined as property that has not been platted, assigned development rights or subjected to a declaration of condominium, will continue to be assessed on a per acre basis (“Unassigned Properties”). Eventually the development plan will be completed and the debt relating to the Bonds will be allocated to the planned 415 residential units within the District, which are the beneficiaries of the CIP, as depicted in Table 5 and Table 6. If there are changes to the development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

2.3 Allocation of Benefit

The CIP consists of offsite improvements, stormwater management, utilities (water, sewer, re-use & lighting), roadway, entry & signage, parks & recreational facilities, and contingency. There is one residential product types within the planned development. The single family home has been set as the base unit and has been assigned one equivalent residential unit (“ERU”). Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed CIP will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management, utilities (water, sewer, re-use & lighting), roadway, entry & signage, parks & recreational facilities, and contingency. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the improvements in fact actually provided.

For the provision of CIP, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable, but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's CIP have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold as planned, and the entire proposed CIP is developed or acquired and financed by the District.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no adjustment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

4.0 Assessment Roll

The District will initially distribute the liens across the property within the District boundaries on a gross acreage basis. As Assigned Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Table 6 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land in the District prior to the time final Assigned Properties become known. At this time the debt associated with the District's CIP will be distributed evenly across the acres within the District. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Assessment Report. The current assessment roll is depicted in Table 7.

DESCRIPTION: PARCEL 1 TENOROC DEVELOPMENT (by GeoPoint Surveying, Inc)

A parcel of land lying in Section 1, Township 28 South, Range 24 East and Section 6, Township 28 South, Range 25 East, Polk County, Florida, and being more particularly described as follows:

BEGIN at the Northeast corner of said Section 1, also being the Northwest corner of said Section 6; thence along the East line of said Section 1, also being the West line of said Section 6, S 00°42'51" W, a distance of 874.00 feet; thence leaving said Section line, N 89°42'46" E, a distance of 655.99 feet; thence S 00°17'14" E, a distance of 750.10 feet; thence N 89°42'46" E, a distance of 661.31 feet to the East line of the West 1/4 of Said Section 6; thence along said East line of the West 1/4, S 00°14'05" W, a distance of 1050.93 feet; thence S 00°11'48" W, a distance of 1282.25 feet to the North right-of-way line of Saddle Creek Road (70' Public right-of-way) as recorded in Map Book 2, Page 82 of the Public Records of Polk County, Florida; thence along said North right-of-way line, S 89°59'34" W, a distance of 2649.77 feet; thence leaving said North right-of-way line, along the West line of the East 1/4 of said Section 1, N 00°01'50" E, a distance of 3946.93 feet to the North line of said Section 1; thence along the North line of said Section 1, N 89°49'50" E, a distance of 1346.23 feet to the **POINT OF BEGINNING**.

Containing 203.000 acres,

SECTION B

SECTION 1

RESOLUTION 2022-37

RESOLUTION OF THE BOARD OF SUPERVISORS OF THE SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT EXPRESSING ITS INTENT TO UTILIZE THE UNIFORM METHOD OF LEVYING, COLLECTING, AND ENFORCING NON-AD VALOREM ASSESSMENTS WHICH MAY BE LEVIED BY THE SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT IN ACCORDANCE WITH SECTION 197.3632, FLORIDA STATUTES; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Schaller Preserve Community Development District (“District”) was established pursuant to the provisions of Chapter 190, *Florida Statutes*, which authorizes the District to levy certain assessments which include benefit and maintenance assessments and further authorizes the District to levy special assessments pursuant to Chapters 170 and 197, *Florida Statutes*, for the acquisition, maintenance, construction, or reconstruction of assessable improvements authorized by Chapter 190, *Florida Statutes*; and

WHEREAS, the above referenced assessments are non-ad valorem in nature and, therefore, may be levied and collected under the provisions of Section 197.3632, *Florida Statutes*, in which the State of Florida has provided a uniform method for the levying, collecting, and enforcing such non-ad valorem assessments (“Uniform Method”); and

WHEREAS, pursuant to Section 197.3632, *Florida Statutes*, the District has caused notice of a public hearing to be advertised weekly in a newspaper of general circulation within Polk County for four (4) consecutive weeks prior to such hearing.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. The Schaller Preserve Community Development District, upon conducting its public hearing as required by Section 197.3632, *Florida Statutes*, hereby expresses its need and intent to use the Uniform Method of collecting assessments imposed by the District over the lands described in **Exhibit A**, as provided in Chapters 170 and 190, *Florida Statutes*, each of which are non-ad valorem assessments which may be collected annually pursuant to the provisions of Chapter 190, *Florida Statutes*, for the purpose of paying principal and interest on any and all of its indebtedness and for the purpose of paying the cost of operating and maintaining its assessable improvements. The legal description of the boundaries of the real property subject to a levy of assessments is attached and made a part of this Resolution as **Exhibit A**. The non-ad valorem assessments and the District’s use of the uniform method of collecting its non-ad valorem assessment(s) may continue in any given year when the Board of Supervisors determines that use of the uniform method for that year is in the best interests of the District.

SECTION 2. The District’s Secretary is authorized to provide the Property Appraiser and Tax Collector of Polk County and the Department of Revenue of the State of Florida with a copy of this Resolution and enter into any agreements with the Property Appraiser and/or Tax Collector necessary to carry out the provisions of this Resolution.

SECTION 3. If any provision of this Resolution is held to be illegal or invalid, the other provisions shall remain in full force and effect.

SECTION 4. This Resolution shall become effective upon its passage and shall remain in effect unless rescinded or repealed.

PASSED AND ADOPTED this 26th day of July, 2022.

RESOLUTION 2022-38

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE
SCHALLER PRESERVE COMMUNITY DEVELOPMENT
DISTRICT ADOPTING RULES OF PROCEDURE; PROVIDING A
SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE
DATE.**

WHEREAS, the Schaller Preserve Community Development District (“District”) is a local unit of special purpose government created and existing pursuant to Chapter 190, *Florida Statutes*, being situated entirely within unincorporated Polk County, Florida; and

WHEREAS, Chapter 190, *Florida Statutes*, authorizes the District to adopt rules to govern the administration of the District and to adopt resolutions as may be necessary for the conduct of District business; and

WHEREAS, to provide for efficient and effective District operations and to maintain compliance with Florida law, the Board of Supervisors finds that it is in the best interests of the District to adopt by resolution the Rules of Procedure attached hereto as **Exhibit A** for immediate use and application; and

WHEREAS, the Board of Supervisors has complied with applicable Florida law concerning rule development and adoption.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF
SUPERVISORS OF THE SCHALLER PRESERVE COMMUNITY
DEVELOPMENT DISTRICT:**

SECTION 1. The attached Rules of Procedure are hereby adopted pursuant to this Resolution as necessary for the conduct of District business. These Rules of Procedure shall stay in full force and effect until such time as the Board of Supervisors may amend these rules in accordance with Chapter 190, *Florida Statutes*.

SECTION 2. If any provision of this Resolution is held to be illegal or invalid, the other provisions shall remain in full force and effect.

SECTION 3. This Resolution shall become effective upon its passage and shall remain in effect unless rescinded or repealed.

Rule 1.0 General.

- (1) The Schaller Preserve Community Development District (“District”) was created pursuant to the provisions of Chapter 190 of the Florida Statutes, and was established to provide for the ownership, operation, maintenance, and provision of various capital facilities and services within its jurisdiction. The purpose of these rules (“Rules”) is to describe the general operations of the District.
- (2) Definitions located within any section of these Rules shall be applicable within all other sections, unless specifically stated to the contrary.
- (3) Unless specifically permitted by a written agreement with the District, the District does not accept documents filed by electronic mail or facsimile transmission. Filings are only accepted during normal business hours.
- (4) A Rule of the District shall be effective upon adoption by affirmative vote of the District Board. After a Rule becomes effective, it may be repealed or amended only through the rulemaking procedures specified in these Rules. Notwithstanding, the District may immediately suspend the application of a Rule if the District determines that the Rule conflicts with Florida law. In the event that a Rule conflicts with Florida law and its application has not been suspended by the District, such Rule should be interpreted in the manner that best effectuates the intent of the Rule while also complying with Florida law. If the intent of the Rule absolutely cannot be effectuated while complying with Florida law, the Rule shall be automatically suspended.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 190.011(5), 190.011(15), Fla. Stat.

Rule 1.1 Board of Supervisors; Officers and Voting.

- (1) Board of Supervisors. The Board of Supervisors of the District (“Board”) shall consist of five (5) members. Members of the Board (“Supervisors”) appointed by ordinance or rule or elected by landowners must be citizens of the United States of America and residents of the State of Florida. Supervisors elected or appointed by the Board to elector seats must be citizens of the United States of America, residents of the State of Florida and of the District and registered to vote with the Supervisor of Elections of the county in which the District is located and for those elected, shall also be qualified to run by the Supervisor of Elections. The Board shall exercise the powers granted to the District under Florida law.
 - (a) Supervisors shall hold office for the term specified by Section 190.006 of the Florida Statutes. If, during the term of office, any Board member(s) vacates their office, the remaining member(s) of the Board shall fill the vacancies by appointment for the remainder of the term(s). If three or more vacancies exist at the same time, a quorum, as defined herein, shall not be required to appoint replacement Board members.
 - (b) Three (3) members of the Board shall constitute a quorum for the purposes of conducting business, exercising powers and all other purposes. A Board member shall be counted toward the quorum if physically present at the meeting, regardless of whether such Board member is prohibited from, or abstains from, participating in discussion or voting on a particular item.
 - (c) Action taken by the Board shall be upon a majority vote of the members present, unless otherwise provided in the Rules or required by law. Subject to Rule 1.3(10), a Board member participating in the Board meeting by teleconference or videoconference shall be entitled to vote and take all other action as though physically present.
 - (d) Unless otherwise provided for by an act of the Board, any one Board member may attend a mediation session on behalf of the Board. Any agreement resulting from such mediation session must be approved pursuant to subsection (1)(c) of this Rule.
- (2) Officers. At the first Board meeting held after each election where the newly elected members take office, the Board shall select a Chairperson, Vice-Chairperson, Secretary, Assistant Secretary, and Treasurer.
 - (a) The Chairperson must be a member of the Board. If the Chairperson resigns from that office or ceases to be a member of the Board, the Board shall select a Chairperson. The Chairperson serves at the pleasure of the Board. The Chairperson shall be authorized to execute resolutions and contracts on the District’s behalf. The Chairperson shall convene and conduct all meetings of the Board. In the event the Chairperson is unable

to attend a meeting, the Vice-Chairperson shall convene and conduct the meeting. The Chairperson or Vice-Chairperson may delegate the responsibility of conducting the meeting to the District's manager ("District Manager") or District Counsel, in whole or in part.

- (b) The Vice-Chairperson shall be a member of the Board and shall have such duties and responsibilities as specifically designated by the Board from time to time. The Vice-Chairperson has the authority to execute resolutions and contracts on the District's behalf in the absence of the Chairperson. If the Vice-Chairperson resigns from office or ceases to be a member of the Board, the Board shall select a Vice-Chairperson. The Vice-Chairperson serves at the pleasure of the Board.
- (c) The Secretary of the Board serves at the pleasure of the Board and need not be a member of the Board. The Secretary shall be responsible for maintaining the minutes of Board meetings and may have other duties assigned by the Board from time to time. An employee of the District Manager may serve as Secretary. The Secretary shall be bonded by a reputable and qualified bonding company in at least the amount of one million dollars (\$1,000,000), or have in place a fidelity bond, employee theft insurance policy, or a comparable product in at least the amount of one million dollars (\$1,000,000) that names the District as an additional insured.
- (d) The Treasurer need not be a member of the Board but must be a resident of the State of Florida. The Treasurer shall perform duties described in Section 190.007(2) and (3) of the Florida Statutes, as well as those assigned by the Board from time to time. The Treasurer shall serve at the pleasure of the Board. The Treasurer shall either be bonded by a reputable and qualified bonding company in at least the amount of one million dollars (\$1,000,000), or have in place a fidelity bond, employee theft insurance policy, or a comparable product in at least the amount of one million dollars (\$1,000,000) that names the District as an additional insured.
- (e) In the event that both the Chairperson and Vice-Chairperson are absent from a Board meeting and a quorum is present, the Board may designate one of its members or a member of District staff to convene and conduct the meeting. In such circumstances, any of the Board members present are authorized to execute agreements, resolutions, and other documents approved by the Board at such meeting. In the event that the Chairperson and Vice-Chairperson are both unavailable to execute a document previously approved by the Board, the Secretary or any Assistant Secretary may execute such document.

- (f) The Board may assign additional duties to District officers from time to time, which include, but are not limited to, executing documents on behalf of the District.
 - (g) The Chairperson, Vice-Chairperson, and any other person authorized by District Resolution may sign checks and warrants for the District, countersigned by the Treasurer or other persons authorized by the Board.
- (3) Committees. The Board may establish committees of the Board, either on a permanent or temporary basis, to perform specifically designated functions. Committees may include individuals who are not members of the Board. Such functions may include, but are not limited to, review of bids, proposals, and qualifications, contract negotiations, personnel matters, and budget preparation.
- (4) Record Book. The Board shall keep a permanent record book entitled "Record of Proceedings," in which shall be recorded minutes of all meetings, resolutions, proceedings, certificates, and corporate acts. The Records of Proceedings shall be located at a District office and shall be available for inspection by the public.
- (5) Meetings. For each fiscal year, the Board shall establish a schedule of regular meetings, which shall be published in a newspaper of general circulation in the county in which the District is located and filed with the local general-purpose governments within whose boundaries the District is located. All meetings of the Board and Committees serving an advisory function shall be open to the public in accord with the provisions of Chapter 286 of the Florida Statutes.
- (6) Voting Conflict of Interest. The Board shall comply with Section 112.3143 of the Florida Statutes, so as to ensure the proper disclosure of conflicts of interest on matters coming before the Board for a vote. For the purposes of this section, "voting conflict of interest" shall be governed by the Florida Constitution and Chapters 112 and 190 of the Florida Statutes, as amended from time to time. Generally, a voting conflict exists when a Board member is called upon to vote on an item which would inure to the Board member's special private gain or loss or the Board member knows would inure to the special private gain or loss of a principal by whom the Board member is retained, the parent organization or subsidiary of a corporate principal, a business associate, or a relative including only a father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, and daughter-in-law.
 - (a) When a Board member knows the member has a conflict of interest on a matter coming before the Board, the member should notify the Board's Secretary prior to participating in any discussion with the Board on the matter. The member shall publicly announce the conflict of interest at the meeting. This announcement shall appear in the minutes.

If the Board member was elected at a landowner's election or appointed to fill a vacancy of a seat last filled at a landowner's election, the Board member may vote or abstain from voting on the matter at issue. If the Board member was elected by electors residing within the District, the Board member is prohibited from voting on the matter at issue. In the event that the Board member intends to abstain or is prohibited from voting, such Board member shall not participate in the discussion on the item subject to the vote.

The Board's Secretary shall prepare a Memorandum of Voting Conflict (Form 8B) which shall then be signed by the Board member, filed with the Board's Secretary, and provided for attachment to the minutes of the meeting within fifteen (15) days of the meeting.

- (b) If a Board member inadvertently votes on a matter and later learns he or she has a conflict on the matter, the member shall immediately notify the Board's Secretary. Within fifteen (15) days of the notification, the member shall file the appropriate Memorandum of Voting Conflict, which will be attached to the minutes of the Board meeting during which the vote on the matter occurred. The Memorandum of Voting Conflict shall immediately be provided to other Board members and shall be read publicly at the next meeting held subsequent to the filing of the Memorandum of Voting Conflict. The Board member's vote is unaffected by this filing.
- (c) It is not a conflict of interest for a Board member, the District Manager, or an employee of the District to be a stockholder, officer or employee of a landowner or of an entity affiliated with a landowner.
- (d) In the event that a Board member elected at a landowner's election or appointed to fill a vacancy of a seat last filled at a landowner's election, has a continuing conflict of interest, such Board member is permitted to file a Memorandum of Voting Conflict at any time in which it shall state the nature of the continuing conflict. Only one such continuing Memorandum of Voting Conflict shall be required to be filed for each term the Board member is in office.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 112.3143, 190.006, 190.007, Fla. Stat.

Rule 1.2 District Offices; Public Information and Inspection of Records; Policies; Service Contract Requirements; Financial Disclosure Coordination.

- (1) District Offices. Unless otherwise designated by the Board, the official District office shall be the District Manager's office identified by the District Manager. If the District Manager's office is not located within the county in which the District is located, the Board shall designate a local records office within such county which shall at a minimum contain, but not be limited to, the following documents:
- (a) Agenda packages for prior 24 months and next meeting;
 - (b) Official minutes of meetings, including adopted resolutions of the Board;
 - (c) Names and addresses of current Board members and District Manager, unless such addresses are protected from disclosure by law;
 - (d) Adopted engineer's reports;
 - (e) Adopted assessment methodologies/reports;
 - (f) Adopted disclosure of public financing;
 - (g) Limited Offering Memorandum for each financing undertaken by the District;
 - (h) Proceedings, certificates, bonds given by all employees, and any and all corporate acts;
 - (i) District policies and rules;
 - (j) Fiscal year end audits; and
 - (k) Adopted budget for the current fiscal year.

The District Manager shall ensure that each District records office contains the documents required by Florida law.

- (2) Public Records. District public records include all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received in connection with the transaction of official business of the District. All District public records not otherwise restricted by law may be copied or inspected at the District Manager's office during regular business hours. Certain District records can also be inspected and copied at the District's local records office during regular business hours. All written public records requests shall be directed to the Secretary who by these rules is appointed

as the District's records custodian. Regardless of the form of the request, any Board member or staff member who receives a public records request shall immediately forward or communicate such request to the Secretary for coordination of a prompt response. The Secretary, after consulting with District Counsel as to the applicability of any exceptions under the public records laws, shall be responsible for responding to the public records request. At no time can the District be required to create records or summaries of records, or prepare opinions regarding District policies, in response to a public records request.

- (3) Service Contracts. Any contract for services, regardless of cost, shall include provisions required by law that require the contractor to comply with public records laws. The District Manager shall be responsible for initially enforcing all contract provisions related to a contractor's duty to comply with public records laws.
- (4) Fees; Copies. Copies of public records shall be made available to the requesting person at a charge of \$0.15 per page for one-sided copies and \$0.20 per page for two-sided copies if not more than 8 ½ by 14 inches. For copies of public records in excess of the sizes listed in this section and for outside duplication services, the charge shall be equal to the actual cost of reproduction. Certified copies of public records shall be made available at a charge of one dollar (\$1.00) per page. If the nature or volume of records requested requires extensive use of information technology resources or extensive clerical or supervisory assistance, the District may charge, in addition to the duplication charge, a special service charge that is based on the cost the District incurs to produce the records requested. This charge may include, but is not limited to, the cost of information technology resource, employee labor, and fees charged to the District by consultants employed in fulfilling the request. In cases where the special service charge is based in whole or in part on the costs incurred by the District due to employee labor, consultant fees, or other forms of labor, those portions of the charge shall be calculated based on the lowest labor cost of the individual(s) who is/are qualified to perform the labor, taking into account the nature or volume of the public records to be inspected or copied. The charge may include the labor costs of supervisory and/or clerical staff whose assistance is required to complete the records request, in accordance with Florida law. For purposes of this Rule, the word "extensive" shall mean that it will take more than 15 minutes to locate, review for confidential information, copy and re-file the requested material. In cases where extensive personnel time is determined by the District to be necessary to safeguard original records being inspected, the special service charge provided for in this section shall apply. If the total fees, including but not limited to special service charges, are anticipated to exceed twenty-five dollars (\$25.00), then, prior to commencing work on the request, the District will inform the person making the public records request of the estimated cost, with the understanding that the final cost may vary from that estimate. If the person making the public records request decides to proceed with the request, payment of the estimated cost is required in advance. Should the person fail to pay the estimate, the District is under no duty to produce

the requested records. After the request has been fulfilled, additional payments or credits may be due. The District is under no duty to produce records in response to future records requests if the person making the request owes the District for past unpaid duplication charges, special service charges, or other required payments or credits.

- (5) Records Retention. The Secretary of the District shall be responsible for retaining the District's records in accordance with applicable Florida law.
- (6) Policies. The Board may adopt policies related to the conduct of its business and the provision of services either by resolution or motion.
- (7) Financial Disclosure Coordination. Unless specifically designated by Board resolution otherwise, the Secretary shall serve as the Financial Disclosure Coordinator ("Coordinator") for the District as required by the Florida Commission on Ethics ("Commission"). The Coordinator shall create, maintain and update a list of the names, e-mail addresses, physical addresses, and names of the agency of, and the office or position held by, all Supervisors and other persons required by Florida law to file a statement of financial interest due to his or her affiliation with the District ("Reporting Individual"). The Coordinator shall provide this list to the Commission by February 1 of each year, which list shall be current as of December 31 of the prior year. Each Supervisor and Reporting Individual shall promptly notify the Coordinator in writing if there are any changes to such person's name, e-mail address, or physical address. Each Supervisor and Reporting Individual shall promptly notify the Commission in the manner prescribed by the Commission if there are any changes to such person's e-mail address.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 112.31446(3), 112.3145(8)(a)1., 119.07, 119.0701, 190.006, Fla. Stat.

Rule 1.3 Public Meetings, Hearings, and Workshops.

- (1) Notice. Except in emergencies, or as otherwise required by statute or these Rules, at least seven (7) days' public notice shall be given of any public meeting, hearing or workshop of the Board. Public notice shall be given by publication in a newspaper of general circulation in the District and in the county in which the District is located. "General circulation" means a publication that is printed and published at least once a week for the preceding year, offering at least 25% of its words in the English language, qualifies as a periodicals material for postal purposes in the county in which the District is located, is for sale to the public generally, is available to the public generally for the publication of official or other notices, and is customarily containing information of a public character or of interest or of value to the residents or owners of property in the county where published, or of interest or of value to the general public. The annual meeting notice required to be published by Section 189.015 of the Florida Statutes, shall be published in a newspaper not of limited subject matter, which is published at least five days a week, unless the only newspaper in the county is published less than five days a week, and shall satisfy the requirement to give at least seven (7) days' public notice stated herein. Each Notice shall state, as applicable:
 - (a) The date, time and place of the meeting, hearing or workshop;
 - (b) A brief description of the nature, subjects, and purposes of the meeting, hearing, or workshop;
 - (c) The District office address for the submission of requests for copies of the agenda, as well as a contact name and telephone number for verbal requests for copies of the agenda; and
 - (d) The following or substantially similar language: "Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting/hearing/workshop is asked to advise the District Office at least forty-eight (48) hours before the meeting/hearing/workshop by contacting the District Manager at [407-841-5524]. If you are hearing or speech impaired, please contact the Florida Relay Service at 1 (800) 955-8770 or 1 (800) 955-8771, who can aid you in contacting the District Office."
 - (e) The following or substantially similar language: "A person who decides to appeal any decision made at the meeting/hearing/workshop with respect to any matter considered at the meeting/hearing/workshop is advised that person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made including the testimony and evidence upon which the appeal is to be based."

- (f) The following or substantially similar language: “The meeting [or hearing or workshop] may be continued in progress without additional notice to a time, date, and location stated on the record.”

The date, time, and place of each meeting, hearing, or workshop of the Board shall additionally be posted on the District’s website at least seven (7) days before each meeting, hearing, or workshop.

- (2) Mistake. In the event that a meeting is held under the incorrect assumption that notice required by law and these Rules has been given, the Board at its next properly noticed meeting shall cure such defect by considering the agenda items from the prior meeting individually and anew.
- (3) Agenda. The District Manager, under the guidance of District Counsel and the Chairperson or Vice-Chairperson, shall prepare an agenda of the meeting/hearing/workshop. The agenda and any meeting materials available in an electronic format, excluding any confidential and any confidential and exempt information, shall be available to the public at least seven days before the meeting/hearing/workshop, except in an emergency. Meeting materials shall be defined as, and limited to, the agenda, meeting minutes, resolutions, and agreements of the District that District staff deems necessary for Board approval. Inclusion of additional materials for Board consideration other than those defined herein as “meeting materials” shall not convert such materials into “meeting materials.” For good cause, the agenda may be changed after it is first made available for distribution, and additional materials may be added or provided under separate cover at the meeting. The requirement of good cause shall be liberally construed to allow the District to efficiently conduct business and to avoid the expenses associated with special meetings.

The District may, but is not required to, use the following format in preparing its agenda for its regular meetings:

- Call to order
- Roll call
- Public comment
- Organizational matters
- Review of minutes
- Specific items of old business
- Specific items of new business
- Staff reports
 - (a) District Counsel
 - (b) District Engineer
 - (c) District Manager
 - 1. Financial Report
 - 2. Approval of Expenditures
- Supervisor’s requests and comments

Public comment
Adjournment

- (4) Minutes. The Secretary shall be responsible for preparing and keeping the minutes of each meeting of the Board. Minutes shall be corrected and approved by the Board at a subsequent meeting. The Secretary may work with other staff members in preparing draft minutes for the Board's consideration.
- (5) Special Requests. Persons wishing to receive, by mail, notices or agendas of meetings, may so advise the District Manager or Secretary at the District Office. Such persons shall furnish a mailing address in writing and shall be required to pre-pay the cost of the copying and postage.
- (6) Emergency Meetings. The Chairperson, or Vice-Chairperson if the Chairperson is unavailable, upon consultation with the District Manager and District Counsel, if available, may convene an emergency meeting of the Board without first having complied with sections (1) and (3) of this Rule, to act on emergency matters that may affect the public health, safety, or welfare. Whenever possible, the District Manager shall make reasonable efforts to provide public notice and notify all Board members of an emergency meeting twenty-four (24) hours in advance. Reasonable efforts may include telephone notification. Notice of the emergency meeting must be provided both before and after the meeting on the District's website, if it has one. Whenever an emergency meeting is called, the District Manager shall be responsible for notifying at least one newspaper of general circulation in the District. After an emergency meeting, the Board shall publish in a newspaper of general circulation in the District, the time, date and place of the emergency meeting, the reasons why an emergency meeting was necessary, and a description of the action taken. Actions taken at an emergency meeting may be ratified by the Board at a regularly noticed meeting subsequently held.
- (7) Public Comment. The Board shall set aside a reasonable amount of time at each meeting for public comment and members of the public shall be permitted to provide comment on any proposition before the Board. The portion of the meeting generally reserved for public comment shall be identified in the agenda. Policies governing public comment may be adopted by the Board in accordance with Florida law.
- (8) Budget Hearing. Notice of hearing on the annual budget(s) shall be in accord with Section 190.008 of the Florida Statutes. Once adopted in accord with Section 190.008 of the Florida Statutes, the annual budget(s) may be amended from time to time by action of the Board. Approval of invoices by the Board in excess of the funds allocated to a particular budgeted line item shall serve to amend the budgeted line item.
- (9) Public Hearings. Notice of required public hearings shall contain the information required by applicable Florida law and by these Rules applicable to meeting

notices and shall be mailed and published as required by Florida law. The District Manager shall ensure that all such notices, whether mailed or published, contain the information required by Florida law and these Rules and are mailed and published as required by Florida law. Public hearings may be held during Board meetings when the agenda includes such public hearing.

- (10) Participation by Teleconference/Videoconference. District staff may participate in Board meetings by teleconference or videoconference. Board members may also participate in Board meetings by teleconference or videoconference if in the good judgment of the Board extraordinary circumstances exist; provided however, at least three Board members must be physically present at the meeting location to establish a quorum. Such extraordinary circumstances shall be presumed when a Board member participates by teleconference or videoconference, unless a majority of the Board members physically present determines that extraordinary circumstances do not exist.
- (11) Board Authorization. The District has not adopted Robert's Rules of Order. For each agenda item, there shall be discussion permitted among the Board members during the meeting. Unless such procedure is waived by the Board, approval or disapproval of resolutions and other proposed Board actions shall be in the form of a motion by one Board member, a second by another Board member, and an affirmative vote by the majority of the Board members present. Any Board member, including the Chairperson, can make or second a motion.
- (12) Continuances. Any meeting or public hearing of the Board may be continued without re-notice or re-advertising provided that:
 - (a) The Board identifies on the record at the original meeting a reasonable need for a continuance;
 - (b) The continuance is to a specified date, time, and location publicly announced at the original meeting; and
 - (c) The public notice for the original meeting states that the meeting may be continued to a date and time and states that the date, time, and location of any continuance shall be publicly announced at the original meeting and posted at the District Office immediately following the original meeting.
- (13) Attorney-Client Sessions. An Attorney-Client Session is permitted when the District's attorneys deem it necessary to meet in private with the Board to discuss pending litigation to which the District is a party before a court or administrative agency or as may be authorized by law. The District's attorney must request such session at a public meeting. Prior to holding the Attorney-Client Session, the District must give reasonable public notice of the time and date of the session and the names of the persons anticipated to attend the session. The session must commence at an open meeting in which the Chairperson or Vice-Chairperson

announces the commencement of the session, the estimated length of the session, and the names of the persons who will be attending the session. The discussion during the session is confined to settlement negotiations or strategy related to litigation expenses or as may be authorized by law. Only the Board, the District's attorneys (including outside counsel), the District Manager, and the court reporter may attend an Attorney-Client Session. During the session, no votes may be taken and no final decisions concerning settlement can be made. Upon the conclusion of the session, the public meeting is reopened, and the Chairperson or Vice-Chairperson must announce that the session has concluded. The session must be transcribed by a court-reporter and the transcript of the session filed with the District Secretary within a reasonable time after the session. The transcript shall not be available for public inspection until after the conclusion of the litigation.

- (14) Security and Firesafety Board Discussions. Portions of a meeting which relate to or would reveal a security or firesafety system plan or portion thereof made confidential and exempt by section 119.071(3)(a), Florida Statutes, are exempt from the public meeting requirements and other requirements of section 286.011, Florida Statutes, and section 24(b), Article 1 of the State Constitution. Should the Board wish to discuss such matters, members of the public shall be required to leave the meeting room during such discussion. Any records of the Board's discussion of such matters, including recordings or minutes, shall be maintained as confidential and exempt records in accordance with Florida law.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 189.069(2)(a)16, 190.006, 190.007, 190.008, 286.0105, 286.011, 286.0113, 286.0114, Fla. Stat.

Rule 1.4 Internal Controls to Prevent Fraud, Waste and Abuse

- (1) Internal Controls. The District shall establish and maintain internal controls designed to:
- (a) Prevent and detect “fraud,” “waste” and “abuse” as those terms are defined in section 11.45(1), Florida Statutes; and
 - (b) Promote and encourage compliance with applicable laws, rules contracts, grant agreements, and best practices; and
 - (c) Support economical and efficient operations; and
 - (d) Ensure reliability of financial records and reports; and
 - (e) Safeguard assets.
- (2) Adoption. The internal controls to prevent fraud, waste and abuse shall be adopted and amended by the District in the same manner as District policies.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.
Law Implemented: § 218.33(3), Fla. Stat.

Rule 2.0 Rulemaking Proceedings.

- (1) Commencement of Proceedings. Proceedings held for adoption, amendment, or repeal of a District rule shall be conducted according to these Rules. Rulemaking proceedings shall be deemed to have been initiated upon publication of notice by the District. A “rule” is a District statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedure or practice requirements of the District (“Rule”). Nothing herein shall be construed as requiring the District to consider or adopt rules unless required by Chapter 190 of the Florida Statutes. Policies adopted by the District which do not consist of rates, fees, rentals or other monetary charges may be, but are not required to be, implemented through rulemaking proceedings.
- (2) Notice of Rule Development.
 - (a) Except when the intended action is the repeal of a Rule, the District shall provide notice of the development of a proposed rule by publication of a Notice of Rule Development in a newspaper of general circulation in the District before providing notice of a proposed rule as required by section (3) of this Rule. Consequently, the Notice of Rule Development shall be published at least twenty-nine (29) days prior to the public hearing on the proposed Rule. The Notice of Rule Development shall indicate the subject area to be addressed by rule development, provide a short, plain explanation of the purpose and effect of the proposed rule, cite the specific legal authority for the proposed rule, and include a statement of how a person may promptly obtain, without cost, a copy of any preliminary draft, if available.
 - (b) All rules as drafted shall be consistent with Sections 120.54(1)(g) and 120.54(2)(b) of the Florida Statutes.
- (3) Notice of Proceedings and Proposed Rules.
 - (a) Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, the District shall give notice of its intended action, setting forth a short, plain explanation of the purpose and effect of the proposed action, a reference to the specific rulemaking authority pursuant to which the rule is adopted, and a reference to the section or subsection of the Florida Statutes being implemented, interpreted, or made specific. The notice shall include a summary of the District’s statement of the estimated regulatory costs, if one has been prepared, based on the factors set forth in Section 120.541(2) of the Florida Statutes, and a statement that any person who wishes to provide the District with a lower cost regulatory alternative as provided by Section 120.541(1), must do so in writing within twenty-one (21) days after publication of the notice. The notice shall additionally include a statement that any affected person may request a public hearing

by submitting a written request within twenty-one (21) days after the date of publication of the notice. Except when intended action is the repeal of a rule, the notice shall include a reference to both the date on which and the place where the Notice of Rule Development required by section (2) of this Rule appeared.

- (b) The notice shall be published in a newspaper of general circulation in the District and each county in which the District is located not less than twenty-eight (28) days prior to the intended action. The proposed rule shall be available for inspection and copying by the public at the time of the publication of notice.
 - (c) The notice shall be mailed to all persons named in the proposed rule and to all persons who, at least fourteen (14) days prior to such mailing, have made requests of the District for advance notice of its rulemaking proceedings. Any person may file a written request with the District Manager to receive notice by mail of District proceedings to adopt, amend, or repeal a rule. Such persons must furnish a mailing address and may be required to pay the cost of copying and mailing.
- (4) Rule Development Workshops. Whenever requested in writing by any affected person, the District must either conduct a rule development workshop prior to proposing rules for adoption or the Chairperson must explain in writing why a workshop is unnecessary. The District may initiate a rule development workshop but is not required to do so.
- (5) Petitions to Initiate Rulemaking. All Petitions to Initiate Rulemaking proceedings must contain the name, address, and telephone number of the petitioner, the specific action requested, the specific reason for adoption, amendment, or repeal, the date submitted, the text of the proposed rule, and the facts showing that the petitioner is regulated by the District or has a substantial interest in the rulemaking. Not later than sixty (60) calendar days following the date of filing a petition, the Board shall initiate rulemaking proceedings or deny the petition with a written statement of its reasons for the denial. If the petition is directed to an existing policy that the District has not formally adopted as a rule, the District may, in its discretion, notice and hold a public hearing on the petition to consider the comments of the public directed to the policy, its scope and application, and to consider whether the public interest is served adequately by the application of the policy on a case-by-case basis, as contrasted with its formal adoption as a rule. However, this section shall not be construed as requiring the District to adopt a rule to replace a policy.
- (6) Rulemaking Materials. After the publication of the notice referenced in section (3) of this Rule, the Board shall make available for public inspection and shall provide, upon request and payment of the cost of copies, the following materials:

- (a) The text of the proposed rule, or any amendment or repeal of any existing rules;
 - (b) A detailed written statement of the facts and circumstances justifying the proposed rule;
 - (c) A copy of the statement of estimated regulatory costs if required by Section 120.541 of the Florida Statutes; and
 - (d) The published notice.
- (7) Hearing. The District may, or, upon the written request of any affected person received within twenty-one (21) days after the date of publication of the notice described in section (3) of this Rule, shall, provide a public hearing for the presentation of evidence, argument, and oral statements, within the reasonable conditions and limitations imposed by the District to avoid duplication, irrelevant comments, unnecessary delay, or disruption of the proceedings. The District shall publish notice of the public hearing in a newspaper of general circulation within the District either in the text of the notice described in section (3) of this Rule or in a separate publication at least seven (7) days before the scheduled public hearing. The notice shall specify the date, time, and location of the public hearing, and the name, address, and telephone number of the District contact person who can provide information about the public hearing. Written statements may be submitted by any person prior to or at the public hearing. All timely submitted written statements shall be considered by the District and made part of the rulemaking record.
- (8) Emergency Rule Adoption. The Board may adopt an emergency rule if it finds that immediate danger to the public health, safety, or welfare exists which requires immediate action. Prior to the adoption of an emergency rule, the District Manager shall make reasonable efforts to notify a newspaper of general circulation in the District. Notice of emergency rules shall be published as soon as possible in a newspaper of general circulation in the District. The District may use any procedure which is fair under the circumstances in the adoption of an emergency rule as long as it protects the public interest as determined by the District and otherwise complies with these provisions.
- (9) Negotiated Rulemaking. The District may use negotiated rulemaking in developing and adopting rules pursuant to Section 120.54(2)(d) of the Florida Statutes, except that any notices required under Section 120.54(2)(d) of the Florida Statutes, may be published in a newspaper of general circulation in the county in which the District is located.
- (10) Rulemaking Record. In all rulemaking proceedings, the District shall compile and maintain a rulemaking record. The record shall include, if applicable:

- (a) The texts of the proposed rule and the adopted rule;
- (b) All notices given for a proposed rule;
- (c) Any statement of estimated regulatory costs for the rule;
- (d) A written summary of hearings, if any, on the proposed rule;
- (e) All written comments received by the District and responses to those written comments; and
- (f) All notices and findings pertaining to an emergency rule.

(11) Petitions to Challenge Existing Rules.

- (a) Any person substantially affected by a rule may seek an administrative determination of the invalidity of the rule on the ground that the rule is an invalid exercise of the District's authority.
- (b) The petition seeking an administrative determination must state with particularity the provisions alleged to be invalid with sufficient explanation of the facts or grounds for the alleged invalidity and facts sufficient to show that the person challenging a rule is substantially affected by it.
- (c) The petition shall be filed with the District. Within 10 days after receiving the petition, the Chairperson shall, if the petition complies with the requirements of subsection (b) of this section, designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer who shall conduct a hearing within 30 days thereafter, unless the petition is withdrawn or a continuance is granted by agreement of the parties. The failure of the District to follow the applicable rulemaking procedures or requirements in this Rule shall be presumed to be material; however, the District may rebut this presumption by showing that the substantial interests of the petitioner and the fairness of the proceedings have not been impaired.
- (d) Within 30 days after the hearing, the hearing officer shall render a decision and state the reasons therefor in writing.
- (e) Hearings held under this section shall be de novo in nature. The petitioner has a burden of proving by a preponderance of the evidence that the existing rule is an invalid exercise of District authority as to the objections raised. The hearing officer may:
 - (i) Administer oaths and affirmations;

- (ii) Rule upon offers of proof and receive relevant evidence;
 - (iii) Regulate the course of the hearing, including any pre-hearing matters;
 - (iv) Enter orders; and
 - (v) Make or receive offers of settlement, stipulation, and adjustment.
 - (f) The petitioner and the District shall be adverse parties. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.
- (12) Variances and Waivers. A “variance” means a decision by the District to grant a modification to all or part of the literal requirements of a rule to a person who is subject to the rule. A “waiver” means a decision by the District not to apply all or part of a rule to a person who is subject to the rule. Variances and waivers from District rules may be granted subject to the following:
- (a) Variances and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person, and when application of the rule would create a substantial hardship or would violate principles of fairness. For purposes of this section, "substantial hardship" means a demonstrated economic, technological, legal, or other type of hardship to the person requesting the variance or waiver. For purposes of this section, "principles of fairness" are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule.
 - (b) A person who is subject to regulation by a District Rule may file a petition with the District, requesting a variance or waiver from the District’s Rule. Each petition shall specify:
 - (i) The rule from which a variance or waiver is requested;
 - (ii) The type of action requested;
 - (iii) The specific facts that would justify a waiver or variance for the petitioner; and
 - (iv) The reason why the variance or the waiver requested would serve the purposes of the underlying statute.
 - (c) The District shall review the petition and may request only that information needed to clarify the petition or to answer new questions

raised by or directly related to the petition. If the petitioner asserts that any request for additional information is not authorized by law or by Rule of the District, the District shall proceed, at the petitioner's written request, to process the petition.

- (d) The Board shall grant or deny a petition for variance or waiver and shall announce such disposition at a publicly held meeting of the Board, within ninety (90) days after receipt of the original petition, the last item of timely requested additional material, or the petitioner's written request to finish processing the petition. The District's statement granting or denying the petition shall contain a statement of the relevant facts and reasons supporting the District's action.

- (13) Rates, Fees, Rentals and Other Charges. All rates, fees, rentals, or other charges shall be subject to rulemaking proceedings. Policies adopted by the District which do not consist of rates, fees, rentals or other charges may be, but are not required to be, implemented through rulemaking proceedings.

Specific Authority: §§ 190.011(5), 190.011(15), 190.035, Fla. Stat.

Law Implemented: §§ 190.011(5), 190.035(2), Fla. Stat.

Rule 3.0 Competitive Purchase.

- (1) Purpose and Scope. In order to comply with Sections 190.033(1) through (3), 287.055 and 287.017 of the Florida Statutes, the following provisions shall apply to the purchase of Professional Services, insurance, construction contracts, design-build services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) Board Authorization. Except in cases of an Emergency Purchase, a competitive purchase governed by these Rules shall only be undertaken after authorization by the Board.
- (3) Definitions.
 - (a) “Competitive Solicitation” means a formal, advertised procurement process, other than an Invitation to Bid, Request for Proposals, or Invitation to Negotiate, approved by the Board to purchase commodities and/or services which affords vendors fair treatment in the competition for award of a District purchase contract.
 - (b) “Continuing Contract” means a contract for Professional Services entered into in accordance with Section 287.055 of the Florida Statutes, between the District and a firm, whereby the firm provides Professional Services to the District for projects in which the costs do not exceed two million dollars (\$2,000,000), for a study activity when the fee for such Professional Services to the District does not exceed two hundred thousand dollars (\$200,000), or for work of a specified nature as outlined in the contract with the District, with no time limitation except that the contract must provide a termination clause (for example, a contract for general District engineering services). Firms providing Professional Services under Continuing Contracts shall not be required to bid against one another.
 - (c) “Contractual Service” means the rendering by a contractor of its time and effort rather than the furnishing of specific commodities. The term applies only to those services rendered by individuals and firms who are independent contractors. Contractual Services do not include auditing services, Maintenance Services, or Professional Services as defined in Section 287.055(2)(a) of the Florida Statutes, and these Rules. Contractual Services also do not include any contract for the furnishing of labor or materials for the construction, renovation, repair, modification, or demolition of any facility, building, portion of building, utility, park, parking lot, or structure or other improvement to real property entered into pursuant to Chapter 255 of the Florida Statutes, and Rules 3.5 or 3.6.

- (d) “Design-Build Contract” means a single contract with a Design-Build Firm for the design and construction of a public construction project.
- (e) “Design-Build Firm” means a partnership, corporation or other legal entity that:
 - (i) Is certified under Section 489.119 of the Florida Statutes, to engage in contracting through a certified or registered general contractor or a certified or registered building contractor as the qualifying agent; or
 - (ii) Is certified under Section 471.023 of the Florida Statutes, to practice or to offer to practice engineering; certified under Section 481.219 of the Florida Statutes, to practice or to offer to practice architecture; or certified under Section 481.319 of the Florida Statutes, to practice or to offer to practice landscape architecture.
- (f) “Design Criteria Package” means concise, performance-oriented drawings or specifications for a public construction project. The purpose of the Design Criteria Package is to furnish sufficient information to permit Design-Build Firms to prepare a bid or a response to the District’s Request for Proposals, or to permit the District to enter into a negotiated Design-Build Contract. The Design Criteria Package must specify performance-based criteria for the public construction project, including the legal description of the site, survey information concerning the site, interior space requirements, material quality standards, schematic layouts and conceptual design criteria of the project, cost or budget estimates, design and construction schedules, site development requirements, provisions for utilities, stormwater retention and disposal, and parking requirements applicable to the project. Design Criteria Packages shall require firms to submit information regarding the qualifications, availability, and past work of the firms, including the partners and members thereof.
- (g) “Design Criteria Professional” means a firm who holds a current certificate of registration under Chapter 481 of the Florida Statutes, to practice architecture or landscape architecture, or a firm who holds a current certificate as a registered engineer under Chapter 471 of the Florida Statutes, to practice engineering, and who is employed by or under contract to the District to provide professional architect services, landscape architect services, or engineering services in connection with the preparation of the Design Criteria Package.
- (h) “Emergency Purchase” means a purchase necessitated by a sudden unexpected turn of events (for example, acts of God, riot, fires, floods, hurricanes, accidents, or any circumstances or cause beyond the control of the Board in the normal conduct of its business), where the Board finds

that the delay incident to competitive purchase would be detrimental to the interests of the District. This includes, but is not limited to, instances where the time to competitively award the project will jeopardize the funding for the project, will materially increase the cost of the project, or will create an undue hardship on the public health, safety, or welfare.

- (i) “Invitation to Bid” is a written solicitation for sealed bids with the title, date, and hour of the public bid opening designated specifically and defining the commodity or service involved. It includes printed instructions prescribing conditions for bidding, qualification, evaluation criteria, and provides for a manual signature of an authorized representative. It may include one or more bid alternates.
- (j) “Invitation to Negotiate” means a written solicitation for competitive sealed replies to select one or more vendors with which to commence negotiations for the procurement of commodities or services.
- (k) “Negotiate” means to conduct legitimate, arm’s length discussions and conferences to reach an agreement on a term or price.
- (l) “Professional Services” means those services within the scope of the practice of architecture, professional engineering, landscape architecture, or registered surveying and mapping, as defined by the laws of Florida, or those services performed by any architect, professional engineer, landscape architect, or registered surveyor and mapper, in connection with the firm's or individual's professional employment or practice.
- (m) “Proposal (or Reply or Response) Most Advantageous to the District” means, as determined in the sole discretion of the Board, the proposal, reply, or response that is:
 - (i) Submitted by a person or firm capable and qualified in all respects to perform fully the contract requirements, who has the integrity and reliability to assure good faith performance;
 - (ii) The most responsive to the Request for Proposals, Invitation to Negotiate, or Competitive Solicitation as determined by the Board; and
 - (iii) For a cost to the District deemed by the Board to be reasonable.
- (n) “Purchase” means acquisition by sale, rent, lease, lease/purchase, or installment sale. It does not include transfer, sale, or exchange of goods, supplies, or materials between the District and any federal, state, regional or local governmental entity or political subdivision of the State of Florida.

- (o) “Request for Proposals” or “RFP” is a written solicitation for sealed proposals with the title, date, and hour of the public opening designated and requiring the manual signature of an authorized representative. It may provide general information, applicable laws and rules, statement of work, functional or general specifications, qualifications, proposal instructions, work detail analysis, and evaluation criteria as necessary.
- (p) “Responsive and Responsible Bidder” means an entity or individual that has submitted a bid that conforms in all material respects to the Invitation to Bid and has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good faith performance. “Responsive and Responsible Vendor” means an entity or individual that has submitted a proposal, reply, or response that conforms in all material respects to the Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good faith performance. In determining whether an entity or individual is a Responsive and Responsible Bidder (or Vendor), the District may consider, in addition to factors described in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the following:
 - (i) The ability and adequacy of the professional personnel employed by the entity/individual;
 - (ii) The past performance of the entity/individual for the District and in other professional employment;
 - (iii) The willingness of the entity/individual to meet time and budget requirements;
 - (iv) The geographic location of the entity’s/individual’s headquarters or office in relation to the project;
 - (v) The recent, current, and projected workloads of the entity/individual;
 - (vi) The volume of work previously awarded to the entity/individual;
 - (vii) Whether the cost components of the bid or proposal are appropriately balanced; and
 - (viii) Whether the entity/individual is a certified minority business enterprise.

- (q) “Responsive Bid,” “Responsive Proposal,” “Responsive Reply,” and “Responsive Response” all mean a bid, proposal, reply, or response which conforms in all material respects to the specifications and conditions in the Invitation to Bid, Request for Proposals, Invitations to Negotiate, or Competitive Solicitation document and these Rules, and the cost components of which, if any, are appropriately balanced. A bid, proposal, reply or response is not responsive if the person or firm submitting it fails to meet any material requirement relating to the qualifications, financial stability, or licensing of the bidder.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 190.033, 255.20, 287.055, Fla. Stat.

Rule 3.1 Procedure Under the Consultants' Competitive Negotiations Act.

- (1) Scope. The following procedures are adopted for the selection of firms or individuals to provide Professional Services exceeding the thresholds herein described, for the negotiation of such contracts, and to provide for protest of actions of the Board under this Rule. As used in this Rule, "Project" means that fixed capital outlay study or planning activity when basic construction cost is estimated by the District to exceed the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FIVE, or for a planning study activity when the fee for Professional Services is estimated by the District to exceed the threshold amount provided in Section 287.017 for CATEGORY TWO, as such categories may be amended or adjusted from time to time.
- (2) Qualifying Procedures. In order to be eligible to provide Professional Services to the District, a consultant must, at the time of receipt of the firm's qualification submittal:
 - (a) Hold all required applicable state professional licenses in good standing;
 - (b) Hold all required applicable federal licenses in good standing, if any;
 - (c) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the consultant is a corporation; and
 - (d) Meet any qualification requirements set forth in the District's Request for Qualifications.

Evidence of compliance with this Rule may be submitted with the qualifications, if requested by the District. In addition, evidence of compliance must be submitted any time requested by the District.

- (3) Public Announcement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when Professional Services are required for a Project or a Continuing Contract by publishing a notice providing a general description of the Project, or the nature of the Continuing Contract, and the method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation in the District and in such other places as the District deems appropriate. The notice must allow at least fourteen (14) days for submittal of qualifications from the date of publication. The District may maintain lists of consultants interested in receiving such notices. These consultants are encouraged to submit annually statements of qualifications and performance data. The District shall make reasonable efforts to provide copies of any notices to such consultants, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process. The Board has the

right to reject any and all qualifications, and such reservation shall be included in the published notice. Consultants not receiving a contract award shall not be entitled to recover from the District any costs of qualification package preparation or submittal.

(4) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described in section (3) of this Rule regarding qualifications and performance ability, as well as any statements of qualifications on file. The Board shall conduct discussions with, and may require public presentation by consultants regarding their qualifications, approach to the Project, and ability to furnish the required services. The Board shall then select and list the consultants, in order of preference, deemed to be the most highly capable and qualified to perform the required Professional Services, after considering these and other appropriate criteria:
 - (i) The ability and adequacy of the professional personnel employed by each consultant;
 - (ii) Whether a consultant is a certified minority business enterprise;
 - (iii) Each consultant's past performance;
 - (iv) The willingness of each consultant to meet time and budget requirements;
 - (v) The geographic location of each consultant's headquarters, office and personnel in relation to the project;
 - (vi) The recent, current, and projected workloads of each consultant; and
 - (vii) The volume of work previously awarded to each consultant by the District.
- (b) Nothing in these Rules shall prevent the District from evaluating and eventually selecting a consultant if less than three (3) Responsive qualification packages, including packages indicating a desire not to provide Professional Services on a given Project, are received.
- (c) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

- (d) Notice of the rankings adopted by the Board, including the rejection of some or all qualification packages, shall be provided in writing to all consultants by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's ranking decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

(5) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as most qualified to perform the required Professional Services at a rate or amount of compensation which the Board determines is fair, competitive, and reasonable.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that "wage rates and other factual unit costs supporting the compensation are accurate, complete and current at the time of contracting." In addition, any professional service contract under which such a certificate is required, shall contain a provision that "the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs."
- (c) Should the District be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached, those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.
- (d) Should the District be unable to negotiate a satisfactory agreement with one of the top three (3) ranked consultants, additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

- (6) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (7) Continuing Contract. Nothing in this Rule shall prohibit a Continuing Contract between a consultant and the District.
- (8) Emergency Purchase. The District may make an Emergency Purchase without complying with these Rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 190.011(3), 190.033, 287.055, Fla. Stat.

Rule 3.2 Procedure Regarding Auditor Selection.

In order to comply with the requirements of Section 218.391 of the Florida Statutes, the following procedures are outlined for selection of firms or individuals to provide Auditing Services and for the negotiation of such contracts. For audits required under Chapter 190 of the Florida Statutes but not meeting the thresholds of Chapter 218 of the Florida Statutes, the District need not follow these procedures but may proceed with the selection of a firm or individual to provide Auditing Services and for the negotiation of such contracts in the manner the Board determines is in the best interests of the District.

(1) Definitions.

- (a) "Auditing Services" means those services within the scope of the practice of a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.
- (b) "Committee" means the auditor selection committee appointed by the Board as described in section (2) of this Rule.

(2) Establishment of Auditor Selection Committee. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Board shall establish an auditor selection committee ("Committee"), the primary purpose of which is to assist the Board in selecting an auditor to conduct the annual financial audit required by Section 218.39 of the Florida Statutes. The Committee shall include at least three individuals, at least one of which must also be a member of the Board. The establishment and selection of the Committee must be conducted at a publicly noticed and held meeting of the Board. The Chairperson of the Committee must be a member of the Board. An employee, a chief executive officer, or a chief financial officer of the District may not serve as a member of the Committee; provided however such individual may serve the Committee in an advisory capacity.

(3) Establishment of Minimum Qualifications and Evaluation Criteria. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Committee shall meet at a publicly noticed meeting to establish minimum qualifications and factors to use for the evaluation of Auditing Services to be provided by a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.

- (a) Minimum Qualifications. In order to be eligible to submit a proposal, a firm must, at all relevant times including the time of receipt of the proposal by the District:

- (i) Hold all required applicable state professional licenses in good standing;
- (ii) Hold all required applicable federal licenses in good standing, if any;
- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation; and
- (iv) Meet any pre-qualification requirements established by the Committee and set forth in the RFP or other specifications.

If requested in the RFP or other specifications, evidence of compliance with the minimum qualifications as established by the Committee must be submitted with the proposal.

- (b) **Evaluation Criteria.** The factors established for the evaluation of Auditing Services by the Committee shall include, but are not limited to:
 - (i) Ability of personnel;
 - (ii) Experience;
 - (iii) Ability to furnish the required services; and
 - (iv) Such other factors as may be determined by the Committee to be applicable to its particular requirements.

The Committee may also choose to consider compensation as a factor. If the Committee establishes compensation as one of the factors, compensation shall not be the sole or predominant factor used to evaluate proposals.

- (4) **Public Announcement.** After identifying the factors to be used in evaluating the proposals for Auditing Services as set forth in section (3) of this Rule, the Committee shall publicly announce the opportunity to provide Auditing Services. Such public announcement shall include a brief description of the audit and how interested firms can apply for consideration and obtain the RFP. The notice shall appear in at least one (1) newspaper of general circulation in the District and the county in which the District is located. The public announcement shall allow for at least seven (7) days for the submission of proposals.
- (5) **Request for Proposals.** The Committee shall provide interested firms with a Request for Proposals (“RFP”). The RFP shall provide information on how proposals are to be evaluated and such other information the Committee

determines is necessary for the firm to prepare a proposal. The RFP shall state the time and place for submitting proposals.

- (6) Committee's Evaluation of Proposals and Recommendation. The Committee shall meet at a publicly held meeting that is publicly noticed for a reasonable time in advance of the meeting to evaluate all qualified proposals and may, as part of the evaluation, require that each interested firm provide a public presentation where the Committee may conduct discussions with the firm, and where the firm may present information, regarding the firm's qualifications. At the public meeting, the Committee shall rank and recommend in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the factors established pursuant to subsection (3)(b) of this Rule. If fewer than three firms respond to the RFP or if no firms respond to the RFP, the Committee shall recommend such firm as it deems to be the most highly qualified. Notwithstanding the foregoing, the Committee may recommend that any and all proposals be rejected.
- (7) Board Selection of Auditor.
- (a) Where compensation was not selected as a factor used in evaluating the proposals, the Board shall negotiate with the firm ranked first and inquire of that firm as to the basis of compensation. If the Board is unable to negotiate a satisfactory agreement with the first ranked firm at a price deemed by the Board to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the Board shall immediately begin negotiations with the second ranked firm. If a satisfactory agreement with the second ranked firm cannot be reached, those negotiations shall be terminated and negotiations with the third ranked firm shall be undertaken. The Board may reopen formal negotiations with any one of the three top-ranked firms, but it may not negotiate with more than one firm at a time. If the Board is unable to negotiate a satisfactory agreement with any of the selected firms, the Committee shall recommend additional firms in order of the firms' respective competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
- (b) Where compensation was selected as a factor used in evaluating the proposals, the Board shall select the highest-ranked qualified firm or document in its public records the reason for not selecting the highest-ranked qualified firm.
- (c) In negotiations with firms under this Rule, the Board may allow the District Manager, District Counsel, or other designee to conduct negotiations on its behalf.

- (d) Notwithstanding the foregoing, the Board may reject any or all proposals. The Board shall not consider any proposal, or enter into any contract for Auditing Services, unless the proposed agreed-upon compensation is reasonable to satisfy the requirements of Section 218.39 of the Florida Statutes, and the needs of the District.
- (8) Contract. Any agreement reached under this Rule shall be evidenced by a written contract, which may take the form of an engagement letter signed and executed by both parties. The written contract shall include all provisions and conditions of the procurement of such services and shall include, at a minimum, the following:
 - (a) A provision specifying the services to be provided and fees or other compensation for such services;
 - (b) A provision requiring that invoices for fees or other compensation be submitted in sufficient detail to demonstrate compliance with the terms of the contract;
 - (c) A provision setting forth deadlines for the auditor to submit a preliminary draft audit report to the District for review and to submit a final audit report no later than June 30 of the fiscal year that follows the fiscal year for which the audit is being conducted;
 - (d) A provision specifying the contract period, including renewals, and conditions under which the contract may be terminated or renewed. The maximum contract period including renewals shall be five (5) years. A renewal may be done without the use of the auditor selection procedures provided in this Rule but must be in writing.
 - (e) Provisions required by law that require the auditor to comply with public records laws.
- (9) Notice of Award. Once a negotiated agreement with a firm or individual is reached, or the Board authorizes the execution of an agreement with a firm where compensation was a factor in the evaluation of proposals, notice of the intent to award, including the rejection of some or all proposals, shall be provided in writing to all proposers by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests regarding the award of contracts under this Rule shall be as provided for in Rule 3.11. No proposer shall be entitled to recover any costs of proposal preparation or submittal from the District.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.
Law Implemented: §§ 119.0701, 218.33, 218.391, Fla. Stat.

Rule 3.3 Purchase of Insurance.

- (1) Scope. The purchases of life, health, accident, hospitalization, legal expense, or annuity insurance, or all of any kinds of such insurance for the officers and employees of the District, and for health, accident, hospitalization, and legal expenses upon a group insurance plan by the District, shall be governed by this Rule. This Rule does not apply to the purchase of any other type of insurance by the District, including but not limited to liability insurance, property insurance, and directors and officers insurance. Nothing in this Rule shall require the District to purchase insurance.
- (2) Procedure. For a purchase of insurance within the scope of these Rules, the following procedure shall be followed:
 - (a) The Board shall cause to be prepared a Notice of Invitation to Bid.
 - (b) Notice of the Invitation to Bid shall be advertised at least once in a newspaper of general circulation within the District. The notice shall allow at least fourteen (14) days for submittal of bids.
 - (c) The District may maintain a list of persons interested in receiving notices of Invitations to Bid. The District shall make reasonable efforts to provide copies of any notices to such persons, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process.
 - (d) Bids shall be opened at the time and place noted in the Invitation to Bid.
 - (e) If only one (1) response to an Invitation is received, the District may proceed with the purchase. If no response to an Invitation to Bid is received, the District may take whatever steps are reasonably necessary in order to proceed with the purchase.
 - (f) The Board has the right to reject any and all bids and such reservations shall be included in all solicitations and advertisements.
 - (g) Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies that have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, the cost, if any, to the District officers, employees, or their dependents, the geographic location of the company's headquarters and offices in relation to the District, and the ability of the company to guarantee premium stability may be considered. A contract to purchase

insurance shall be awarded to that company whose response to the Invitation to Bid best meets the overall needs of the District, its officers, employees, and/or dependents.

- (h) Notice of the intent to award, including rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of insurance under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 112.08, Fla. Stat.

Rule 3.4 Pre-qualification

- (1) Scope. In its discretion, the District may undertake a pre-qualification process in accordance with this Rule for vendors to provide construction services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) Procedure. When the District seeks to pre-qualify vendors, the following procedures shall apply:
 - (a) The Board shall cause to be prepared a Request for Qualifications.
 - (b) For construction services exceeding the thresholds described in Section 255.20 of the Florida Statutes, the Board must advertise the proposed pre-qualification criteria and procedures and allow at least seven (7) days notice of the public hearing for comments on such pre-qualification criteria and procedures. At such public hearing, potential vendors may object to such pre-qualification criteria and procedures. Following such public hearing, the Board shall formally adopt pre-qualification criteria and procedures prior to the advertisement of the Request for Qualifications for construction services.
 - (c) The Request for Qualifications shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall allow at least seven (7) days for submittal of qualifications for goods, supplies and materials, Contractual Services, maintenance services, and construction services under two hundred fifty thousand dollars (\$250,000). The notice shall allow at least twenty-one (21) days for submittal of qualifications for construction services estimated to cost over two hundred fifty thousand dollars (\$250,000) and thirty (30) days for construction services estimated to cost over five hundred thousand dollars (\$500,000).
 - (d) The District may maintain lists of persons interested in receiving notices of Requests for Qualifications. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any pre-qualification determination or contract awarded in accordance with these Rules and shall not be a basis for a protest of any pre-qualification determination or contract award.
 - (e) If the District has pre-qualified vendors for a particular category of purchase, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies or

responses in response to the applicable Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

- (f) In order to be eligible to submit qualifications, a firm or individual must, at the time of receipt of the qualifications:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Request for Qualifications.

Evidence of compliance with these Rules must be submitted with the qualifications if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the qualifications.

- (g) Qualifications shall be presented to the Board, or a committee appointed by the Board, for evaluation in accordance with the Request for Qualifications and this Rule. Minor variations in the qualifications may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature.
- (h) All vendors determined by the District to meet the pre-qualification requirements shall be pre-qualified. To assure full understanding of the responsiveness to the requirements contained in a Request for Qualifications, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion and revision of qualifications. For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.
- (i) The Board shall have the right to reject all qualifications if there are not enough to be competitive or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of qualification preparation or submittal from the District.

(j) Notice of intent to pre-qualify, including rejection of some or all qualifications, shall be provided in writing to all vendors by United States Mail, electronic mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's pre-qualification decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11; provided however, protests related to the pre-qualification criteria and procedures for construction services shall be resolved in accordance with section (2)(b) of this Rule and Section 255.20(1)(b) of the Florida Statutes.

(3) Suspension, Revocation, or Denial of Qualification

(a) The District, for good cause, may deny, suspend, or revoke a prequalified vendor's pre-qualified status. A suspension, revocation, or denial for good cause shall prohibit the vendor from bidding on any District construction contract for which qualification is required, shall constitute a determination of non-responsibility to bid on any other District construction or maintenance contract, and shall prohibit the vendor from acting as a material supplier or subcontractor on any District contract or project during the period of suspension, revocation, or denial. Good cause shall include the following:

- i. One of the circumstances specified under Section 337.16(2), Fla. Stat., has occurred.
- ii. Affiliated contractors submitted more than one proposal for the same work. In this event the pre-qualified status of all of the affiliated bidders will be revoked, suspended, or denied. All bids of affiliated bidders will be rejected.
- iii. The vendor made or submitted false, deceptive, or fraudulent statements, certifications, or materials in any claim for payment or any information required by any District contract.
- iv. The vendor or its affiliate defaulted on any contract or a contract surety assumed control of financial responsibility for any contract of the vendor.
- v. The vendor's qualification to bid is suspended, revoked, or denied by any other public or semi-public entity, or the vendor has been the subject of a civil enforcement proceeding or settlement involving a public or semi-public entity.
- vi. The vendor failed to comply with contract or warranty requirements or failed to follow District direction in the performance of a contract.

- vii. The vendor failed to timely furnish all contract documents required by the contract specifications, special provisions, or by any state or federal statutes or regulations. If the vendor fails to furnish any of the subject contract documents by the expiration of the period of suspension, revocation, or denial set forth above, the vendor's pre-qualified status shall remain suspended, revoked, or denied until the documents are furnished.
 - viii. The vendor failed to notify the District within 10 days of the vendor, or any of its affiliates, being declared in default or otherwise not completing work on a contract or being suspended from qualification to bid or denied qualification to bid by any other public or semi-public agency.
 - ix. The vendor did not pay its subcontractors or suppliers in a timely manner or in compliance with contract documents.
 - x. The vendor has demonstrated instances of poor or unsatisfactory performance, deficient management resulting in project delay, poor quality workmanship, a history of payment of liquidated damages, untimely completion of projects, uncooperative attitude, contract litigation, inflated claims or defaults.
 - xi. An affiliate of the vendor has previously been determined by the District to be non-responsible, and the specified period of suspension, revocation, denial, or non-responsibility remains in effect.
 - xii. The vendor or affiliate(s) has been convicted of a contract crime.
 - 1. The term "contract crime" means any violation of state or federal antitrust laws with respect to a public contract or any violation of any state or federal law involving fraud, bribery, collusion, conspiracy, or material misrepresentation with respect to a public contract.
 - 2. The term "convicted" or "conviction" means a finding of guilt or a conviction of a contract crime, with or without an adjudication of guilt, in any federal or state trial court of record as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
- (b) A denial, suspension, or revocation shall prohibit the vendor from being a subcontractor on District work during the period of denial, suspension, or revocation, except when a prime contractor's bid has used prices of a subcontractor who becomes disqualified after the bid, but before the request for authorization to sublet is presented.

- (c) The District shall inform the vendor in writing of its intent to deny, suspend, or revoke its pre-qualified status and inform the vendor of its right to a hearing, the procedure which must be followed, and the applicable time limits. If a hearing is requested within 10 days after the receipt of the notice of intent, the hearing shall be held within 30 days after receipt by the District of the request for the hearing. The decision shall be issued within 15 days after the hearing.
- (d) Such suspension or revocation shall not affect the vendor's obligations under any preexisting contract.
- (e) In the case of contract crimes, the vendor's pre-qualified status under this Rule shall be revoked indefinitely. For all violations of Rule 3.4(3)(a) other than for the vendor's conviction for contract crimes, the revocation, denial, or suspension of a vendor's pre-qualified status under this Rule shall be for a specific period of time based on the seriousness of the deficiency.

Examples of factors affecting the seriousness of a deficiency are:

- i. Impacts on project schedule, cost, or quality of work;
- ii. Unsafe conditions allowed to exist;
- iii. Complaints from the public;
- iv. Delay or interference with the bidding process;
- v. The potential for repetition;
- vi. Integrity of the public contracting process;
- vii. Effect on the health, safety, and welfare of the public.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 190.033, 255.0525, 255.20, Fla. Stat.

Rule 3.5 Construction Contracts, Not Design-Build.

- (1) Scope. All contracts for the construction or improvement of any building, structure, or other public construction works authorized by Chapter 190 of the Florida Statutes, the costs of which are estimated by the District in accordance with generally accepted cost accounting principles to be in excess of the threshold amount for applicability of Section 255.20 of the Florida Statutes, as that amount may be indexed or amended from time to time, shall be let under the terms of these Rules and the procedures of Section 255.20 of the Florida Statutes, as the same may be amended from time to time. A project shall not be divided solely to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of construction services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation in the District and in the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least twenty-one (21) days for submittal of sealed bids, proposals, replies, or responses, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of bids, proposals, replies, or responses. If the Board has previously pre-qualified contractors pursuant to Rule 3.4 and determined that only the contractors that have been pre-qualified will be permitted to submit bids, proposals, replies, and responses, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation need not be published. Instead, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be sent to the pre-qualified contractors by United States Mail, hand delivery, facsimile, or overnight delivery service.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

- (d) If the District has pre-qualified providers of construction services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses to Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations.
- (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the bidder is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to, reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response, if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. Bids, proposals, replies, and responses shall be evaluated in

accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and these Rules. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.

- (g) The lowest Responsive Bid submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No contractor shall be entitled to recover any costs of bid, proposal, response, or reply preparation or submittal from the District.
- (i) The Board may require potential contractors to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses, shall be provided in writing to all contractors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of construction services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

- (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase construction services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of construction services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the construction services without further competitive selection processes.
- (3) Sole Source; Government. Construction services that are only available from a single source are exempt from this Rule. Construction services provided by governmental agencies are exempt from this Rule. This Rule shall not apply to the purchase of construction services, which may include goods, supplies, or materials, that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules. A contract for construction services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
- (4) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (5) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board Meeting.
- (6) Exceptions. This Rule is inapplicable when:
 - (a) The project is undertaken as repair or maintenance of an existing public facility;
 - (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
 - (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contract; or
 - (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 189.053, 190.033, 255.0518, 255.0525, 255.20, 287.055, Fla. Stat.

Rule 3.6 Construction Contracts, Design-Build.

- (1) Scope. The District may utilize Design-Build Contracts for any public construction project for which the Board determines that use of such contract is in the best interest of the District. When letting a Design-Build Contract, the District shall use the following procedure:
- (2) Procedure.
 - (a) The District shall utilize a Design Criteria Professional meeting the requirements of Section 287.055(2)(k) of the Florida Statutes, when developing a Design Criteria Package, evaluating the proposals and qualifications submitted by Design-Build Firms, and determining compliance of the project construction with the Design Criteria Package. The Design Criteria Professional may be an employee of the District, may be the District Engineer selected by the District pursuant to Section 287.055 of the Florida Statutes, or may be retained pursuant to Rule 3.1. The Design Criteria Professional is not eligible to render services under a Design-Build Contract executed pursuant to the Design Criteria Package.
 - (b) A Design Criteria Package for the construction project shall be prepared and sealed by the Design Criteria Professional. If the project utilizes existing plans, the Design Criteria Professional shall create a Design Criteria Package by supplementing the plans with project specific requirements, if any.
 - (c) The Board may either choose to award the Design-Build Contract pursuant to the competitive proposal selection process set forth in Section 287.055(9) of the Florida Statutes, or pursuant to the qualifications-based selection process pursuant to Rule 3.1.
 - (i) Qualifications-Based Selection. If the process set forth in Rule 3.1 is utilized, subsequent to competitive negotiations, a guaranteed maximum price and guaranteed completion date shall be established.
 - (ii) Competitive Proposal-Based Selection. If the competitive proposal selection process is utilized, the Board, in consultation with the Design Criteria Professional, shall establish the criteria, standards and procedures for the evaluation of Design-Build Proposals based on price, technical, and design aspects of the project, weighted for the project. After a Design Criteria Package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited pursuant to the design criteria by the following procedure:

1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least twenty-one (21) days for submittal of sealed proposals, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of proposals.
2. The District may maintain lists of persons interested in receiving notices of Requests for Proposals. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
3. In order to be eligible to submit a proposal, a firm must, at the time of receipt of the proposals:
 - a. Hold the required applicable state professional licenses in good standing, as defined by Section 287.055(2)(h) of the Florida Statutes;
 - b. Hold all required applicable federal licenses in good standing, if any;
 - c. Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation;
 - d. Meet any special pre-qualification requirements set forth in the Request for Proposals and Design Criteria Package.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may

be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the proposal if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the proposal.

4. The proposals, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. In consultation with the Design Criteria Professional, the Board shall evaluate the proposals received based on evaluation criteria and procedures established prior to the solicitation of proposals, including but not limited to qualifications, availability, and past work of the firms and the partners and members thereof. The Board shall then select no fewer than three (3) Design-Build Firms as the most qualified.
5. The Board shall have the right to reject all proposals if the proposals are too high, or rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of proposal preparation or submittal from the District.
6. If less than three (3) Responsive Proposals are received, the District may purchase design-build services or may reject the proposals for lack of competitiveness. If no Responsive Proposals are received, the District may proceed with the procurement of design-build services in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the design-build services without further competitive selection processes.
7. Notice of the rankings adopted by the Board, including the rejection of some or all proposals, shall be provided in writing to all consultants by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the

Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's rankings under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

8. The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards and shall establish a price which the Board determines is fair, competitive and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the second most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the third most qualified firm. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the third most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached or the list of firms is exhausted.
 9. After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.
 10. The Design Criteria Professional shall evaluate the compliance of the detailed working drawings and project construction with the Design Criteria Package and shall provide the Board with a report of the same.
- (3) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
 - (4) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified

Design-Build Firm available at the time. The fact that an Emergency Purchase has occurred shall be noted in the minutes of the next Board meeting.

(5) Exceptions. This Rule is inapplicable when:

- (a) The project is undertaken as repair or maintenance of an existing public facility;
- (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
- (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contractor; or
- (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 189.053, 190.033, 255.0518, 255.0525, 255.20, 287.055, Fla. Stat.

Rule 3.7 Payment and Performance Bonds.

- (1) Scope. This Rule shall apply to contracts for the construction of a public building, for the prosecution and completion of a public work, or for repairs upon a public building or public work and shall be construed in addition to terms prescribed by any other Rule that may also apply to such contracts.
- (2) Required Bond. Upon entering into a contract for any of the services described in section (1) of this Rule in excess of \$200,000, the Board should require that the contractor, before commencing the work, execute and record a payment and performance bond in an amount equal to the contract price. Notwithstanding the terms of the contract or any other law, the District may not make payment to the contractor until the contractor has provided to the District a certified copy of the recorded bond.
- (3) Discretionary Bond. At the discretion of the Board, upon entering into a contract for any of the services described in section (1) of this Rule for an amount not exceeding \$200,000, the contractor may be exempted from executing a payment and performance bond.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 255.05, Fla. Stat.

Rule 3.8 Goods, Supplies, and Materials.

- (1) Purpose and Scope. All purchases of goods, supplies, or materials exceeding the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, shall be purchased under the terms of this Rule. Contracts for purchases of “goods, supplies, and materials” do not include printing, insurance, advertising, or legal notices. A contract involving goods, supplies, or materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of goods, supplies, or materials is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, or Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of goods, supplies, and materials, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

Any firm or individual whose principal place of business is outside the State of Florida must also submit a written opinion of an attorney at law licensed to practice law in that foreign state, as to the preferences, if any or none, granted by the law of that foreign state to business entities whose principal places of business are in that foreign state, in the letting of any or all public contracts. Failure to submit such a written opinion or submission of a false or misleading written opinion may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and this Rule. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid, after taking into account the preferences provided for in this subsection, submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be accepted. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which does not grant a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the

lowest Responsible and Responsive Bidder whose principal place of business is in the State of Florida shall be awarded a preference of five (5) percent. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which grants a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsible and Responsive Bidder whose principal place of business is in the State of Florida shall be awarded a preference equal to the preference granted by such foreign state.

To assure full understanding of the responsiveness to the solicitation requirements contained in an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.

- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.
- (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of goods, supplies, and materials under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
- (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase goods, supplies, or materials, or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of goods, supplies, and materials, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct

purchase of the goods, supplies, and materials without further competitive selection processes.

- (3) Goods, Supplies, and Materials included in a Construction Contract Awarded Pursuant to Rule 3.5 or 3.6. There may be occasions where the District has undergone the competitive purchase of construction services which contract may include the provision of goods, supplies, or materials. In that instance, the District may approve a change order to the contract and directly purchase the goods, supplies, and materials. Such purchase of goods, supplies, and materials deducted from a competitively purchased construction contract shall be exempt from this Rule.
- (4) Exemption. Goods, supplies, and materials that are only available from a single source are exempt from this Rule. Goods, supplies, and materials provided by governmental agencies are exempt from this Rule. A contract for goods, supplies, or materials is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process. This Rule shall not apply to the purchase of goods, supplies or materials that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules.
- (5) Renewal. Contracts for the purchase of goods, supplies, and/or materials subject to this Rule may be renewed for a maximum period of five (5) years.
- (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 189.053, 190.033, 287.017, 287.084, Fla. Stat.

Rule 3.9 Maintenance Services.

- (1) Scope. All contracts for maintenance of any District facility or project shall be set under the terms of this Rule if the cost exceeds the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR. A contract involving goods, supplies, and materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of maintenance services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of maintenance services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, and responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and these Rules. Minor variations in the bids, proposals, replies, and responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid submitted in response to an Invitation to Bid by a Responsive and Responsible Bidder shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate or Competitive Solicitation the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, or responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No Vendor shall be

entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.

- (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
 - (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of maintenance services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
 - (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase the maintenance services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of maintenance services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the maintenance services without further competitive selection processes.
- (3) Exemptions. Maintenance services that are only available from a single source are exempt from this Rule. Maintenance services provided by governmental agencies are exempt from this Rule. A contract for maintenance services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
 - (4) Renewal. Contracts for the purchase of maintenance services subject to this Rule may be renewed for a maximum period of five (5) years.
 - (5) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
 - (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), 190.033, Fla. Stat.
Law Implemented: §§ 119.0701, 190.033, 287.017, Fla. Stat.

Rule 3.10 Contractual Services.

- (1) Exemption from Competitive Purchase. Pursuant to Section 190.033(3) of the Florida Statutes, Contractual Services shall not be subject to competitive purchasing requirements. If an agreement is predominantly for Contractual Services, but also includes maintenance services or the purchase of goods and services, the contract shall not be subject to competitive purchasing requirements. Regardless of whether an advertisement or solicitation for Contractual Services is identified as an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, no rights or remedies under these Rules, including but not limited to protest rights, are conferred on persons, firms, or vendors proposing to provide Contractual Services to the District.
- (2) Contracts; Public Records. In accordance with Florida law, each contract for Contractual Services shall include provisions required by law that require the contractor to comply with public records laws.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 190.011(3), 190.033, Fla. Stat.

Rule 3.11 Protests with Respect to Proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9.

The resolution of any protests with respect to proceedings under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, and 3.9 shall be in accordance with this Rule.

(1) Filing.

- (a) With respect to a protest regarding qualifications, specifications, documentation, or other requirements contained in a Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation issued by the District, the notice of protest shall be filed in writing within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after the first advertisement of the Request for Qualifications, Request for Proposals, Invitation to Bid, or Competitive Solicitation. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's intended decision. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (b) Except for those situations covered by subsection (1)(a) of this Rule, any firm or person who is affected adversely by a District's ranking or intended award under Rules 3.1, 3.2, 3.3, 3.4, 3.5, 3.6, 3.8, or 3.9 and desires to contest the District's ranking or intended award, shall file with the District a written notice of protest within seventy-two (72) calendar hours (excluding Saturdays, Sundays, and state holidays) after receipt of the notice of the District's ranking or intended award. A formal protest setting forth with particularity the facts and law upon which the protest is based shall be filed within seven (7) calendar days (including Saturdays, Sundays, and state holidays) after the initial notice of protest was filed. For purposes of this Rule, wherever applicable, filing will be perfected and deemed to have occurred upon receipt by the District. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's ranking or intended award. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (c) If the requirement for the posting of a protest bond and the amount of the protest bond, which may be expressed by a percentage of the contract to be awarded or a set amount, is disclosed in the District's competitive solicitation documents for a particular purchase under Rules 3.1, 3.2, 3.3,

3.4, 3.5, 3.6, 3.8, or 3.9, any person who files a notice of protest must post the protest bond. The amount of the protest bond shall be determined by District staff after consultation with the Board and within the limits, if any, imposed by Florida law. In the event the protest is successful, the protest bond shall be refunded to the protestor. In the event the protest is unsuccessful, the protest bond shall be applied towards the District's costs, expenses, and attorney's fees associated with hearing and defending the protest. In the event the protest is settled by mutual agreement of the parties, the protest bond shall be distributed as agreed to by the District and protestor.

- (d) The District does not accept documents filed by electronic mail or facsimile transmission. Filings are only accepted during normal business hours.
- (2) Contract Execution. Upon receipt of a notice of protest which has been timely filed, the District shall not execute the contract under protest until the subject of the protest is resolved. However, if the District sets forth in writing particular facts and circumstances showing that delay incident to protest proceedings will jeopardize the funding for the project, will materially increase the cost of the project, or will create an immediate and serious danger to the public health, safety, or welfare, the contract may be executed.
- (3) Informal Proceeding. If the Board determines a protest does not involve a disputed issue of material fact, the Board may, but is not obligated to, schedule an informal proceeding to consider the protest. Such informal proceeding shall be at a time and place determined by the Board. Notice of such proceeding shall be sent via facsimile, United States Mail, or hand delivery to the protestor and any substantially affected persons or parties not less than three (3) calendar days prior to such informal proceeding. Within thirty (30) calendar days following the informal proceeding, the Board shall issue a written decision setting forth the factual, legal, and policy grounds for its decision.
- (4) Formal Proceeding. If the Board determines a protest involves disputed issues of material fact or if the Board elects not to use the informal proceeding process provided for in section (3) of this Rule, the District shall schedule a formal hearing to resolve the protest. The Chairperson shall designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer to conduct the hearing. The hearing officer may:
 - (a) Administer oaths and affirmations;
 - (b) Rule upon offers of proof and receive relevant evidence;
 - (c) Regulate the course of the hearing, including any pre-hearing matters;

(d) Enter orders; and

(e) Make or receive offers of settlement, stipulation, and adjustment.

The hearing officer shall, within thirty (30) days after the hearing or receipt of the hearing transcript, whichever is later, file a recommended order which shall include a caption, time and place of hearing, appearances entered at the hearing, statement of the issues, findings of fact and conclusions of law, separately stated, and a recommendation for final District action. The District shall allow each party fifteen (15) days in which to submit written exceptions to the recommended order. The District shall issue a final order within sixty (60) days after the filing of the recommended order.

(5) Intervenors. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.

(6) Rejection of all Qualifications, Bids, Proposals, Replies and Responses after Receipt of Notice of Protest. If the Board determines there was a violation of law, defect, or an irregularity in the competitive solicitation process, the Bids, Proposals, Replies, and Responses are too high, or if the Board determines it is otherwise in the District's best interest, the Board may reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew. If the Board decides to reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew, any pending protests shall automatically terminate.

(7) Settlement. Nothing herein shall preclude the settlement of any protest under this Rule at any time.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 190.033, Fla. Stat.

Rule 4.0 Effective Date.

These Rules shall be effective Tuesday, July 26, 2022, except that no election of officers required by these Rules shall be required until after the next regular election for the Board.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 190.011(5), 190.011(15), Fla. Stat.

SECTION D

SECTION 1

RESOLUTION 2022-39

THE ANNUAL APPROPRIATION RESOLUTION OF THE SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT RELATING TO THE ANNUAL APPROPRIATIONS AND ADOPTING THE BUDGET FOR THE REMAINDER OF THE FISCAL YEAR BEGINNING OCTOBER 1, 2021 AND ENDING SEPTEMBER 30, 2022 AND BEGINNING OCTOBER 1, 2022 AND ENDING SEPTEMBER 30, 2023; AUTHORIZING BUDGET AMENDMENTS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Schaller Preserve Community Development District (“**District**”) was recently established by the Polk County Board of County Commissioners on May 17, 2022; and

WHEREAS, the District Manager has submitted to the Board of Supervisors (“**Board**”) of the District proposed budgets (“**Proposed Budgets**”) for the remainder of the fiscal year beginning October 1, 2021, and ending September 30, 2022 (“**Fiscal Year 2021/2022**”) and for the fiscal year beginning October 1, 2022 and ending September 30, 2023 (“**Fiscal Year 2022/2023**”, together with Fiscal Year 2021/2022, “**Fiscal Year 2021/2022 and 2022/2023**”) along with an explanatory and complete financial plan for each fund of the District, pursuant to the provisions of Section 190.008(2)(a), *Florida Statutes*;

WHEREAS, at least sixty (60) days prior to the adoption of the Proposed Budgets, the District filed a copy of the Proposed Budgets with the local governing authorities having jurisdiction over the area included in the District pursuant to the provisions of Section 190.008(2)(b), *Florida Statutes*; and

WHEREAS, the Board set public hearings thereon and caused notice of such public hearings to be given by publication pursuant to Section 190.008(2)(a), *Florida Statutes*; and

WHEREAS, the District Manager posted the Proposed Budgets on the District’s website at least two (2) days before the public hearing; and

WHEREAS, Section 190.008(2)(a), *Florida Statutes*, requires that, prior to October 1st of each year, the Board, by passage of the Annual Appropriation Resolution, shall adopt a budget for the ensuing fiscal year and appropriate such sums of money as the Board deems necessary to defray all expenditures of the District during the ensuing fiscal year; and

WHEREAS, the District Manager has prepared the Proposed Budgets, whereby the budgets shall project the cash receipts and disbursements anticipated during a given time period, including reserves for contingencies for emergency or other unanticipated expenditures during the fiscal year.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE SCHALLER PRESERVE COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BUDGET

- a. The Board has reviewed the Proposed Budgets, a copy of which is on file with the office of the District Manager and at the District’s Local Records Office, has considered any proposed amendments thereto, and approves the appropriations reflected in the Proposed Budgets, as shown in Section 2 below.
- b. The Proposed Budgets, each attached hereto as **Exhibit A**, as amended by the Board, if applicable, is hereby adopted in accordance with the provisions of Section 190.008(2)(a),

Florida Statutes (“**Adopted Budgets**”), and incorporated herein by reference; provided, however, that the comparative figures contained in the Adopted Budgets may be subsequently revised as deemed necessary by the District Manager to reflect actual revenues and expenditures.

- c. The Adopted Budgets, as amended (if applicable), shall be maintained in the office of the District Manager and at the District’s Local Records Office and identified as “The Budget for the Schaller Preserve Community Development District for the Fiscal Year Ending September 30, 2022” and “The Budget for the Schaller Preserve Community Development District for the Fiscal Year Ending September 30, 2023.”
- d. The Adopted Budgets shall be posted by the District Manager on the District’s official website within thirty (30) days after adoption and shall remain on the website for at least two (2) years.

SECTION 2. APPROPRIATIONS

There is hereby appropriated out of the revenues of the District, for Fiscal Year 2021/2022 and 2022/2023, the sum of \$_____ to be raised by the levy of assessments and/or otherwise, which sum is deemed by the Board to be necessary to defray all expenditures of the District during said budget year, to be divided and appropriated in the following fashion:

TOTAL GENERAL FUND \$ _____

TOTAL ALL FUNDS \$ _____

SECTION 3. BUDGET AMENDMENTS

Pursuant to Section 189.016, *Florida Statutes*, the District at any time within Fiscal Year 2021/2022 or within sixty (60) days following the end of the Fiscal Year 2021/2022 and Fiscal Year 2022/2023 may amend its Adopted Budgets for that fiscal year as follows:

- a. A line-item appropriation for expenditures within a fund may be decreased or increased by motion of the Board recorded in the minutes, and approving the expenditure, if the total appropriations of the fund do not increase.
- b. The District Manager or Treasurer may approve an expenditure that would increase or decrease a line-item appropriation for expenditures within a fund if the total appropriations of the fund do not increase and if either (i) the aggregate change in the original appropriation item does not exceed the greater of \$15,000 or 15% of the original appropriation, or (ii) such expenditure is authorized by separate disbursement or spending resolution.
- c. Any other budget amendments shall be adopted by resolution and consistent with Florida law.

The District Manager or Treasurer must ensure that any amendments to the budget under paragraph c. above are posted on the District’s website within five (5) days after adoption and remain on the website for at least two (2) years.

SECTION 4. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption.

PASSED AND ADOPTED THIS 26th DAY OF JULY, 2022.

Schaller Preserve

Community Development District

General Fund Narrative

Revenues:

Developer Contributions

The District will enter into a funding agreement with the Developer to fund the General Fund expenditures for the Fiscal Year.

Expenditures:

General & Administrative:

Supervisor Fees

Chapter 190, Florida Statutes, allows for each Board member to receive \$200 per meeting, not to exceed \$4,800 per year paid to each Supervisor for the time devoted to District business and meetings.

Engineering

The District's engineer will be providing general engineering services to the District, e.g. attendance and preparation for monthly board meetings, review invoices and various projects as directed by the Board of Supervisors and the District Manager.

Attorney

The District's legal counsel will be providing general legal services to the District, e.g. attendance and preparation for meetings, preparation and review of agreements, resolutions, etc. as directed by the Board of Supervisors and the District Manager.

Annual Audit

The District is required by Florida Statutes to arrange for an independent audit of its financial records on an annual basis.

Assessment Administration

The District will contract to levy and administer the collection of non-ad valorem assessment on all assessable property within the District.

Arbitrage

The District will contract with an independent certified public accountant to annually calculate the District's Arbitrage Rebate Liability on an anticipated bond issuance.

Dissemination

The District is required by the Security and Exchange Commission to comply with Rule 15c2-12(b)(5) which relates to additional reporting requirements for unrated bond issues. This cost is based upon an anticipated bond issuance.

Schaller Preserve

Community Development District

General Fund Narrative

Trustee Fees

The District will incur trustee related costs with the issuance of its' issued bonds.

Management Fees

The District receives Management, Accounting and Administrative services as part of a Management Agreement with Governmental Management Services-Central Florida, LLC. The services include but are not limited to, recording and transcription of board meetings, administrative services, budget preparation, all financial reports, annual audits, etc.

Information Technology

Represents costs related to the District's information systems, which include but are not limited to video conferencing services, cloud storage services and servers, security, accounting software, etc.

Website Maintenance

Represents the costs associated with monitoring and maintaining the District's website created in accordance with Chapter 189, Florida Statutes. These services include site performance assessments, security and firewall maintenance, updates, document uploads, hosting and domain renewals, website backups, etc.

Telephone

Telephone and fax machine.

Postage & Delivery

The District incurs charges for mailing of Board meeting agenda packages, overnight deliveries, correspondence, etc.

Insurance

The District's general liability and public official's liability insurance coverages.

Printing & Binding

Printing and Binding agenda packages for board meetings, printing of computerized checks, stationary, envelopes, etc.

Legal Advertising

The District is required to advertise various notices for monthly Board meetings, public hearings, etc. in a newspaper of general circulation.

Other Current Charges

Bank charges and any other miscellaneous expenses incurred during the year.

Schaller Preserve

Community Development District

General Fund Narrative

Office Supplies

Any supplies that may need to be purchased during the fiscal year, e.g., paper, minute books, file folders, labels, paper clips, etc.

Travel Per Diem

The Board of Supervisors can be reimbursed for travel expenditures related to the conducting of District business.

Dues, Licenses & Subscriptions

The District is required to pay an annual fee to the Florida Department of Economic Opportunity for \$175. This is the only expense under this category for the District.

Operations & Maintenance:

Field Contingency

Represents funds allocated to expenses that the District could incur throughout the fiscal year that do not fit into any field category.

Orlando, Florida 32801

RE: Statement of Qualifications for Engineering Services
Schaller Preserve Community Development District

Dear Ms. Jill Burns:

Gadd & Associates, LLC is pleased to present this response to Schaller Preserve Community Development District ("District") request for qualifications to provide continuing professional engineering services. Gadd & Associates was founded in February 2013 to merge talent and expertise in the civil engineering and land planning disciplines. Our staff of qualified professionals bring a wealth of knowledge to each project, based on experience and and our understanding of our client's needs.

Company Information

Gadd & Associates, LLC is a Limited Liability Company fully licensed and insured to provide professional engineering services in Florida. Additionally, we are licensed with Polk County. Services provided by Gadd & Associates include Civil Engineering consulting, design, permitting, and construction management of projects throughout central Florida. Specifically, these projects include commercial, industrial, municipal, educational, and residential developments.

As a firm and throughout our individual careers, we have been associated with many successful residential projects. Rodney A. Gadd, P.E. as a Principal of the company, would be the primary contact for this project and will be made available to attend District meetings, provide construction services, and other engineering tasks as needed. Additional support staff will be provided on a as needed basis.

Primary Address:

4685 E. County Road 540A Lakeland, FL 33813
(863) 940-9979 Office Phone

All business associated with our services are conducted out of the above listed office, centrally located in Polk County. These include, but are not limited to, human resources, accounts receivable, accounts payable, and the calculation and distribution of payroll.

Current Workload

Gadd & Associates currently maintains a steady workload of commercial, industrial, municipal, educational, and residential Civil Engineering projects. Included within the residential component of our active projects is providing Engineer of Record services for the design and permitting of the Eagle Hammock Subdivision. Our understanding and experience specific to this project would be an invaluable asset to the District moving forward.

Because of our current involvement with this subdivision and our experience on residential projects, we feel the transition for our staff to incorporate the District's Continuing Contract for Engineering Services into our workload would be seamless and without interruption or conflict. We are constantly evaluating our projects and adjusting staff resources as required to complete each project to meet the needs of our clients. We are confident in our ability to provide the District with cost-conscience, timely, and professional services for this Continuing Contract.

Respectfully Submitted,
Gadd & Associates, LLC

Rodney A. Gadd, PE
Principal

RODNEY A. GADD, P.E.
PRINCIPAL, PROFESSIONAL ENGINEER

As a founding Principal of Gadd & Associates since its inception, Rodney is responsible for direction and supervision of all design projects for the company. During his years of experience with private sector civil engineering firms, Rodney has become proficient with the design and permitting requirements of Polk County, surrounding municipalities, and local water management districts. Utilizing design and construction experience, his specific role with each project includes project management, drainage design, stormwater hydrology, roadway design, access management design, water/ sewer utility design, accessibility requirements, and construction engineering inspection activities.

EXPERIENCE HIGHLIGHTS

During his professional he has had the opportunity to be the Engineer of Record for many successful private and public sector projects.

Examples of these projects include:

Educational facilities: In excess of one hundred K-12 and College new campus, major renovation, ADA compliance, and various improvement projects.

Private Sector: Commercial and residential subdivisions, office buildings, churches, warehouses, hotels, and apartment complexes.

Municipal projects: Roadways, utility extensions and improvements, fire rescue stations, Sheriff Complex improvements, and community centers.

His specific role in each project includes Client liaison, project research, design supervision, code compliance, value engineering, and construction inspection/certification.

By applying the concept that positive relationships are the only thing secondary to professionalism, Rodney has been able to streamline projects with contractors, municipalities, and clients throughout his professional career. By always being willing to spend the extra time for research, review, and value engineering, he is an asset to Owner/ Development teams.

**SWORN STATEMENT UNDER SECTION 287.133(3)(a),
FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES**

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICER AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted to Schaller Preserve Community Development District
[print name of public entity]

by Rodney A. Gadd, P.E.
[print individual's name and title]

for Gadd & Associates, LLC
[print name of entity submitting sworn statement]

whose business address is 4685 E. County Road 540A Lakeland, FL 33813

and (if applicable) its Federal Employer Identification Number (FEIN) is 90-0934939 (If the
entity has no FEIN, include the Social Security Number of the individual signing this sworn statement:
_____.)

2. I understand that a "public entity crime" as defined in Paragraph 287.133(1)(g), **Florida Statutes**, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.
3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), **Florida Statutes**, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.
4. I understand that an "affiliate" as defined in Paragraph 287.133 (1)(a), **Florida Statutes**, means:
1. A predecessor or successor of a person convicted of a public entity crime; or
 2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1)(e), Florida Statutes means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. **[indicate which statement applies.]**

- X Neither the entity submitting this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.
- The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.
- The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. **[attach a copy of the final order]**

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Re: Schaller Preserve Community Development District: Request for Qualifications for Engineering Services

Dear Selection Committee,

Lighthouse Engineering (LHE) submits this proposal for professional services with a strong interest to enter a partnership with Schaller Preserve Community Development District (CDD) as your **District Engineer**. LHE is a multi-discipline civil/site engineering firm with three senior professional engineers and affiliates who are highly qualified for this work. Eight (8) copies of Standard Form No. 330 and Qualification Statement are included in this proposal, along with all applicable licenses.

Lighthouse Engineering
has professionals
experienced with CDD
operations.

Lighthouse engineering (LHE) had provided engineering services for Meadow Pointe II CDD in Wesley Chapel, Florida with Bob Nanni is the District Manager.

WHY HIRE LHE? Quite simply, we offer the best value for our professional services. LHE is an engineering firm with very competitive overhead and the highest quality standards. Our engineers have a combined experience of over 100 years and this knowledge allows us to examine, evaluate and quickly solve both complex and minor tasks. We feel this knowledge provides the best value for our clients.

LHE provides this value through having executive/ senior professionals that are highly qualified for their work. In addition, our operations run efficiently through purchasing and acquiring the same or greater IT infrastructure and office equipment utilized by our competitors and placing them in home offices. As the District Engineer, we would adopt a **safety-first approach**. We will protect the safety of the community first and foremost. We will support the **economic** interests of the community through adhering to capital budgeting requirements. For our part, we commit that we will provide the engineering services for the CDD in accordance with the budget.

WHY IS THIS IMPORTANT TO THE CDD? It means that our engineering work is easily bid by contractors and produces regular low bids for work. Also, Design-Build projects typically have zero change orders. This allows the CDD to finish more work with less financial and management resources.

If you wish to discuss our abilities further, we would welcome the opportunity to meet face to face with you.

If you have any additional questions, please let us know.

Sincerely,

Brad Foran, PE
Lighthouse Engineering, Inc.

Meadow Pointe II CDD – Wesley Chapel, Florida	2021	
(3) BRIEF DESCRIPTION (Brief scope, size, cost, etc.) AND SPECIFIC ROLE		
<p>a. EOR for the gen. engineering consultant for this CDD community which contains 108 ponds, is home to almost 3500 residents and has almost 75 miles of roads. Over a 12-year period LHE was tasked to produce pavement evaluations, pond evaluations and evaluations of all the existing facilities that include the 2500 SF club house, pool, multipurpose courts and all of their existing wholly owned and operated infrastructure. As the GEC for the CDD we routinely interacted with the board and provided reports, evaluation, and financial guidance for current and future needs of the community. We engaged in the reissuance of bonds for the CDD that totaled more than ten million dollars and upgraded the existing infrastructure and produced monies for future expansion of the community facilities. As the GEC for the CDD, he was responsible to the CDD for all its engineering needs.</p>

--	--	--

24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT *(Include scope, size, and cost)*

The project scope was for the design of a new multi-use path along the east side of Bayshore Boulevard with boardwalk and asphalt path from the Ream Wilson Trail to SR 60. The project included the removal and replacement of the existing sidewalk within the project limits and provided a new 10 foot wide multi-use path. It also required drainage design necessary to reroute drainage flow into an existing inlet which was located in the area that is not desirable, to a modified or new inlet that did not impede the physical travel lane. It also required addressing the sidewalk profile to raise the existing profile of the sidewalk and ensure positive stormwater conveyance into the existing open drainage system.

LHE provided contract administration, design, drainage improvements, erosion control, drainage studies, permitting mitigation impacts, management services, utility coordination, construction engineering inspection services, and quality acceptance reviews of all work associated with the development and preparation of the contract plans and construction of the improvements. Project cost was 1 million dollars.

24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT <i>(Include scope, size, and cost)</i>		

The Withlacoochee State Trail is a shared use path that connects Pasco, Hernando and Citrus Counties. This trail is 46 miles long. The improvements proposed consisted of rehabilitating segment of the Trail that were experiencing pavement failure. Parts of the existing trail were raised approximately 1.5 to 3 inches to above existing grade to minimize standing water. Signing and pavement markings along with the installation of Rectangular Rapid Flashing Beacon (RRFB) was installed for pedestrian safety at the trail crossing at CR 48 East Orange Avenue.

Responsible for the coordination of survey, geotechnical investigation, design, preparation of all documentation related to the acquisition of all permits not acquired by the Department, maintenance of traffic, demolition, and construction on or before the Project completion date, and utility relocations.

Also responsible for the compliance with Design and Construction Criteria regarding survey, design, construction, and maintenance of traffic during construction, project management, scheduling, and coordination with other agencies and entities such as state and local government, utilities and public.

24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT <i>(Include scope, size, and cost)</i>		

US 41/SR 45/S. 50th St., from Denver St. to north of 27th Ave. S., is classified as an urban principal arterial on the State Highway System with a context classification designated as C3C -Suburban Commercial roadway. Cracking was identified throughout the existing roadway. To extend the life of the existing pavement, the proposal called for the milling and resurfacing of US 41 from Denver St. to north of 27th Ave. S. for a total project length of 1.100 miles. The project also included upgrading curb ramps to meet current ADA standards and perform general safety modification works. There was an existing railroad crossing at US 41 that required coordination through the District Rail Office.

Due to heavy truck traffic and narrow outside thru lane width of the roadway, the existing curb and gutter inlet tops were damaged. Structurally deficient drainage structures were evaluated for repair and/or replacement throughout the project limits.

LHE prepared contract documents including plans, specification, supporting engineering analysis, calculation and other technical documents.

21. TITLE AND LOCATION <i>(City and State)</i> I - 275 / SR 93 Bus on Shoulder from ALT US 19 / SR 595 / 5 th Ave N. to SR 694 / Gandy Blvd. Pinellas County, Florida		22. YEAR COMPLETED PROFESSIONAL SERVICES 2020
23. PROJECT OWNER'S INFORMATION		
a. PROJECT OWNER FDOT District 7	b. POINT OF CONTACT NAME Craig Fox, P.E.	c. POINT OF CONTACT TELEPHONE NUMBER 813-975-6082
24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT <i>(Include scope, size, and cost)</i>		

I-275/SR93 (from Alt. US19/SR595/5th Ave. N. to SR694/Gandy Blvd.) is an Urban Principal Arterial Interstate. Located in Pinellas County, the project corridor is a northbound and southbound interstate with existing three (3) 12-foot travel lanes in each direction, 12 foot outside shoulder, and 8 foot (median) inside shoulder. The total project length was 5.203 miles.

Due to increasing public demand for transit ridership, the Department partnered with Pinellas Suncoast Transit Authority (PSTA) to implement the I-275 Bus on Shoulder Pilot Project which consisted of widening and resurfacing the northbound and southbound outside paved shoulder of I-275 (from Alt. US19/SR595/5th Ave. N. to SR694/Gandy Blvd.) from 10 feet to 12 feet. The shoulder widening will allow for transit vehicles to travel along the shoulder when traffic congestions slowed down the travel lanes to 35 mph. The existing three (3) 12-foot travel lanes were maintained along the northbound and southbound of I-275.

Project improvements consisted of shoulder milling/resurfacing, and shoulder widening. Existing drainage structures, pavement markings, signs, guardrail, lighting, and other features impacted by the project were replaced or relocated. Furthermore, side slopes affected by the shoulder widening were regraded and stabilized.

This was a roadway milling and resurfacing project which included pavement evaluation, mainline cross slope correction, and utility coordination. Signing and pavement marking design, specifications and cost estimating were also included. Project cost was 5 million dollars.

a. PROJECT OWNER FDOT District 7	b. POINT OF CONTACT NAME Pia Cormier	c. POINT OF CONTACT TELEPHONE NUMBER 813-975-6176
24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT <i>(Include scope, size, and cost)</i>		

The purpose of this RRR project was to preserve and extend the life of the existing pavement and perform general safety modification work. It included design of keyhole widening, cross slope correction, milling and resurfacing, signing and pavement markings, utility coordination, and permitting from SR 39 (Paul S. Buchman Hwy.) from Hillsborough County Line to South of Bay Ave. The segment of SR39 is classified as an urban principal arterial roadway with two typical sections. The first section consists of two lane undivided with 12' wide travel lanes, 8" wide shoulder (5' paved with bike lanes), and ditches on both sides. The second section is a two-lane divided with 12' wide travel lanes, 12' paved median, 8' shoulder (5' paved with bike lanes) and ditches on both sides. The project limit is from milepost 0.000 to milepost 0.679.

LHE provided drainage plans to accomplish the following goals:

- *Identify existing drainage issues and provide the most cost-effective solutions.
- *Enhance the safety level of the drainage structures
- * Replace or repair structurally deficient drainage structures
- *Ensure existing drainage features were not adversely impacted by the project
- *Desilt all storm drain/side drain/cross drainpipes within the project limits.

24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT <i>(Include scope, size, and cost)</i>		

The project scope was for the design of signal and ADA upgrades of the subject intersection. The project included new pedestrian countdown signals, sidewalk, roadway improvements, and mast arms. Additional elements included public involvement, utility relocation, signing and pavement marking, and all project management to complete the design. Our scope of services included the following tasks:

- * The design accommodated 4 legs of the intersection. Survey was required.
- * Survey included all utilities above and below ground as well as all other above ground entities.
- * Underground utilities were located via Subsurface Utility Engineering (SUE) in the vicinity of proposed pole foundation.
- * Geotechnical services were required for mast arm pole.
- * The limits of the project were milled and resurfaced to remove conflicting pavement markings.
- * Himes was crowned to remove the "bump" both north and south of Azeele and to drain to the inlets in all four corners of the intersection.
- * Data collection including traffic data and count information, sewer, water, storm sewer data, other planned projects in the vicinity, and all utilities
- * Field Review and Analysis of project site conditions.
- * Design Survey/SUE/Utility Coordination
- * Design and Construction Plan Preparation
- * Quality Assurance / Quality Review

Project cost was \$200,000.

24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT <i>(Include scope, size, and cost)</i>		

The project scope included upgrades to the ADA facilities along Palm Ave (between Nuccio and 19th Ave), add detectable warnings surfaces, and/or reconstruct ADA ramps with modifications to the median to allow pedestrians to cross at mid-block locations. Design also included RRFB's for pedestrian mid-block crossings along Palm Ave. at 17th and North 19. We also provided utility coordination and project management services necessary to complete the design.

Project Cost was \$100,000.

21. TITLE AND LOCATION <i>(City and State)</i> City of Tampa General Engineering Services – Howard Ave at Dekle / DeSoto Ave. Tampa, Florida		22. YEAR COMPLETED PROFESSIONAL SERVICES 2020 CONSTRUCTION <i>(If applicable)</i>
23. PROJECT OWNER'S INFORMATION		
a. PROJECT OWNER City of Tampa	b. POINT OF CONTACT NAME Milton Martinez, P.E.	c. POINT OF CONTACT TELEPHONE NUMBER 813-274-8998
24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT <i>(Include scope, size, and cost)</i>		

The project scope was for the redesign of the existing intersection that will accommodate the realignment of the intersection at Howard Ave. and DeSoto/Dekle Ave. The design included public involvement, utility relocation, roadway design, signing and pavement marking, and all project management to complete the design. Tasks to complete this project included the following:

- *Update the design and concept plan to accommodate the additional parking spaces south on Dekle Ave. Additional meetings were required to gain the approval of the concept plan by the City and other design firms involved in the corridor study of the project area.
- * Landscape and Irrigation plan for the green space between Dekle and De Soto.
- * Obtained additional survey south on Dekle for the additional parking spaces.
- * Provided utility coordination for the relocation of existing utilities within the project area as required as part of the new intersection configuration
- * Provided a set of construction documents based on the concept plans.
- * Provided construction phasing as part of the MOT

LHE provided utility coordination, design and construction plan preparation, pedestrian ramp/crosswalk design, design review, construction plans, quality assurance / quality review; as well as attended all field and coordination meetings. Project Cost was \$500,000.

21. TITLE AND LOCATION (City and State) Meadow Pointe II Community Development District (CDD) General Engineering Consultant (GEC) – Wesley Chapel, Florida		22. YEAR COMPLETED PROFESSIONAL SERVICES 2021 CONSTRUCTION (If applicable)

23. PROJECT OWNER'S INFORMATION

a. PROJECT OWNER Meadow Pointe II CDD	b. POINT OF CONTACT NAME Bob Nanni	c. POINT OF CONTACT TELEPHONE NUMBER 813-991-1116 X105
---	--	--

24. BRIEF DESCRIPTION OF PROJECT AND RELEVANCE TO THIS CONTRACT (Include scope, size, and cost)

LHE was the general engineering consultant for this CDD community which contains 108 ponds, is home to almost 3500 residents and has almost 75 miles of roads. Over a 12-year period, LHE was tasked to produce pavement evaluations, pond evaluations and evaluations of all of the existing facilities that included the 2500 SF club house, pool, multipurpose courts and all of their existing wholly owned and operated infrastructure. LHE was also tasked with the tree removal and replanting within the communities. As the GEC for the CDD we routinely interacted with the board and provided reports, evaluation, and financial guidance for current and future needs of the community. We were engaged in the reissuance of bonds for the CDD that totaled more than ten million dollars and were intended to upgrade the existing infrastructure and produce monies for future expansion of the community facilities. As the GEC for the CDD we were responsible to the CDD for all its engineering needs.

The project consisted of the milling and resurfacing of the existing roadway within eleven sub-divisions of Meadow Point II CDD including the clubhouse. The communities included are listed below:

- | | |
|-----------------|----------------|
| 1. Charlesworth | 7. Long leaf |
| 2. Colehaven | 8. Manor Isle |
| 3. Covina Key | 9. Sedgwick |
| 4. Glenham | 10. Vermillion |
| 5. Iverson | 11. Wrencrest |
| 6. Lettingwell | |

The scope included the following requirements:

1. Mobilization
2. Maintenance of traffic
3. Prevent asphalt and/or debris from entering existing inlets during construction
4. Mill existing asphalt pavement
5. Resurface the milled roadway with asphalt
6. Pavement restriping
7. Clean up site

H. ADDITIONAL INFORMATION

30. PROVIDE ANY ADDITIONAL INFORMATION REQUESTED BY THE AGENCY. ATTACH ADDITIONAL SHEETS AS NEEDED.

LHE's strong local presence in the Tampa Bay area is supported by local professionals with a spectrum of expertise, enabling us to provide our clients with the most effective project solutions on time and under budget.

Introduction: The Lighthouse Engineering Team

Founded in 2006, LIGHTHOUSE ENGINEERING, INC. is a multi-disciplinary engineering firm located in Pinellas County and is a **Certified Statewide SBE and Small Local Business Enterprise (SLBE)**.

Over the past 16 years, Lighthouse Engineering (LHE) has advanced the concept of providing a total package of engineering services to public and private clients. We maintain a broad spectrum of expertise, including our primary service areas:

- Roadway Transportation Design, Planning
- Permitting
- Site/Civil Engineering and Planning
- Traffic Engineering
- Signing and Marking Design
- Signalization Design
- Lighting

This diversity enables our organization to offer a unified "in-house" team approach composed of highly skilled and experienced professionals in a variety of specialties. The result is high-quality consulting services provided in a professional and timely manner. **The advantage to selecting LHE is that our engineers are diverse and multi-discipline.** As a small business, this is a unique advantage as we can service a project with as few as three professionals and deliver the project to you. By keeping the project team small, compact, and efficient, LHE can service this contract and provide immense value to Schaller Preserve Community Development District. Logically, Schaller Preserve CDD should see that when three multi-discipline engineers work together, the project is much more manageable when compared to the engineering team that the larger corporations need to finish this project.

Even though we have a small staff, we have a combined experience of over 100 years in the design of roadway transportation design, water, sewer, drainage, intersection improvements, permitting and other similar types of designs normally required by CDDs. We are familiar with and are experienced in design, construction inspection, project administration, and general civil support for any project that the CDD may undertake. We have designed, permitted and performed construction phase services for hundreds of projects ranging from the most complex Interstate highways to projects as small as local traffic calming, park design or small parking lot additions.

Local Knowledge

LHE has on staff a number of professionals who have a great deal of experience in roadway design. ***Previous staff experience was obtained on City projects such as the Intersection Improvement Project for Dale Mabry and Kennedy Blvd, Himes and Azeele Signal upgrades, Palm Ave Improvements and Intersection Improvement Project for Fowler Avenue and 50th Street.*** In addition, our staff has extensive local experience in roadway, storm water and utility design projects for clients such as Hillsborough County, Pasco County and the Florida Department of Transportation (FDOT), District Seven; as well as many private clients including Meadow Pointe II Community Development District (CDD).

In the past 16 years, LHE has completed over 70 roadway projects, solidifying an expertise that reduces project risk for our clients.

Accelerated Schedules Resulting from Permitting Expertise

Our project staff knows the pitfalls that delay permitting and how to avoid them from both a design and timing standpoint. **Because of our competence and speed in obtaining permitting from Southwest Florida Water Management District (SWFWMD) and the US Army Corps of Engineers (USACE), and proactive coordination with the various utility companies in the area, we are able to accelerate project plans and production schedules.**

Comprehensive Transportation Expertise Provided by Local Professionals

LHE has assembled a qualified team of professionals with extensive transportation engineering experience. Our combined team of multi-disciplined personnel specifically designated for this project is highly skilled in the areas of roadway and drainage design as well as utility conflict avoidance, coordination, and permitting. Including support staff, the LHE Tampa Bay area office currently has 5 full time employees. Our team has relationships and workflow processes that are established within the group to efficiently complete work and deliver quality products to the City of Tampa.

Capability and Ability to Deliver Project

We have a seasoned design team that is more than capable of delivering all the necessary components of a project and routinely handle larger scale projects with high dollar values. Our Project Manager completed an FDOT project in Pinellas County within the City of Tarpon Springs whereby the City will be reborn with a downtown revitalization of new sidewalk, utilities, lighting and upgraded pedestrian features. **This project was placed on an accelerated schedule and involved more than seven local utilities.** The utility work alone took almost a year to complete and the total cost of this exceeds more than 17 million dollars. We have the business tools, necessary design team, proper computer technology and a seasoned staff who are excited at the opportunity to serve the City and the place we call home.

Exceptional Staff Competence from Continued Training and Education

LHE is committed to ensuring that every staff member affecting product quality is fully competent to perform their assigned tasks. All personnel assigned to production have recent experience in their respective areas of responsibility. Competency is established through education, training, experience, and demonstration of skills.

Continuing education of our technical and professional staff is strongly encouraged. Many of our employees are enrolled in continuing education seminars and conferences offered by FDOT and other professional associations. Examples of these courses include the FDOT Project Management Course, Quality Assurance/Quality Control Training, FDOT Project Engineer Training, Traffic Control Zone Certification, Cost Estimating, and Long-Range Estimates Systems. Many of our engineers attend national seminars, where a variety of engineering trends and innovations are presented. Keeping up to date with the latest in technology and management solutions allows us to provide more value to our clients.

Proposed LHE Staff Members

The **accompanying resumes in Section E** present proposed staff members and their education, years of experience, role on this proposed contract, and specialized experience. The following paragraphs illustrate highlights of the qualifications and experience of our proposed project management team and key staff:

Project Manager

Brad Foran, P.E., has a long history of working with both State and Local agencies and has helped many Cities, CDDs and Counties achieve their capital work programs. He was the Project Manager for the State's rehabilitation project in Tarpon Springs where new sidewalk, roadway, water and sewer upgrades as well as streetscaping improvements were constructed. In addition, he served as the Project Manager for the City of Safety Harbor's SR 590 improvements. He also possesses a work experience that highlights his knowledge of highway design, permitting, and hydraulic analysis of existing and proposed facilities. He served as project manager and Engineer of Record for the Florida Department of Transportation on design contracts for Districts 1, 2, 3, 4, 6 and 7 and has worked on numerous major and minor roadway restoration projects. He designed the signalization improvement at Himes and Azeele for the City of Tampa and the enhancement project at Howard and Dekle. He is experienced in the evaluation, design, and permitting of existing and proposed facilities through either 3R or New Construction standards. He recently completed the Selmon Greenway Design Build Contract with Tampa-Hillsborough Expressway Authority (THEA) and will be coordinating with the City's TIGER grant project.

His most recent projects have focused on Florida Department of Transportation's 3R criteria and work with local agencies throughout Tampa Bay. These projects have included the complete evaluation of the enhancement projects new design projects criteria including the hydraulic analysis, pavement design, and variance approval for urban and rural projects. He is experienced in taking the design plans to completion and subsequently toward the construction phase of the project. **Mr. Foran brings to this project a wealth of experience and has the resources to assign and address design issues, ensure compliance with schedules, and provide a successful contract for the City of Tampa. Mr. Foran was the former Florida Engineering Society's (FES) Pinellas Chapter President and was a member of its Board of Directors.**

Assistant Project Manager/ Roadway Design / Drainage Design

Thomas Liu, P.E. Mr. Liu has over 20 years of roadway design and drainage experience on City, Florida Department of Transportation, County, and Private Development projects in Florida. Mr. Liu has served as Project Engineer on several projects in the City of Tampa. Mr. Liu's drainage experience includes design of stormwater treatment systems including treatment and attenuation requirements for SWFWMD and SFWMD permits. Mr. Liu also has both design and project management experience in traffic operations (signalization, signing and marking, highway lighting). He has extensive experience in transportation engineering

"We have a long-standing relationship with LHE and have collaborated on multiple jobs together. We can always depend on Brad and his team to be knowledgeable of all design aspects of the project, be innovative with their approach, dependable with deadlines and communication, and responsive to any challenges that may arise. When anyone asks for a recommendation for an engineer, I do not hesitate to put them in touch with Brad and Lighthouse."

**Jeff Nelson, President
Nelson Construction**

including design for rural and urban highways, limited access expressways, and rural and urban interchanges. Technical aspects of design include horizontal and vertical geometry, development of traffic control plans, drainage design, utility conflicts, and permitting. His expertise also includes basin delineation, pond siting reports, inlet locations, pavement drainage, hydraulic calculation for storm sewer networks, cross-drain analysis, stormwater routing, floodplain analysis, water quality, optional culvert material, dredge and fill impacts, coordination with water management agencies for permitting, and formulating technical stormwater reports.

Principal-In-Charge, Quality Assurance/Quality Control

Frank Foran, P.E., LHE's Vice President for Southeast Transportation with oversight responsibility of the Florida operations, is a Highway Design Engineer with more than 40 years of experience in the Tampa Bay Area. He will provide the direction for our **Quality Control** program out of our Tampa Bay area office located in Safety Harbor. Mr. Foran is certified with the Florida Department of Transportation (FDOT) in the preparation of traffic control plans and has also received training from the Department in cost estimating and long-range estimating systems. In addition to writing Quality Control Plans for various assignments at LHE,

Mr. Foran has performed quality assurance plan reviews for other consulting firms. Recent projects include the Largo Medical Office Complex, St. Catherine's Catholic Church in Largo, First Community Bank in St. Petersburg, Blake Medical Center Expansion in Bradenton, Water and Sewer line replacement work in Tarpon Springs, Water and Sewer Line Relocation in Safety Harbor and many other projects in Manatee County, Sarasota County and Lee County.

Customer Centric Focus Yields Repeat Business

The LHE Team understands that adherence to schedule, quality, and budget standards are not the only measures of past performance. We also measure the quality of our services through customer satisfaction and the level of business-like concern for governmental client interests.

We pride ourselves on a reputation for reasonable and cooperative behavior from proposal and initial negotiations through contract modifications and final delivery. The LHE project team members take great pride in both their individual and team record of service for our clients. We recognize that the **quality of service provided to a client is directly related to the potential for repeat business.**

The number of letters of appreciation, repeat clients, and repeat contracts we have been awarded reflects our product quality and consistent history of preparing innovative and realistic design solutions that are consistently within four (4) percent of the competitive low bid and meet the client's most demanding schedules. **Repeat business now constitutes roughly ninety (90) percent of our business.**

LHE seeks to continually improve our job performance, quality of products and services, and responsiveness. We have formally interviewed both private and public sector clients to determine how our staff could better fill their needs. We have implemented many of their suggestions and will provide you with a top team of experienced professionals ready to respond to every need.

Current and Projected Workload

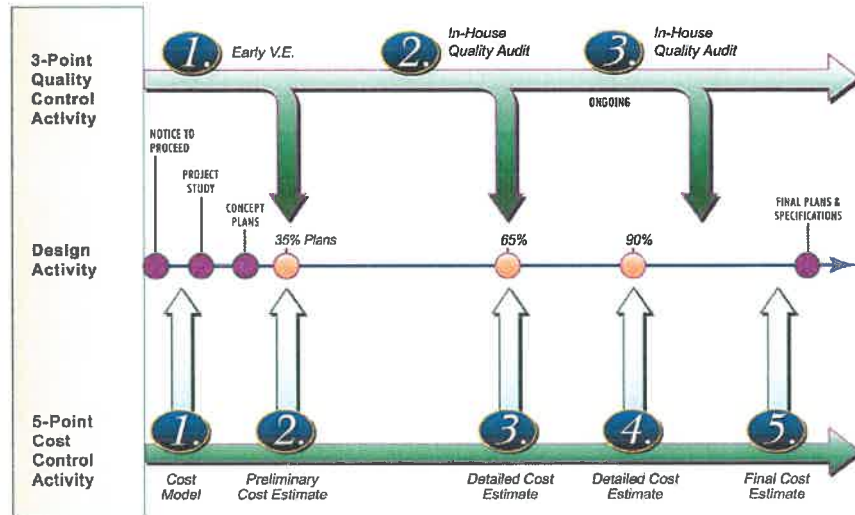

The current workload of LHE will allow us to begin work immediately. We are currently working for Hillsborough County on a Design job at US 41/SR 45 from Denver St. to N. of 27th Ave. S. that is set to be completed in November 2022. Our available design staff can provide more than 200 staff hours per month from our office in Safety Harbor. LHE routinely handles a multitude of project involving various disciplines.

We recently completed several significant projects including the AWARD WINNING I-275 bus on Shoulder project or Pinellas County, and Bayshore Blvd – Urban Multi-Use Trail for the City of Clearwater. Our projected workload falls within the capacity of our staff.

As with any firm, our workload is not always constant, but has peaks and valleys. The dedication of our staff enables LHE to meet our clients' goals by working overtime during peaks and improving our technical skills during slower periods. LHE assures the CDD that we have competent personnel available to deliver a quality project on schedule and our entire team will pull together to ensure that we meet the CDD's needs.

Successful Projects Result from Our Quality Assurance Program

Lighthouse Engineering believes that leadership in our industry can be achieved only through quality. Meeting quality goals at Lighthouse Engineering means commitment to the full satisfaction of every internal and external client. We continuously improve our management and technical processes in order to meet client requirements the first time, every time. Every team member of Lighthouse Engineering is dedicated to continuous improvement.

LHE Construction Cost and Quality Control Process.

The head of the QA/QC Team for this contract will be Frank Foran. Mr. Foran, P.E. will serve as the Management Representative responsible for implementing and maintaining the quality system and for regularly reporting system, process, or product failures with a view to continually improving the quality system. LHE recognizes that a quality product is the key to the successful performance of a contract, having maintained QA/QC standards and procedures since the company was founded in 2006. LHE has embraced the philosophy of Six Sigma Quality Management, which focuses on constantly monitoring performance, anticipating and preventing future problems by changing processes rather than merely reacting to mistakes. Our Six Sigma Program is client-and-product focused and is an established part of our corporate culture. The QA Program provides the controls and continuity necessary to perform a project in a defined, systematic manner and includes adequate provisions for changes. Our subcontractors are briefed on this process and fully comply with all procedures.

Florida Department of Transportation

RON DESANTIS
GOVERNOR

605 Suwannee Street
Tallahassee, FL 32399-0450

KEVIN J. THIBAUT, P.E.
SECRETARY

July 26, 2021

Bradley Foran, President
LIGHTHOUSE ENGINEERING, INC. d/b/a LHE
701 Enterprise Road East, Suite 410
Safety Harbor, Florida 34695

Dear Mr. Foran:

The Florida Department of Transportation has reviewed your application for prequalification package and determined that the data submitted is adequate to technically prequalify your firm for the following types of work:

Group 3 - Highway Design - Roadway

- 3.1 - Minor Highway Design
- 3.2 - Major Highway Design
- 3.3 - Controlled Access Highway Design

Group 6 - Traffic Engineering and Operations Studies

- 6.3.1 - Intelligent Transportation Systems Analysis and Design
- 6.3.2 - Intelligent Transportation Systems Implementation

Group 7 - Traffic Operations Design

- 7.1 - Signing, Pavement Marking and Channelization
- 7.2 - Lighting
- 7.3 - Signalization

Your firm is now technically prequalified with the Department for Professional Services in the above referenced work types. The overhead audit has been accepted, and your firm may pursue projects in the referenced work types with fees of any dollar amount. This status shall be valid until June 30, 2022, for contracting purposes.

Approved Rates

Home/ Branch Overhead	Facilities Capital Cost of Money	Premium Overtime	Reimburse Actual Expenses	Home Direct Expense
199.49%*	3.206%	Reimbursed	No	1.21%

*For multi-year contracts, DOT has adjusted the overhead rates to mitigate the adverse impacts of Payroll Protection Program loan forgiveness. For information on the adjusted overhead rates, contact the district Procurement Office.

Per Title 23, U.S. Code 112, there are restrictions on sharing indirect cost rates. Refer to Code for additional information.

Should you have any questions, please feel free to contact me by email at carliayn.kell@dot.state.fl.us or by phone at 850-414-4597.

Sincerely,

Carliayn Kell

From: Pinellas County Economic Development, Small Business Enterprise Program

April 27, 2022

Subject: Pinellas County Small Business Enterprise Program Renewal Application Approved

Dear Bradley Foran, P.E.:

Congratulations! Your [Renewal]application for designation as a Small Business Enterprise in the SBE Program is approved. The approval is contingent upon your firm successfully completing the eligibility listed below. We have designated Lighthouse Engineering, Inc. DBA LHE as eligible to [continue to] participate in the SBE program, and sheltered market program with an effective date of 4/8/2022. This certificate is specific to Pinellas County and covers only the company that is listed in this letter, not any other company with which you may be associated. Your firm will appear on the list of approved registered vendors.

As part of our SBE program, **we do require you to register your business** in our SBDC system as well. This registration will make it easier to sign up for classes and any time you need one-on-one free counseling for questions with procuring contracts with Government (County or Federal). Please visit our website, at <https://www.pced.org/page/Consulting>, to register and learn more or call 727-453-7200 for your consultation. During the registration process it will ask for nature of "counseling requested", select from any of the boxes you wish and then scroll down to the bottom and in the additional area please indicate "*Pinellas County SBE*" in the text box.

No additional eligibility. You are successfully registered. We encourage your firm to view our list of workshops to assist your business with getting the most out of working with Pinellas County. Please visit our website, at <https://pinellas.obsres.com/economic/Info.aspx?EventID=3005>, to register and learn more. These workshops are not mandatory, however, recommended.

Please visit our website, at <https://pinellas.obsres.com/economic/Info.aspx?EventID=3005>, to register and learn more or call 727-453-7200 for your consultation.

Form Name: Pinellas County Small Business Enterprise Program Renewal Application

Business: Lighthouse Engineering, Inc. DBA LHE

Contact: Bradley Foran, P.E.

Submission Date: 4/8/2022

Review Date: 4/12/2022

Expiration Date: 4/11/2025

Your approved Pinellas County Small Business Enterprise Program Renewal Application will expire 4/11/2025. If there are changes to your business, please contact staff to ensure the most accurate representation of your business. This includes changes to your company contacts, products, or services.

Thank you for your continued interest in participating with Pinellas County and the SBE Program. If you have any additional questions please email us at Businesshelp@pinellascounty.org or call 727-453-7200.

Expires: March 2, 2024

Stephanie Swinson, Esq.
Contracts Compliance Manager
727-893-4109

Stephanie.Swinson@stpete.org

In accordance with the City of St. Petersburg's Small Business Enterprise Ordinance #789-G, your business is certified as a Small Business Enterprise by the City of St. Petersburg. You will need to show proof of your new Occupational License each year, as well as renew your certification with this agency every three years. If at anytime the composition of the SBE status of your firm changes, you need to complete another SBE affidavit. The City of St. Petersburg Government reserves the right to terminate or cancel this certification at anytime when it is found that the composition of the Organization has changed and no longer meets the definition established for SBE certification.
